COMPLAINT

1. Plaintiff, Mireille Torjman hereby brings this action for the submissions of public comments pertaining to a current investigation requested by President Obama regarding Electronic Warfare and torture on civilians. Plaintiff is unable to verify or submit full evidence and proof including Science, climate, and nefarious abuse with torture, corruption, and mind manipulation during DELAYS, exceeding recent Senate and Chief Joint Staff targets, and NSA revelations worse than that of the CHURCH COMMISSION REPORTS. Related suits have been filed for injunction relief and other allegations with **attempts to save lives and was also provided for reference since last year**. There are 4,500 victims so far coming forward out of Millions, of wit on their mind control, thus body and systematic psyops tactics. The remaining are unwitting ALL Americans and not limited to techniques, ills, or sabotage, subsequently.

PRELIMINARY STATEMENT

2. This case is about the electronic harassment, torture behind the spying surveillance, civil rights violations, privacy, communications technology, and crimes of humanity, in use by the U.S. Intelligence Community, which has been refused in completion by the defendants. This information is critical to investigations, and cooperation has been impeded in numerous ways. Plaintiff has made exhausting efforts to provide assistance and save lives. New evidence with VALOR is being impeded and is time sensitive. This includes ADDITIONAL hand written notations on Doctor's work previously published to assist fact findings of Plaintiff and discoveries since then which cannot be overlooked. Plaintiff has been impeded for 5 years in numerous ways consciously and 3 unconsciously, by the public and the uses of Synthetic Telepathy Remote Viewing Psychotronics Weapon of Mass Destruction. (**Exhibits A-1-23 and A-1-16**)

**COMPLAINT**

1. Plaintiff, Mireille Torjman hereby brings this action for injunction relief, damages, and tort damages, FOIA, and **the right of review**, based on personal knowledge and belief, as a victim and expert witness, to the serious information provided, as to all other matters, as to which allegations Plaintiff, **without doubt or delusion**, will **provide proof**, un-refuted evidence, overwhelming evidentiary support, witnesses, substantial facts, documents,

videos, records, research, and investigation that exists and **disclosed to the press by NSA on item ¶ 15**, and as follows: (See also #25, 36, and services tab)

### PRELIMINARY STATEMENT

2. This case is about the wiretapping, surveillance, civil rights violations, privacy, communications technology, and crimes of humanity, in use by the Intelligence Community. With the advanced technology unknown to most, of shadow network of surveillance and spying, including, defendants are, transmitting, storing, tampering, and blocking or intercepting the content of a significant portion of the Plaintiff's phone calls, emails, instant messaging, text messaging, Internet, Skype, electronic and wireless communications, and other communications harassment, both internationally and domestic, including Plaintiff's family and practically every American, for the past 4 years, beginning on or about January 2007.

3. Plaintiff's records will show communications are intercepted, manipulated, tampered with, stored, (data mining), harassed, and impeded. Plaintiff will provide numerous and countless, emails hijacked, fabricated, UNREAD, manipulated, deleted, including mail UPS, facsimile, and internet manipulations, since 2007. Plaintiff's numerous impeded electronic communications with all her service providers were debilitating to her work and she had no resolve available from providers who were unable to detect or correct the situations. This includes manufactured emails, phone calls, and government employee's unwitting involvement. In 2008, Plaintiff was also accused legally of false communications during her service with Qwest, by using wiretapped calls and disconnects to create false records with her utilities company, including defamation to her character.

On information and belief, **Whistle Blower Kay Griggs, Military wife of former Chief of Staff Lt. Col, Black-Ops and underground she called "Secret Societies"**, was also harassed, impeded with and isolated, by **"COMMUNICATION CHAOS" tactics that she called mind jabbing**, cut and paste, with automobile sabotages, upon testifying, as same with Plaintiff's various attempts and events.

4. Plaintiff is **not delusional** and has provided her records to DOJ in early 2009, with documents from many other credible sources and whistle blowers. Plaintiff requests that the **Russell Tice case and Articles below underlined are read with disclosures being made as to her allegations, injunction relief, various separate counts, and tort damages throughout**. Plaintiff has demonstrated **courage, risked her reputation, risked her life, and family's, and has been threatened**, prior to receiving an anonymous email of the NSA article (below) in February 2009 and retaliated against. Plaintiff tried to blow the whistle to the DA late 2007, and was not aware what NSA was or government corruption, but knew she had to report what was going on; as quoted by **Mr. Tice and others**; "Statement by NSA, is **"THE TIP OF THE ICEBERG and WIRETAPPING SURVEILLANCE LOOK LIKE SMALL POTATOES"**. Most recently, Plaintiff was able to **meet with the FBI in early 2010**, and provided some information **for investigation by various FBI analysts. Plaintiff was impeded to testify at a NY senate hearing in February 2009**.

5. Plaintiff is suing defendants to enjoin their unlawful activities of all electronic communications, tangible and intangible and all allegations below and to require the inventory and destruction of those that have already been seized., and to obtain appropriate statutory, actual, and punitive damages, to deter future illegal activities. Plaintiff is also suing for injunctive relief, personal injury tort and damages, the right of review, and FOIA records.

### JURISDICTION AND VENUE

6. This court has subject matter jurisdiction over the federal claims pursuant to 28 U.S.C. § 1331, 18 U.S.C. § 2712, and 5 U.S.C. § 702.

7. Plaintiffs are informed, believe and thereon allege that Defendants have sufficient contacts with this

district generally and, in particular, with the events herein alleged, that Defendants are subject to the exercise

of jurisdiction of this court over the person of such Defendants and that venue is proper in this judicial district pursuant to 28 U.S.C. § 1391.

8. Plaintiff is informed, believe and thereon allege that a substantial part of the events giving rise to the claims herein alleged occurred in this district jurisdiction, and Defendants and/or agents of Defendants may be found in this district, nationally, and internationally.

## PARTIES

9. Plaintiff, Mireille Torjman is an intelligent native French speaking refugee from Marrakesh, Morocco. Plaintiff is a divorced woman of 48 years of age and was an accountant for 25 years. Plaintiff comes from a religious background, disciplined and educated, has spent 25 years in the Philadelphia area, currently staying in South Florida.
10. Defendant Federal Bureau of Investigations (FBI) is an agency under the direction and control of the Department of Justice and the Pentagon that investigates and protects the Nation with Programs of CointelPro joined by CIA operating on U.S. Soil.
11. Defendant Central Intelligence Agency (CIA) is an agency that protects the Country in first line of Defense and collects information that reveals the plans, intentions and capabilities of our adversaries and provides the basis for decision and action.
12. Defendant NSA Defendant National Security Agency (NSA) is an agency under the direction and control of the Department of Defense that collects, processes, and disseminates foreign signals intelligence. It is responsible for carrying out the Programs challenged herein.
13. Defendant United States is the United States of America, its departments, agencies, and entities. Including DOJ, and Congresswoman Ginny Browne-Waite as the current Florida Congress Representative of the United States, who Plaintiff **attempted to warn** on numerous occasions since early 2008 and Senator Bill Nelson, currently on Florida's Intelligence Committee. (**Background #14-22 below**)

## ALLEGATIONS AND FACTUAL ALLEGATIONS RELATED TO ALL COUNTS

23. Plaintiff, in her Florida home, on or about January 2007, naive and without knowledge of corruptions, wars, military weapons, or MKULTRA projects, **was comatosed for 72 hours** in her room and recruited for experimental remote mind control ESPIONAGE, SEXUAL SLAVERY, AND BEHAVIOR MODIFICATION, (Operation MHCHAOS-brainwash). Plaintiff's memory began to be wiped out daily and corrupted with new transmissions. Plaintiff ran away **TERRORIZED** after being transmitted to start "**THE PROCESS**", over time using the public to trigger her anchors/transmissions. Plaintiff's electronic communications began to be tampered with and impeded as she began to her research and attempts to report this corruption and abuse of powers under the programs. During Plaintiff's travels around the world, Plaintiff was transmitted to keep daily copious notes of her torture for her feedback. Plaintiff was attacked daily in International Airways and for no reason by **UNREALIZED, innocent, unwitting public of children, doctors, lawyers, animals, insects, until** her recent visit at the local FBI to whistle blow these activities again. Plaintiff was held hostage in a food establishment in Nice when on her way to whistle blow the information to other embassies. Plaintiff had crimes committed against her to keep her homeless and hijacked her house contents numerous times to sabotage her life and impede her work and falsely detained upon each attempt to report this. After already having been to the local FBI offices with this surveillance information, in 1996, Plaintiff was told "they were already on it" Plaintiff was terminated from her job the next morning and chased down the turnpike to deter her until 2007. Plaintiff was transmitted to send a letter to **FBI Director Mueller**, demanding to cease and invert her family in May of 2008 and was informed that it was **too late** as **they had already "gotten to him"** and she would never be believed. Plaintiff, upon warnings and threats, and family attacks, and brainwash, to stop her, was informed of, and demonstrated a doomed life called "obstacles, mishaps, or bad luck" in their cult or "process". One year later in February 2009, someone unknown sent Plaintiff an email of the Russell Tice article and Plaintiff IMMEDIATELY drove to DC in April 2009 to talk with DOJ Officials and their Attorneys. Plaintiff's various computers and car batteries, zapped en route to DC, constant power outages and car damages. Plaintiff's "communication chaos" using NSA transmissions to the unwitting public were used to sabotage her life, against her, and including her own Family isolating her into a remote cult of intelligence with physical events called brainwash. In January 2010 Plaintiff was told her surveillance/spying recordings could be sold overseas and that the FBI had joined forces with the Shadow Government to suppress her further and blaming the FBI. Plaintiff's "process" resembled what she found on u-tube in the 911 brainwashing process to the public of Weapons of Mass Destruction (the opposite of most news reports). Media showing Halloween letters of "TERROR" across our screens on 9/11/01, to induce fear unwittingly, on the public, and remarks of disgust from foreigners on our media and culture were made. Plaintiff was to obey their commands as robots, and was jacketed (one against the other with people) and kept isolated during the 4 year "process" coupled with threats, family, accidents,

psychological and physical harm, numerous illnesses, sabotage, bribes, and blackmail. Plaintiff was informed how and when she and America were mind controlled since her arrival in 1971 and was able to confirm these discoveries during the “process”. Plaintiff was, and is transmitted that they will stop if she does, and realizes today that was not true. Plaintiff will show and established pattern of these surveillance projects and corruptions subsequently and in relation to the Plaintiff’s claim.

**Plaintiff called Lt. Col. Tom Beardon** in 2007, and spoke to his wife as he was on a respirator, Kathleen Sullivan (Mind Controlled CIA child whistleblower) who was frantic about nursing her husband with CANCER. Plaintiff researched other retired government employees, victims, spies, using remote viewing and countless victims with the same complaints and tactics used. With surveillance technology, spying, and the already disclosed NSA Transmissions used for MKULTRA, projects are still operational and conducted by top secret, Q clearance on the public. **Plaintiff hereby makes these serious accusations against the United States Secret Government for the past 40 years on U.S. Soil.**

**“When even one American -who has done nothing wrong- is forced by fear to shut his mind and close his mouth, then all Americans are in peril.” Harry S. Truman**

In early 2008, after **25 years of being an accountant, and raised in the Mediterranean, Plaintiff purchased the Non FDA device from a NASA physicist at \$21,000.00 with Scalar waves**, (Russian Woodpecker frequencies), and Military Patents. Plaintiff became a certified practitioner to protect herself and attempt to de-program. Plaintiff was intercepted by this HAARP and NSA’s SIG-INT Satellites, thus became a certified hypnotist trained in NLP (Neuro-Linguistic Programming; CIA taught techniques, to deprogram. (Bandler and Grinder 1976) and (Project Paperclip; Dr. Strughold **Space Medicine 1963**)

24. In her travels, Plaintiff witnessed these transmissions used in Israel, Australia, England, and most European Countries, and was further impeded when attempting to whistle blow the nefarious uses and crimes of humanity by our CIA, to the embassies. Plaintiff will show documents and/or connections to **MAFIOSO, KGB, and AL Qaeda, within the CIA**, as with **DONALD RUMSFELD** and his banking ties. World Banks-(1910) **J.P. Morgan Chase**, Black Budgets, and Nikola Tesla 1940). **Plaintiff will reveal how scary the power of these people and these invisible weapons of technology are, and our utmost threat, involving every life. Plaintiff will reveal that media coverage or focus on Nuclear weapons and torture of Guantanamo are shifted by manipulation and dumbing us down.** Plaintiff motions the court to compel, the safety of “WE THE PEOPLE” by dismantling these Weapon Stations and the **CIA, born with the National Security’s Act in 1947, when our troubles began.**

25. Plaintiff was informed that 911 Pilots were mind controlled in advance in San Diego and the U.S., and that **911** was created to lose our FREEDOMS with the 911 commission sabotaged. (Naomi Wolf (Yale Journalist)-10 Steps-Freedom to Fascism, 2007- **also harassed by and on no fly zone list in her attempts**) (**Give me Liberty**)

Plaintiff flew to Atlanta **in the height of the new steel door installation and high security climate**, wondering why she was invited to sit in a co-pilot’s chair on the runway, while waiting to **take off from snow on the ground, unrealized but with no real fears or threats from Bin Laden** (yet) until provoked.

**“Death Ray” for planes** was Tesla’s invention in **1940** and a \$2,000,000,00 device to zap and melt an airplane motor 250 miles away and an **Invisible Chinese Wall of defense** was built around the Country, no matter how large an attack, (Teleforce, manifests FREE energy and creates rays; zapping beams, the new invisible war). Today, this **Wardencliff Tower is in full action** in Long Island NY, along with 36 other stations or sites as GWEN, Globally that beam massive volume of Free Energy. (**The New York Times, Sunday September 22, 1940-Science and Patents, Education News**) One energy zapping **causes confusion, mistakes, trip, fall, body temp-freeze, heat, miscommunication, fatigue, focus/concentration, radio-sleep (Kucinich-US patented under MKDELTA), and stalling any engine.**

On or about January 3, 2009, upon contacting the United Nation’s African Human Rights; provided her information of these weapons in use for mind control overseas and found **Alison Des Forges**, senior Africa adviser for **Human Rights Watch** was deceased in the Hudson NY crash in February 2009. On or about May 2008, the same occurred after contacting **Senator Ted Kennedy** for assistance, he became unavailable with Cancer. Today FBI reports he had been threatened. When Plaintiff agreed to testify anonymously, at a NY senate hearing scheduled out for February 2009 with **Senator Eric Adams**, he was delayed with a “busy” nation in transition, until his second home caught fire and the hearing never occurred. Plaintiff interviewed many individuals complaining of hearing the tuning in of these satellites in small towns and CIA agents abandoned on the job in Italy and other Countries upon

retirement, leaving them unaware and misinformed. Plaintiff had numerous impediments of busy delays from everyone she contacted daily to block her and has more disclosures and deaths not included in this complaint involving prominent and famous Hollywood victims over the years along with her own daily events.

26. **Under the disguise of SURVEILLANCE**, some aspects of the Programs of MKULTRA were publicly acknowledged by **President Clinton with partial apologies** on October 3, 1995 as past tense and not being done currently to down play their uses. The Pentagon has new buzz words **SYNTHETIC TELEPATHY**-Psychotronics. However, Plaintiff spoke with many other victims, and the latest FT Hood Mind Control soldier in November 2009 is not an isolated incident that is commonly known as “Building Manchurians” experimenting on many civilians today. Psychotronics also has a non-profit organization of former scientists and whistleblowers of same. (Lynn Surgella-Cancer; Central Nervous System diseases and Immune System-Ariel Sharon and comatose, Massive FDA drug corruptions and **synthetic illnesses**)

Twice recommended for a Nobel Prize **Dr Robert Becker** was the major researcher and writer on health dangers from electromagnetic fields, he died a few months ago, in summer 2008, but his works and warnings live on. “I have no doubt in my mind, that at the present time, the greatest polluting element in the Earth’s environment is the proliferation of electromagnetic fields. I consider that to be far greater on a global scale than warming and the increase in chemical elements in the environment.”

27. The President and other executive officials have described some activities of surveillance and spying which are conducted outside the procedures of the Foreign Intelligence Surveillance Act (“FISA”) and without authorization by the Foreign Intelligence Court, Communities, Committees, Senate, or Congress.

28. As with The Attorney General and the Director of National Intelligence having since publicly admitting that the TSP was only **one** particular aspect of the **surveillance activities** authorized by the “Programs”. On March 31, 2010 in the Islamic Foundation v Obama case, Judge Walker ruled the TSP as unlawful and violated FISA. These activities and other covert programs are being **abused with a pattern of experiments and corruption on the public** since the 1970’s using DOD weapons of technology. (Tesla Invention and energy) (Jewel v United States, United States v Yahoo)

On or about January 2007, Plaintiff witnessed people and companies pointing the finger at each other, and creating a doubt to sabotage lives and the LEGAL SYSTEM further with the use of “Communication Chaos” techniques. **“What the courts should also know.”** Today, Society’s Chief complaints are demanding **AUDITING FEDERAL FUNDS, OVERSIGHT, and TRANSPANCY**. Plaintiff has knowledge that it is the **CORRUPTION** and the **bigger Agenda** to change the Constitution **that has been HIDING behind SSP** and high profile cases and others, never coming to light. (OJ Simpson, Attorney selections, Sibel Edmonds) SSP has been preventing **Remote Viewing Mind Control Transmissions and corruptions from coming to light, not Intelligence** as a weapon and U. S. tactics.

Furthermore, testimonies made in 1977 to **U.S. Courts and Congress** by whistleblowers **Cathy O’Brien and Mark Phillips** were blocked for reasons of National Security. **This SSP RULING and disbelief had unwittingly allowed the crimes and evil corruption to continue in AMERICA with these TECHNOLOGY WEAPONS of the mind Too many years of death and torture include every one in this Country somehow.** Today we are finally seeing the same has continued to bigger Government crimes and corruption with technology to take over humanity for mass control. Step #9 closer to legalizing Fascism, eyes wide shut: (**Access Denied**, Trance-formation of America 2003). The Judicial System has not connected the dots yet, on prior crimes from these technology weapons that blighted the Courts 40 years ago to bring us to this point and a corrupted a Country and **Culture**. Plaintiff will show that smokescreens are created through propaganda to cover up **what is going on in this Country from “We the People”, collectively, since “Big Brother Technology” that outsiders already noticed or realize.** Plaintiff does not consent to the espionage information being transmitted against her will to her discoveries today and should not have been targeted with this experiment, torture and information.

29. In addition to eavesdropping on or reading specific communications, Defendants have intercepted the communications contents across the United States and overseas, and targeted the Plaintiff with intense continuous sabotage and impediments, Electronic Stalking, Slander, including Internet Communications, **censored and continuously intercepted** from blogging, blocked her searches for attorneys, blocked her web site from google others cannot view except her, with Google’s Access Portals and/or passwords. Plaintiff wrote to Google to let them know what was going on behind the scenes with remote viewing Americans **INCLUDING most CORPORATIONS, password access, and covert data-mining for purposes, in SG3 dating back prior to 911** (EFF v Google Street-view). DOD’s ELF transmitters were already in **full scale by 1981 in Australia and Africa**, followed

by additional superior covert Projects in the U.S. (Combat Zones under DARPA formerly ARPA).

30. With suspicious FBI allegations and \$122 Million Virtual Case File Project gone wrong in 2001, prior Board Members and Government Officials', the new Parent Company SAIC's (C I A Spacestar) servers and the ("Occult Connections"). Chief of Staff Jack E Thomas Air Force Intelligence, 1997 ties with DOD, NSA, CIA, and former Executives, Directors, Secretaries, Army Generals, all had knowledge of **REMOTE VIEWING experiments** spy biz, SPAWAR at the Naval Electronics System Command in San Diego and Los Alamos National Labs for Medical Oversight to American Intelligence Agencies (1996). A **surge of Federal Spending** raised **Multi-Billion dollar Defense concerns with SAIC and Titan (moon) (2004) in the mid 1990's** on technology projects that REQUIRE HUMAN EXPERIMENTING.

31. **Joseph McMoneagle**, eventually revealed as such, but for the purposes of the Army's psychic **intelligence unit**, he was simply Remote Viewer No. 1." In his Memoirs of a **Psychic Spy** is a look at the most remarkable exploits in a most astonishing career of military service. Remote Viewer 001 in **Army's Stargate Project reports this as still classified**. The top secret intelligence gathering initiative **launched at height of Cold War-** David Morehouse 1998. This project was first used to retrieve **intentions** in a criminal or terrorist's mind. (The Lucid View, Investigations in Occultism, 2004-MK ULTRA includes **Project "VOICE of GOD" and Church Committee**) This is used for unexplained phenomenon and to manipulate religion and/or to compel a crime, command or order. It is undeniable that government agencies have tested citizens without permission as The Manchurian Candidates in the United States. **Cognitive Sciences** Laboratories CIA research **24 years ago** when Tom Beardon **warned about these weapons and activities as serious dangers**. These weapons in use by police have already started to **kill and maim overtly**.

32. As history repeats itself, duping the legal system condoning Government horrific corruptions and crimes in a free country, the core component of these Programs is Defendants' nationwide network of sophisticated communications surveillance and spy devices being installed and attached today **overtly and nefariously in front of the world**. NSA transmissions and NASA Remote Viewing have been in place and are being connected to the key facilities of telecommunications with advanced technologies like that of HAARP stations and Satellites for many years prior and **covertly**. As Quantum Physics (sound and/or radio WAVES) and **subliminal are being used for Spying predominantly on CIVILIAN POPULATION**, as well as **breaching contracts with other Countries** and Embassies, HAARP is used for Earth and human manipulations. (Jerry Smith, Jim Keith; Politician and Dr. Nick Begich, Alaska; "HAARP; THE ULTIMATE CONSPIRACY" 1998) The "Method of Inducing Mental Emotional and Physical States in Human Beings" **was patented for the CIA in Virginia in 1993**. Each zapped transmission or hallucination is **extremely harmful and polluting as it is costly**. Plaintiff has knowledge why black budgets are not held to higher accountability, the public slowly sickened and killed selectively with social security funds, and the missing

**\$125 Billion on Iraqi Reconstruction fraud and the U.S. Army in February 2009.**

33. These projects of CointelPro, **Psyops experiments for drones**, and Surveillance/spying have continued covertly to develop weapons that were **first patented by Russia and China**. Since the 1950's, **first revealed to the public** were the Alien UFO Projects, and the subliminal cravings of coca cola, movies and pop corn. Shortly thereafter as technology advanced, mass control continued to this day nefariously against all Americans, **called NSA transmissions today**. This created and induced IMMORAL dysfunctional corrupt and synthetic unhealthy culture. **Since 1974** under the Pentagon, **DOD funded the ELF radio broadcasting in conjunction with hypnotic control** and prior to that Doctors Bill Nelson and Tom Beardon had their own patents at NASA on Medicinal Energy and Biofeedback, already in use in other Countries with the same remote scalar waves and frequencies. (Apollo and **Whistleblowers second craft 11, shadowing Apollo 13 and no witnesses returned after the Shuttle**)

Furthermore, under DOD, **Combat Zones That See**, or CTS, project of the **United States Defense Advanced Research Projects Agency** (DARPA-1957) whose goal was to "track everything that moves" in a city by linking up a massive network of surveillance cameras to a **centralized computer system**. (Russell Tice called Spy Apparatus.) **Artificial intelligence** software will then identify and track all movement throughout the city. In 1958, immediately after Sputnik, DARPA began to **secure our space and airways with these Directed Energy Weapons**. (Project AGILE-1966 Pentagon meeting).

In an undisclosed report dated March 9, 2005, **eight** more projects with strategic thrusts included **Bio-Revolution, DIRECTED ENERGY**, and Urban Operation of sensors on the **existing Airborne Video Surveillance, all under the Iraq theory, also data mining all information from the Human**. CTS is described by DARPA as intended for

use in combat zones, to deter enemy attacks on American troops and to identify and track **enemy combatants who launch attacks against American soldiers, under Martial Law for a Police State and to legalize Fascism**. DARPA's current Projects, XG, Robotic assured Military communication, CALO; **Cognitive Impairment forced, speech, ADDHD, and Optical**), and **Silent Talk**; A planned program attempting to **identify EEG patterns for words and transmit these for covert communications**. Telepathy were part of the tests the Plaintiff was sent for, including warming her blood without the Doctor's consent and was checked for Immune Systems without cause (ELF disease), and her eyes physically taken over by an MRI, unexplained by Director (optic pattern, DNA, and more). This computer-mediated telepathy allows user-to-user communication through analysis of neural signals. The research aims to detect and analyze the word-specific neural signals, using **EEG**, which occur before speech is vocalized, and to see if the patterns are generalizable. As of 2009 the research is focused on military uses. Plaintiff, an unwitting guinea pig of these programs went for **UN-Necessary tests**. Plaintiff's hair has not grown since 1996, with induced rapid loss, a skin condition from the blood unknown to the doctors. (**Leukemia**) In addition, since 1962, ARPA initiated the Office of Information Processing Technique and Behavior Sciences for Artificial Intelligence, Command and Control, known today as Behavior Modification or BRAINWASH for army combat purposes.

34. Plaintiff has knowledge that after this project was field-tested with experiments on Vietnam VETERANS disguised as **Agent Orange**. Plaintiff spoke with many suffering from ELF induced nervous central system attacks and complaints of mind control in the VA, all reporting the same as civilian victims. One of many victims is suing the Bar due to the VA computer systems uses with no counsel available.

35. **Julianne McKinney**, 1994 former Military Intelligence Officer and **Director of these very PROJECTS** is still battling with it today, **demanding oversight** and cease and desist for all **Microwave Harassment**. ("The Classic Mind Control Operation Revealed" June 2003, surveillance and 'neurocybernetics' systems, which **DOD refers to as 'psycotechnologies'**. (**Former Pentagon Reporter, Sharon Weinberger (misfits scientists, remote viewing; internal emails, 1996)** Also known as **HANDLERS**).

36. **John Herschel Glenn Jr., 1974-1999, former astronaut** and U.S. **politician** who Introduced a Bill and Joint Resolutions (Page S645) Human Research Subject Protection Act, **stated** "In fact, our own Constitution says, 'The right of the people to be **secure in their persons** . . . shall **not be violated**.'" , and compared it to the Nuremberg Code. His own experience and knowledge of unwitting civilians with Radiation experiments has already been proven that Directed Energy Weapons increased **CANCER rates** DRAMATICALLY in this COUNTRY thus far. Furthermore, patients have discovered leaving the Country for natural cures worked without further Chemotherapy. During Plaintiff's brief volunteer work at the **ACLU**, **Plaintiff learned that calls were made from patients complaining of being electrocuted while in Hospitals and transmitted innocent** staff not to believe them. The reason knowledgeable professionals warn against this Technology as the terrorists within, and keeping their enemies close, unfortunately. Plaintiff met with FBI and Congress on two occasions and warned them of her discoveries, and the Gulf's Red Tide in Florida before the spill as corruptions at the hands of our Shadow Government, and did same with Documentary "Un-Covered" as Marionettes. ELF Waves used in getting a war by **Congress not reading** full documents to invade Iraq. (Judicial Watch various lawsuits, FBI 2008 also spinning their wheels)

37. Plaintiff also has knowledge that the manipulations to the media and miscommunications for the use of quashing, fanning, suppressions, and propaganda including block exposing the government's advertising and news corruptions are the reason for spying with these mind control technology weapons. Spying on media was revealed last year as NSA transmissions which includes "communication chaos" or not to care unwittingly and omit important news, unrealized. (**Operation Mockingbird Media**, also began in the 1950's, and **creating a synthetic culture**). HAARP stations were set up reaching Woodpecker waves with Russia about the time space activities began 1970 when "Big Brother was watching" today known as "Big Brother gets a Brain". Whereas Russia was in fact only deployed with these Weapons on the U.S. or on its own people. Paranoid, our Intelligence, DIA launched against its own people in 1983. Astronomical Defense budgets developed as black budgets, and SPYING nefariously **went covert from media and public's** knowledge. (Jerry Smith, CARABAS Coherent All Radio Band Sensing, HAARP printed in Canada 1998) (Operation Mockingbird)

38. ## BACKGROUND

14. Counter Intelligence Program was a series of **covert**, and often illegal, projects conducted by the United States **Federal Bureau of Investigation** (FBI) aimed at investigating and disrupting **dissident political organizations** within the **United States**. The FBI used covert operations from its inception; however formal COINTELPRO operations took place between 1956 and 1971. The FBI's stated motivation at the time was "protecting **national security**, preventing violence, and maintaining the existing social and political order." According to FBI records, 85% of Cointelpro resources were expended on infiltrating, disrupting, marginalizing, and/or subverting groups suspected of being subversive, such as **communist** and **socialist** organizations; the **women's rights** movement; **militant black nationalist** groups, and the non-violent **civil rights movement**, including individuals such as **Martin Luther King, Jr.** and others associated with the **Southern Christian Leadership Conference**, the **National Association for the Advancement of Colored People**, the **Congress of Racial Equality**, the **American Indian Movement**, and other **civil rights groups**; a broad range of organizations labeled "**New Left**", including **Students for a Democratic Society**, the **National Lawyers Guild**, the **Weathermen**, almost all groups protesting the **Vietnam War**, and even individual student demonstrators with no group affiliation; and nationalist groups such as those "seeking independence for **Puerto Rico**." The other 15% of Cointelpro resources were expended to marginalize and subvert "**white** hate groups," including the **Ku Klux Klan** and **National States' Rights Party**. The directives governing Cointelpro were issued by **FBI Director J. Edgar Hoover**, who ordered FBI agents to "**expose, disrupt, misdirect, discredit**, or otherwise neutralize" the activities of these movements and their leaders. Hoover disclosed how horrific these weapons were thus, hard to believe. MKULTRA mind control experiments began at the end of WWII **and then became public in the 1970's, however imperfectly, and went 'black' again because of Senate hearings, but these experiments have continued to this day**. The only reason that MKULTRA was ever brought into the light of day was that a dissident group stole government documents and released them to the press, which initially refused to publish them. **The MKULTRA archive was destroyed because of the seriousness of the crimes perpetrated by the intelligence communities**. If it became public knowledge that the intelligence agencies had allowed Nazi war criminals to experiment upon **American citizens, including children, and then replicated these techniques themselves, the damage to their reputation could never be undone**. The only aspects of CIA criminal activity in general, or MKULTRA in particular, that the intelligence community ever admitted to were the ones that were already public, or details that had very little to do with the current capabilities of mind control weapons and techniques. **Microwave weapons and remote influence of the Human Central Nervous System are the crown jewels of the intelligence community. The DEFENDER and AGILE Programs formed the foundation of DARPA sensor, surveillance, spying, and directed energy R&D, particularly in the study of radar, infrared sensing, and x-ray/gamma ray detection**. During the late 1960s, with the transfer of these mature programs to the Services, ARPA redefined its role and concentrated on a diverse set of relatively small, essentially exploratory research programs. The Agency was renamed the Defense Advanced Research Projects Agency (DARPA) in 1972, and during the early 1970s, it **emphasized direct energy programs**, information processing, and tactical technologies.

Today we know we have had the Technology as warfare and/or medicine, coupled with the Conspiracy theories of HAARP, (Dr. Hubertus Strughold, **space medicine-project paperclip**-The Jewish Telegraphic Agency 1995; "Dark Moon; **Apollo and Whistleblowers Second craft 11, shadowing Apollo 13**" and **technical difficulties** with no witnesses returned. Issues of **Mind Control reported by Dr. Rauni-Leena Luukanen Kilde** - Nyhetsspeilet.no with 50 year old technology from our government being disclosed as new, have consistently been deceiving the public, intentionally and with malice, while mapping out a grid across the Country. **DUPLICITOUS and INDUCED manipulations of grave mass control escalations have been documented and quashed over the decades**. **MKULTRA Experiments** for Behavior Modification using the public as pawns for war, also became corrupted for tax gains and global domination, with massive funding to **LEAA Law Enforcements** while **Crimes were induced in major cities in 1968 alone** by 50% (FBI, Newsweek reports). **Unwitting citizens blighted the courts with lawsuits, prisons and Hospitals** in this Country with complaints of mind control that the **Media refused to cover**. This **erupted** suddenly and massively **over one year and remote viewing was used for entrapment and**

**hallucinations for bearing false witness.** Today this continues is still uncovered by media with false statistics and **disinformation** fanned unwittingly by the media (Project Mockingbird and Spying). A dysfunctional America engineered at the hands of its own secret government. Forty years later the COURTS are blighted with cases of civil/privacy rights, War, torture, and Technology combined if we don't stop them with **so many warning for AMERICANS TO WAKE UP.** An agenda for larger government, and world domination, with CONGRESS spinning their wheels; instead of meeting once a year as intended in the Constitution, and invisible weapons to help hijacked this country since a 1910 secret meeting on Jekyll Island to create a blank check for "The Federal Reserve". (Church Committee 1970 called NSA transmissions today) Most people are not ready to handle this kind of information.

#### CHURCH COMMITTEE Reports:

By the early years of the 1970s, the unpopularity of the [Vietnam War](#) and the unfolding [Watergate scandal](#) brought the era of minimal oversight to an abrupt halt. Congress was determined to rein in the Nixon administration and to ascertain the extent to which the nation's intelligence agencies had been involved in questionable, if not outright illegal, activities.

A **series of troubling revelations** started to appear in the press concerning intelligence activities. First came the revelations of [Christopher Pyle](#) in **January 1970 of the U.S. Army's spying on the civilian population**<sup>[1][2]</sup> and [Sam Ervin](#)'s Senate investigations that resulted.<sup>[3]</sup> **The dam broke on 22 December 1974, when [The New York Times](#) published a lengthy article by [Seymour Hersh](#) detailing operations engaged in by the CIA over the years that had been dubbed the "family jewels". Covert action programs involving assassination attempts against foreign leaders and covert attempts to subvert foreign governments were reported for the first time.** In addition, the article discussed efforts by intelligence agencies to **collect information** on the political activities of **US citizens.**<sup>[4]</sup>

**These revelations convinced many Senators and Representatives that the Congress itself had been too lax, trusting, and naive in carrying out its oversight responsibilities.**

The Church Committee learned that beginning in the 1950s; the **CIA and FBI intercepted, opened and photographed more than 215,000 pieces of mail by the time the program called "HT Lingual"** was shut down in 1973. This program was all done under the "[mail covers](#)" program. A mail cover is when the government records without a warrant or notification all information on the outside of an envelope or package, including the name of the sender and the recipient. **The Church report found that the CIA was zealous about keeping the Postal Service from learning that mail was being opened by government agents.** CIA agents moved mail to a private room to open the mail or in some cases opened envelopes at night after stuffing them in briefcases or coat pockets to deceive postal officials.<sup>[5]</sup>

**On April 1, 1976, Attorney General Levi announced the establishment of a special review committee within the Department of Justice to notify COINTELPRO victims that they were the subjects of FBI activities directed against them. Notification will be made "in those instances where the specific COINTELPRO activity was improper, actual harm may have occurred, and the subjects are not already aware that they were the targets of COINTELPRO activities." 315**

Further, the Department will have acknowledged -- finally -- that COINTELPRO was wrong. Official repudiation of the programs is long overdue. (Wiretapping began with Hoover in 1940)

The American people need to be assured that **never again** will an agency of the government be permitted **to conduct a secret war against those citizens it considers threats** to the established order. Only a combination of legislative prohibition and **Departmental control can guarantee that COINTELPRO will not happen again.** The notification program is an auspicious beginning. This "rough, tough, dirty business" **included infiltration of political groups, psychological warfare, legal harassment, and extralegal force and violence.** **"The FBI and police threatened, instigated and conducted break-ins, vandalism, assaults, and beatings. The object was to frighten dissidents and disrupt their movements,"** write [Mike Cassidy and Will Miller](#). **"They used secret and systematic methods of fraud and force, far beyond mere surveillance, to sabotage constitutionally protected political activity. The purpose of the program was, in FBI Director J. Edgar Hoover's own words, to 'expose, disrupt, misdirect, discredit and otherwise neutralize' specific groups and individuals."**

After the Church Committee exposed **COINTELPRO, the government claimed it had dismantled the program.**

However, in the 1980s, the **Reagan** administration legalized the tactics by signing Executive Order 12333.

“There is every reason to believe that even what was not legalized is still going on as well. Lest we forget, Lt. Col. Oliver North funded and orchestrated from the White House basement break-ins and other ‘dirty tricks’ to defeat congressional critics of U.S. policy in Central America and to neutralize grassroots protest. Special Prosecutor Walsh found evidence that North and Richard Secord (architect of the 1960s covert actions in Cambodia) used Iran-Contra funds to harass the Christic Institute, a church-funded public interest group specializing in **exposing government misconduct**,” Cassidy and Miller continue.

In addition, **North worked with FEMA** to develop contingency plans for suspending the Constitution, establishing martial law, and holding political dissidents in concentration camps. Since the false flag attacks of September 11, 2001, the government has worked incessantly to fine tune plans to impose martial law. It has also worked to federalize and militarized law enforcement around the country. **Brian Glick** (War at Home) argues that COINTELPRO is a permanent feature of the government. “The record of the past 50 years reveals a pattern of continuous domestic covert action,” Glick wrote in the 1990s. “Its use has been documented in each of the last nine administrations, Democratic as well as Republican. FBI testimony shows ‘COINTELPRO tactics’ already in full swing during the presidencies of Democrats Franklin Delano Roosevelt and Harry Truman. COINTELPRO itself, while initiated under Eisenhower, grew from one program to six under the Democratic administrations of Kennedy and Johnson... After COINTELPRO was exposed [by the Church Committee], similar programs continued under other names during the Carter years as well as under Nixon, Ford, and Reagan. They have outlived J. Edgar Hoover and remained in place under all of his successors.”

**U.S. Army's spying on the civilian population[1][2] and Sam Ervin's Senate investigations that resulted.[3] The dam broke on 22 December 1974, when The New York Times published a lengthy article by Seymour Hersh detailing operations engaged in by the CIA over the years that had been dubbed the "family jewels". Covert action programs involving assassination attempts against foreign leaders and covert attempts to subvert foreign governments were reported for the first time. In addition, the article discussed efforts by intelligence agencies to collect information on the political activities of US citizens.[4] on. “I have no doubt in my mind, that at the present time, the greatest polluting element in the Earth’s environment is the proliferation of electromagnetic fields. I consider that to be far greater on a global scale than warming and the increase in chemical elements in the environment.”**

## **15. Is the NSA Conducting Electronic Warfare On Americans?**

Jonas Holmes May 19, 2006 CHRONICLE ARTICLE

18. **The CIA and the cult of intelligence** (1974) Reviewed by James R MacLean on 2007-04-09. Incompetence leads to Monstrosity Marchetti's expose of the CIA was published on the EVE OF THE CHURCH COMMISSION, at a moment when domestic outrage at the culture of duplicity and domestic interference had reached its peak. Since that time, successful public relations have greatly enhanced the image of intelligence services. Marchetti's thesis is that, contrary to widespread public belief, the USA was not locked in an existential struggle with Soviet or Chinese subversion, and never really was. Soviet intelligence utterly surpassed the CIA in effectiveness, initiative, and recruitment of allied agents abroad. In fact, the CIA was effective only against 3rd world intelligence organizations, and there, spectacularly so. This extreme Soviet edge in espionage was more than offset by the superior resources of the conventional Western militaries and the impossibility of waging a direct confrontation owing to the nuclear stalemate. Worse, this advantage was not seriously mitigated by the abundance of high-tech gadgets, such as satellites; such tools merely facilitated the collection of large amounts of raw data, with virtually no practical usefulness.

Far from rendering the US intelligence community harmless, however, it made the agency focus on a campaign against 3rd world allies, and ultimately, against the US population. The CIA tried its hand at **WAGING SECRET WARS** in Latin America, Southeast Asia, and Africa; it developed a vast group of businesses to serve as cover for illicit shipping and arms supplies; and it became utterly habituated to corrupting legislators in the Free World. The CIA became an eager tool for an unaccountable executive branch, provided that the executive had a flair for covert action; and it tended to create an echo chamber of self-deception that threatened the entire national security establishment. At the very top of its list of priorities was the urgent need to defend its mission publicly, and validate

its immense budget. Marchetti spends a modest amount of time discussing the inability of the CIA to confront the Soviet KGB. When he mentions it, he avers the KGB and its allied bureaux are indeed odious, but also defensive--by necessity. He dwells in somewhat greater detail on the CIA's structure and specialized fields of performance. He includes a broad-brush description of the overall US intelligence community, before turning to an analysis of the separate divisions and their respective behavior. This included covert operations (such as the Bay of Pigs invasion), proprietaries (such as Interarmco and Air America), propaganda and disinformation, and espionage/counterespionage. In all of these enterprises, the same motivation prevails: the CIA seeks self-perpetuation and influence WITHIN the Western world, but lacks will or ability to seriously combat the Soviets. Towards the end, he discusses the increasing tendency of the CIA to interfere in regular US politics, chiefly to ingratiate itself with the president.

Marchetti's criticisms of the intelligence community were surprisingly mild. I should mention in passing that his book had about 170 or so passages deleted by court order; the CIA had earlier demanded well in excess of 300, and the court awarded it half of what it demanded. Some of the deletions are downright silly (as where it refers to a base in [DELETED] granted by Haile Selassie!), and elsewhere I was amused to observe the most numerous deletions in the part dealing with funding appropriations. The extreme secrecy of the intelligence community with respect to funding has greatly intensified since this book was published, and usually the motivation is quite obviously to conceal how much money these agencies actually waste. However, Marchetti concludes that the CIA is essentially past reform, useless, and so incompetent at its mission as to have become narrowly focused on **extorting billions from the nation.**

19. Former United States Government Physicist! 1981-Lt Col. US Army Retired, Pentagon analys (McRae, Ronald, Mind Wars, St. Martin's Press, 1984, p 127, **Psychic Weapons**)

20. In a [slide](#) Bearden illustrates how a Scalar War would involve a psychoenergetics attack on the operators of the enemy scalar installation, entraining their minds into hypnogogic trance and getting them to shut down their systems. And ultimately psychoenergetic warfare goes to the very heart of human identity itself. For if my thoughts might no longer be "mine," then who and what am I? Can my very sense of being "me" be hijacked by some nefarious psychoenergetic scheme? One paper to begin with is "[Mind Control and EM Wave Polarization Transductions](#)" This is such serious stuff that Bearden includes a strong warning about misuse of this knowledge. Psychoenergetics weapons can **MENTALLY MAIM AND PHYSICALLY KILL.**

21. **PSYCHOTRONIC WEAPONS-SPACE PRESERVATION ACT-House Resolution bill 2977-Brain manipulation from a distance-2001-2002**

Last year, in October, the Congressman Dennis J. Kucinich introduced in the American Congress a bill, obliging the American president to get engaged in the negotiations aimed at the ban of space based weapons. In this bill the definition of a weapon system includes: any other unacknowledged or as yet undeveloped means inflicting death or injury on, or damaging or destroying, a person (or the biological life, bodily health, mental health, or physical and economic well-being of a person) through the use of land-based, sea-based, or space-based systems using radiation, electromagnetic, psychotronic, sonic, laser, or other energies directed at individual persons or targeted populations or the purpose of information war, mood management, or mind control of such persons or populations" (12). As in all legislative acts quoted in this article the bill counts with sound, light or electromagnetic stimulation of human brain. Psychotronic weapons remain, at least for a layman uninformed of secret military research, in the sphere of science fiction, since so far none of the published scientific experiments was presented in the way which would allow for its replication. That it is feasible to manipulate human behavior with the use of subliminal, either sound or visual, **messages is now generally known.** This is why in most of the countries the use of such technologies, without consent of the user, is banned. Devices using light for the stimulation of the brain show another way how the light flashing in certain frequencies could be used for the manipulation of human psychic life. As for the sound, a report on the device transmitting a beam of sound waves, which can hear only persons at whom the beam of sound waves is targeted, appeared last year in the world newspapers. The beam is formed by a combination of sound and ultrasound waves which causes that a person targeted by this beam hears the sound inside of his head.

Such a perception could easily convince the human being that it is mentally ill. The acts presented in this article suggest that with the development of technology and knowledge of the functioning of human brain new ways of manipulation of human mind keep emerging. One of them seems to be the electromagnetic energy. Though in the open scientific literature only some 30 experiments were published, supporting this assumption (1),(2), already in 1974, in the USSR, after successful testing with military unit in Novosibirsk, the installation Radioson (Radiosleep) was registered with the Government Committee on the Matters of Inventions and Discoveries of the USSR, described as a **method of induction of sleep by means of radio waves (3), (4), (5)...**

## 22. Dear Senator-Attorney Letter included:

We seek your office's assistance in initiating hearings and a fact-finding congressional inquiry into the government agencies and/or private companies that are targeting citizens. Many citizens are desperate to be freed from the disturbing, intrusive and oppressive targeting.

Evidence supports the conclusion that weapons exist that could be used against individuals, based on U.S. Patent and Trademark Office filings, public releases by agencies, and other technologies that indicate the level of technological sophistication. The weapons are believed to be based on electromagnetism, microwaves, sonic waves, lasers and other types of directed energy, and were characterized as "psychotronic" in Rep. Dennis Kucinich's draft of House Resolution 2977, the Space Preservation Act of 2001. Furthermore, **it is undeniable that government agencies have tested citizens without permission in the past; for example, the CIA's human experimentation discussed in Orlikow v. U.S., 682 F.Supp. 77 (D.D.C. 1988), secretly administered lysergic acid diethylamide discussed in United States v. Stanley, 483 U.S. 669 (1987), and military chemical experimentation as discussed in Congressional Committee Report 103-97, 103d Congress, 2d Session, S. Prt. 103-97 (Dec. 8, 1994).** Lastly, **the sheer numbers of people complaining of being targeted, including people with post-graduate degrees and a lifetime of achievements, and the similarities in symptoms tend to outweigh a dismissive response based on charges of anecdotal evidence or group paranoia.**

there is a certain risk of sounding too conspiratorial, however, common denominators such as physical symptoms and medical reports, surveillance scenarios, harassment techniques, and more can be readily established.

STATEMENT OF THE CASE

I. Facts

On July 7, 2010, Petitioner had her Complaint above said case taken from the counter before mailing, and upon arrival at court house, Complaint was unwittingly switched on Chief Judge's desk regardless of calls and written instructions. Prior Complaint unwittingly switched was missing names of current high profile individuals and current assassinations. Days later, Petitioner also caught Case Complaint which was unwittingly switched with Pharmaceutical case when loaded by Pacer electronically.

On or about August 12, 2010, Petitioner went on the air and provided a recorded 45 minute interview but no one in

DC or across North America and Canada stations had heard the interviews and had been redirected, all week to another phone line to impede communication and full disclosures (as websites for 4 years). Petitioner notified radio host, a **Former Police Officer** (working on crimes and the paranormal) and found it was a technical difficulty and/or human error. Petitioner has also been heavily blocked by an unwitting public, daily in this fashion tangibly and non-tangibly, from electronic transmitted communications, with heavy mind and body control experimentations, and recruitment attempts for CIA using Remote Viewing (satellite apparatus) today called NSA transmissions, which include transmitted synthetic illnesses to millions. RUSSELL TICE case, an NSA agent blew the whistle on all accusations and torture. (Subsequent Statements quoted)

Petitioner had to amend Complaint and had not made monetary claims originally. Petitioner was then denied claims for damages, Injunction, surveillance, privacy, torture, along with the civil rights violations, witness protective plan, media request, FOIA, International Tortures and 27 Counts of violations. Petitioner is retaliated against for attempting to WARN the public or file suit. Petitioner is **without delusion or doubt** and has proof of all allegations being pre-empted, impeded from the minds to others to block her, and is threatened. One mind, one life, one CANCER is too many for another decade or another day, or another MILLION. This case should be heard and investigated by all. Architects and Engineers Movement and Ron Paul Supporters want to know, and so should every one with sound minds. (Complaint Counts III and IV)

Petitioner has statements of Federal Employees and Government Officials, Presidents with ADMISSIONS of Non-Fanciful Weapons of Electronic WARFARE over the years as to MILLIONS of Americans targeted unwittingly. A class action suit with its attorney (married to the DA in CO, and funded by a Silicon Valley University on Mind Control NSA transmissions impeded and no longer available for the very reasons of this Petition (unwitting public conspiracy used in all professions that “We the People” have a responsibility to stop before too late, by power in numbers to dismantling this Mother of all Evil Weapon, or suffer future catastrophic consequences more than Seismic WAVES, Cancer, or free will). (Complaint item ¶50).

Petitioner is being denied her rights, whereas the Judicial System has not connected the dots yet, on prior crimes from these technology weapons that blighted the Courts 40 years ago to bring us to this point and a corrupted a Country and Culture. Plaintiff will show manipulations in this Country are created with transmitted hallucinations on the public to cover up an agenda against humanity collectively, since “Big Brother Technology” spying that began first in **GOVERNMENT BUILDINGS** and that some outsiders already realized in the U.S. Petitioner has records of unwitting transmitted victims within DOJ, Congress (Un-covered documentary) unread to invade Iraq, and **mind controlled (Out-foxed media video)** jacketing for years.

Petitioner attempted to receive assistance from Congress and the Intelligence Committee Senator Bill Nelson’s Office and was told that they had only been able to cease some not all victims seeking help, as it is selective Directed Energy Weapons. Petitioner’s case was closed after a visit with other officials in DC. (Dennis Kucinich bill, Space Preservation Act in part-was quashed with citations of Remote viewing manipulations on millions of Americans. (Complaint item ¶21 and PARTIES)

Petitioner is with proof, witnesses, interviews from Leading Psychiatrist who blew the whistle on 50 years of mind control and FALSE MEMORY SYNDROME and worse by CIA remote viewing, in our courts and streets, Tice statements of NSA transmissions in use to sabotage lives, other CIA whistleblowers, of mind control including Operation Mockingbird permeating our Media unwittingly from these transmissions for decades creating our propaganda mass “COMMUNICATION CHAOS”, (2 opposite thoughts at once), DISPUTES, and A SYNTHETIC engineered culture. (Covert Propaganda and psyops on US Soil)

Petitioner is with military patents, science, documents of CIA MKULTRA and statement of Manchurians to assassinate G. Bush in the 80’s, and these very technology weapons of mass destruction (diverted focus) in use for 911, as well as 9 DOJ attorneys fired for asking too many questions of what was about to be uncovered. Petitioner is heavily tortured, pre-empted, framed, staged and sabotaged, with cover ups in the media and building discredit with tangible events whitewashing history with each of my accusations, since 2008 in efforts to go public, to the FBI, and to file suit. Petitioner has made further discoveries of corruptions with these weapons of psyops against humanity, as Government Physicist Lieutenant Tom Bearden warned the dangers many decades ago “for your thoughts may not be your own” creating a matrix covertly.

Petitioner does not know how to present this case with so much information to provide and obtain EMERGENCY injunction relief or a hearing, as DEMANDED in Complaint and Motion for relief, with continued DANGERS. Petitioner is praying for legal and procedural assistance of this court to be heard, prove her case and warn “We the

people”. **Petitioner does not know if Complaint has been read or realized in full. (Complaint item ¶ 23 through 50)**, whereas Petitioner was comatose for 72 hours in her home to start “THE PROCESS” for CIA espionage recruitment and brainwash via Remote Viewing. Petitioner attempted to tell DOJ in 1996 when targeted for 5 years as “Imaginary Friend/Enemy” to obey, experimenting for Combat, robots, on the ground communications, and has years of copious notes for feedback and intent, with numerous others complaining of mind control at the same time and at a time when BUDGETS were of great concern at DOD in SAN DIEGO and Pres. Clinton’s public (partial) apology. The 911 Pilot training in connection with HAARP stations “The Ultimate Weapon of Conspiracy” by Jerry Smith also died of CANCER March, 2010 and Petitioner has been threatened with zaps to her organs as other credible victims and politicians claim is going on, with experiments in full action and “Science under Siege”. Dr. Nick Begich ALASKAN Political family “Angels don’t play this HAARP” also asking questions and was impeded. Another impeded resolution was from **John Herschel Glenn Jr., 1974-1999, former astronaut** and U.S. [politician](#) who Introduced a Bill (Complaint item ¶14 and ¶ 25) As with AIPAC related framed (cases), Kevin Trudeau and FDA mass corruptions via NSA transmissions with scapegoats for all their conspiracies, and OJ Simpson to murder his wife and “get away with it” in advance, sabotaged cases tampering with minds not just evidence, from many minor criminal cases to highest dollar cases and victims. The most sabotaged cases were the ones TELEVISED with sensory deprivation, and in front of the world. Millions are victims and are concerned! What’s going on? **Wake up America! Wake up Washington!** The answers are N.O.W. nefariously, toppling the ECONOMY and 911, the creations of 50 years of ignoring, neglecting MIND CONTROL WAVES and ELF, Ultimate Weapon behind the scenes and hiding behind SSP (1947). The Sibel Edmonds case and linguistic accusation of impaired translations were NSA transmissions “communication chaos”; another case never came to light and its true findings of 911. Larry Silverstein of WTC 7 framed well in advance with insurance and transmission by phone to topple building, banking, and government offices.

Petitioner was traumatized and is suffering and would like to provide medical records, police, Judicial court records (staged to appeals with delays to change minds, and other credible witness information and testimonies to prove, manifest how, what this world is coming to (prior 2008). Petitioner requested a leave of court to amend as Petitioner is under immediate threat (as family and car accidents) and cannot obtain counsel. (Complaint-PRAYER FOR RELIEF item ¶ H and Motion item ¶ 8).

Petitioner has become increasingly realized of the severity and magnitude of these weapons in use nefariously and globally on civilians. On **September 3, 2010**, Petitioner woke up with loud ringing in the ears to find further attacks are attempted currently to penetrate her auditory cortex if continued efforts are made to expose and cease. From CLASS ACTION suit members, this type of attack can be deadly in various ways, and is TORTUROUS. It included sleep depravation until 4AM and loud alarms and outside extreme motor noises, for days prior as well as by phone, voice mail, electronic intrusions and transfers and 5 hours to obtain a flight ticket by phone to DC next week, to entrain and channel further connectivity waves during tired sleep not to awake programming. Petitioner was able to record and video these awful events and suspects is being entrained mentally to accept such intrusions. Petitioner is harassed and sabotaged daily to impede her testimonies and WARN the people how and where this Country is being taken behind the scenes and by an unwitting public timed in advance to sabotage lives. More than what Tice stated in full article and more than each of my accusations are already being investigated by analysts since my efforts have been taken to several authorities; the NSA began searching for an Attorney upon my threats and lawsuit on May 28<sup>th</sup>. Historically, numerous citizens, have not been amongst just Officials but anyone who dares to expose and prevent the corruption, abuse of power, and conspiracy underway, unsuccessfully because they are under the influence of mind controls UNREALIZED. (Quoting what Petitioner’s accusations are from years of her documented Government torture and sabotaged life in front of Sheriff Department and framed with the exact events below going on in the world with current **experience unpleasant things as follows**:

**RUSSELL TICE:** If that was done and, you know, I use a big “if” here, and, remember, I can’t tell you what I know of how N.S.A. **does its business**, but I can use the wiggly words like “if” and scenarios that don’t incorporate specifics, but nonetheless, if U.S. gateways and junction points in the United States were used to siphon off information--- **AMY GOODMAN:** Do you expect you are being monitored, surveilled, wiretapped right now?

**RUSSELL TICE:** Yes, I do. As a matter of fact,—

On April 1, 1976, Attorney General Levi announced the establishment of a special review committee within the Department of Justice to notify COINTELPRO victims that they were the subjects of FBI activities directed against them. Notification will be made "in those instances where the specific COINTELPRO activity was improper, actual

harm may have occurred, and the subjects are not already aware that they were the targets of COINTELPRO activities." 315

Further, the Department will have acknowledged -- finally -- that COINTELPRO was wrong. Official repudiation of the programs is long overdue. (Wiretapping began with Hoover in 1940)

The American people need to be assured that never again will an agency of the government be permitted to conduct a **secret war against those citizens** it considers threats to the established order. Only a combination of legislative prohibition and Departmental control can guarantee that COINTELPRO will not happen again. The notification program is an auspicious beginning. This "rough, tough, dirty business" included infiltration of political groups, psychological warfare, legal harassment, and extralegal force and violence. "The FBI and police threatened, instigated and conducted break-ins, vandalism, assaults, and beatings. The object was to frighten dissidents and disrupt their movements," write [Mike Cassidy and Will Miller](#). "They used secret and systematic methods of fraud and force, far beyond mere surveillance, to sabotage constitutionally protected political activity. The purpose of the program was, in FBI Director J. Edgar Hoover's own words, to 'expose, disrupt, misdirect, discredit and otherwise neutralize' specific groups and individuals."

"Secretary Geithner also highlighted ... Bear Stearns former Chief Operating Officer of Fixed Income, Paul Friedman, stated **rumors were untrue until the telling of rumors made them true.**"

**"Framed as Larry Silverstein to redistribute wealth away from the Jews and topple the economy agenda including framing Israel Conspiracy uncovered!"**

On March 31, 2010 in the **Islamic Foundation v Obama case, Judge Walker ruled the TSP as unlawful and violated FISA.**

**[Obama staffer wants 'cognitive infiltration' of 9/11 conspiracy groups](#)**

Posted by sakerfa on April 14th, 2010-*Journal of Political Philosophy in 2008*"

Petitioner will show that the above article from Sunstein's Report is not hired help or gangs related but what has been impeding A&E 911 truth investigation for 9 years with CIA "Jacketing" (as crimes on the streets **one against the other manifestations**, as Countries creating wars as pawns behind the scenes, Stalking, ID theft), Generating false news; OBAMA speech (they like to do that, against each other culture. "Stay the course" to Brainwash, repeatedly Bush speeches (for oil?) and many more duped), Generating ECONOMIES, Generating Propaganda, Generating Illnesses since missing children on milk cartons, misfits in the Pentagon, Sharon Weinberger Journalist, after PENTAGON interview ("Imaginary Weapons") and "Wired" Magazine", and a Globe who saw our Media and Judicial System as a Joke culture, and COSTLY zaps as they call it. Cognitive Infiltration is mind control transmitted, thus Petitioner had to learn CIA techniques of NLP taught to FBI in the 70's and became certified in Hypnosis in 2008. (Neurolinguistic Programming) The absolute mind control creations of cognitive impairments and Dementia, back in timelines. The new side effects and physical illnesses plaguing Americans with no names or traces are endless. Petitioner purchased from NASA Physicist, the device for \$21,000.00 with Woodpecker scalar waves to Russia and China.

Petitioner has knowledge the JUDICIAL SYSTEM has been preventing to save these CRIMES OF HUMANITY, from the MINDS, unwittingly. These activities and other covert programs are being abused with a pattern of experiments and crime corruption on the street since the 1970's using weapons of technology that has investigators spinning their wheels and folks exclaiming, "What is this world coming to, pre 911?" (Tesla Invention and energy 1940) Furthermore, testimonies made in 1977 to U.S. Courts and Congress by whistleblowers Cathy O'Brien and Mark Phillips were blocked for reasons of National Security. This SSP RULING and disbelief and/or forgotten event had unwittingly allowed the crimes and evil corruption to continue in AMERICA at the hands of the most powerful TECHNOLOGY WEAPON of the mind. Too many years of death and torture include every one in this Country somehow. Today some are finally seeing the same has continued to bigger Government crimes and corruption with technology to take over humanity for mass control, Step #9 of 10 closer to legalizing Fascism, eyes wide shut: LOSING OUR FREEDOM under the DISGUISE of 911 (nanothermite findings as ELF warfare and its speedy debris removal and silenced). Part of a **"gradual process"** in REVERSING an entire AMERICAN CIVIL WAR and JUDICIAL SYSTEM. (Access Denied, Trance-formation of America, among many neglected slandered and

discredited Whistleblowers instead of Courageous Heroes; Naomi Wolf and NSA employees, reported being hypnotized on the job, as GUANTANAMO innocent scapegoats. App.E3)

Petitioner does not consent to the espionage information being transmitted against her will to her discoveries today and should not have been targeted with this experiment, torture and information. Projects that REQUIRED HUMAN EXPERIMENTING and “The Cult of Intelligence”-occults covertly. Numerous DARPA and Military projects, Pandora’s Box, Voice of GOD. Former United States Government Physicist! 1981-Lt Col. US Army Retired, **Pentagon analyst McRae, Ronald, Mind Wars, St. Martin's Press, 1984, p 127, Psychic Weapons) and synthetic telepathy, (creating wars and crimes on our streets)** Operation Northwoods, Project Stargate, Spacestar, (CIA Psychic **Remote Viewing** and FBI Virtual Project, 1996 respectively), Project Paperclip (Space Medicine), Project Hybrid Insects & Polar Bears and hallucinations...), for abusive powers.

Petitioner will also provide evidence to the connection of numerous sabotaged court cases, our economy manipulations, and 911 with this WEAPON of technology mind wars used on most Americans for decades. “We the People” have had a sturdy foundation to disbelieve MKULTRA and the CHURCH Committee is still active and/or part of the brainwash with massive investigations and CASES diverted for years. **Petitioner’s quashed and impeded warnings ignored by Congress leading to many deaths,** BP oil, Red Tide (1947), VETS, and many calamities for FL. (Complaint item ¶ 36)

Petitioner prays for an immediate injunction relief and has been under urgencies, demanding JUSTICE, to prove this case, and freedom, under the law of our Constitution of the United States of America.

### REASONS FOR GRANTING THE PETITION

1. This Case Presents an Important Violation of our Amendment Laws and the ROLE the Judicial system. (Complaint item ¶28).
2. There is an immediate and serious impact on the Petitioner and public’s safety with severe and alarming corruption and crimes.
3. Analogously, in history of these crimes and violations cases involving Cointelpro, Church Committee and MKULTRA, knowledge of the illicit nature is imputed to the defendant, further victimized and traumatized by the public’s disbeliefs, even though technical and credible testimony have been made unrealized, as in United State v. Lindauer Case No. 03 Cr. 807, falsely accused, slandered, delayed, and detained for 2 years as most whistleblowers to impede truth.
4. Additionally, because the majority has not been appropriately made aware of the extent of surveillance for the uses of spying, breached contracts, treason, and nefarious misuses to humanity, millions more, would indeed come forward for a **dismantling of DIA and Remote Viewing ASAP** (Footnote Gov’t pledge)
5. The Petitioner made demands for an injunction and has not been free to exercise her rights to speech against the government crimes and to leave her house for the past 4 years and has been retaliated upon in various ways including experimentation of mental GAG orders and House Arrest. These blocks coupled with detentions by law enforcements in all efforts to WARN and DELAY.
6. This Case Presents important Violations of our Amendments that has caused mass chaos, Population Control, and a Society to be misled, disillusioned, along with disbeliefs at the hands of mind control TRANSMISSIONS to create exact opposites of events and harassment. Petitioner was extremely Pro-Government 4 years ago, as is the **Honorable JUDGE John D Bates**, thus has the right to an impartial trial and the public at large has the right to know.
7. VARIOUS ADMISSIONS from Military OFFICIALS, Secretary Hazel O’Leary of the DOE and a President that Electronic Warfare on US Soil is taking place toward Millions of innocent UNWITTING Civilians included continued operation of COINTELPRO MKULTRA as opinions confirms the allegations dating years back to Church Committee tactics and NSA transmissions for Electronic Warfare on Americans and humanity. **For nothing** in the history of humanity and our judicial system can ever be resolved or accountable for UNTIL this case and its WEAPON at hand is heard, considered, and ruled, thus bringing **CONSPIRACY THEORISTS TO FACT**. The American Judicial system needs to recognize these issues and hold this covert shadow Government accountable to successfully **CEASE ITS OWN DEMISE** as part of the humanities and **“We the People”** duped and brainwashed within our own CIA terrorists. We are ALL in DANGER. The reason “We the People” exclaim DC is in a Bubble.
8. An American citizen has a Constitutional right to petition. The First Amendment guarantees the right “to petition the government for redress of grievances.” Protecting people’s rights to make their wishes and interests known to government representatives in the legislature, judiciary, and executive branches. Citizens

have the right to communicate their will through direct petitions to the legislature and government officials. No act of Congress can authorize a violation of the Constitution. The Constitution cannot be interpreted safely except by reference to common law and to British institutions as they were when the instrument was framed and adopted.

9. District court dismissed case as fanciful instead of grounds for repugnancies.

“When even one American -who has done nothing wrong- is forced by fear to shut his mind and close his mouth, then **all Americans are in peril.**” Harry S. Truman

### Footnotes

Complaint in BACKGROUND: “After the Church Committee exposed COINTELPRO, the government **claimed it had dismantled the program.** However, in the 1980s, the Reagan administration legalized the tactics (after the fact) by signing Executive Order 12333”. FOLLOWED by FALSE and LOSS Memory!

In Katz v. United States, 389 U.S. 347 (1967), the Supreme Court ruled that a search occurs only when 1) a person expects privacy in the thing searched and 2) society believes that expectation is reasonable. In Katz, the Supreme Court ruled that a search had occurred when the government wiretapped a telephone booth.<sup>[21]</sup> The Court's reasoning was that 1) the defendant expected that his phone booth conversation would not be broadcast to the wider world and 2) society believes that expectation is reasonable.

Skilling V. United States, No. 08–1394 Opinion of Sotomayor, J. In sum, I cannot accept the majority’s conclusion that voir dire gave the District Court “a sturdy foundation to assess fitness for jury service.” Cf. ante, at 29. Taken together, the District Court’s failure to cover certain vital subjects, its superficial coverage of other topics, and its uncritical acceptance of assurances of impartiality leave me doubtful that Skilling’s jury was indeed free from the deep-seated animosity that pervaded the community at large. “[R]egardless of the heinousness of the crime charged, the apparent guilt of the offender[,] or the station in life which he occupies,” our system of justice demands trials that are fair in both appearance and fact. Irvin, 366 U. S., at 722. Because I do not believe Skilling’s trial met this standard, I would grant him relief.

Numerous cases have blighted the courts for decades since 1947 Securities Act and these weapons to be researched and experimented about the time Aliens hit the Media, and crimes filled the jails with hallucinations, entrapment, and bearing FALSE WITNESS behind the scenes, MILLION \$\$\$ were made by **PHARMACEUTICAL** with the **start** of a **DYSFUNCTIONAL** non-sense corrupt culture **EVOLVED**. Now EMERGING and duped by explaining so many airport cases and others falsely paranoid.

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of people peaceably to assemble, and to petition the government for a redress of grievances.

The following was sent to me by Will Filer Esu-@aol.com on July 27, 1999. It offers a new explanation for government mind control. Will has stated to me that he is a former consultant to the U.S. National Security Agency, asked me to post this information immediately. He also believes he's in immediate danger because of this information.

Subliminal Implanted Posthypnotic Suggestions and Scripts Using Acoustically Delivered and Phonetically Accelerated Posthypnotic Commands without Somnambulistic Preparation in the Subject for Intelligence and Counterintelligence Applications by the United States National Security Agency. A University of California at Berkley student that went into a bar on or around November 27, 1990 took hostages and insisted to the police that the CIA Director talk with him so that he could get relief from the suffering. The young man had sent letters to the president and the CIA but the requests had fallen on deaf ears. After the young man panicked and shot a customer in the bar, a SWAT team fatally shot him, the San Jose police found copies of the letters written to the President referring to people that could "read minds" and that he had learned how they do it. The NSA had been unsuccessfully brainwashing him and had no alternative but to terminate him to assure their security. It is interesting that what was originally broadcast on the news "The gunman was demanding to talk with the Director of the CIA" etc. disappeared quickly (suppressed?) from later news accounts.

NSA Initiated Execution to Cover-up in Music: Curt Cobain of the musical group "Nirvana" was another victim of NSA brainwashing and was terminated by NSA. Cobain had started writing clues to the NSA activities into his music to communicate it to his music followers. He referred in music to the NSA as the "Friends inside his head". Once the NSA puts on the highest level of brainwashing pain, the subject expires quickly. Cobain used heroin to numb and otherwise slow the effect of the brainwashing.

## CULT-FORT HOOD MASSACRE — MIND CONTROL

Among these "experiments" conducted on US Soldiers by their government, and according to FSB files was a "research specialty" of Major Hasan's. One was one called Radio Hypnotic Intracerebral Control Electronic Dissolution of Memory (RHIC-EDOM). Pioneered for the US Military in the 1960's, New York University Professor J. Anthony Deutsch: "Indicated that the mind is a transmitter and if too much information is received, like too many vehicles on a crowded freeway, the brain ceases to transmit. The Professor indicated that an excess of acetyl choline in the brain can interfere with the memory process and control. He indicated excess amounts of acetyl choline can be artificially produced, through both the administration of drugs or through the use of radio waves. The process is called Electronic Dissolution of Memory (EDOM). The memory transmission can be stopped for as long as the radio signal continues.". The NSA combines hypnosis and thought labels to interrogate people without the subject being aware of it. "How can hypnosis be used?" you might ask. The subconscious mind operates at a speed of about 1200 to 1400 words per minute. This is many times faster than the conscious mind that operates at 250 to 450 WPM (words per minute). The posthypnotic script can be spoken at fast conversational speed approximately 250 WPM and a recorder or a computer speeds up the message up to approximately 1200 to 1400 WPM. Remember what happens when you play a 33 rpm record at 78 rpm? The resulting voice sound like the old American cartoon characters the Chipmunks. This is only slightly past doubling (2X) the delivery speed. At speeds as high as 1400 WPM, the voices would sound like a high pitched chattering whine. Remember when the words "Drink Coca Cola" were written on one frame of a movie in a theatre back in the 1960s? The frame rate in movies is played at 30 frames/second. At 1/30th of a second the conscious mind could not recognize the message but the subconscious mind could read it clearly. The audience increased their Coca-Cola consumption by 65% that night resulting in the Federal Government prohibiting subliminal advertising. The following probable reasons for not achieving a higher percentage of subliminal delivery effectiveness (> 65%) are described as follows. In that 1/30th of a second some people were blinking, some people were looking around the theatre, looking at spouses, children, candy, popcorn, etc. or they had sufficiently poor eyesight that they could watch the movie but could not distinguish the small writing clearly. In the early years of this technology, the NSA originally recorded a spoken posthypnotic suggestion message into a tape deck and sped it up by speeding up the tape. This process was labor intensive, required each officer to have excellent diction and mastery of the language and dialect required, and was of poor quality due to background noise and the delay in timing during recording and processing. It also required extensive training to assure that each officer spoke at the same rate of speed so that the resulting "sped-up" script was delivered at the correct speed. Now computers are used to append digitized samples of optimized, ideal phonemes together to form words and the words are sped-up to the correct delivery speed. Where dialects are present, a different set of base phonemes is used. Currently, to optimize efficiency and accommodate the variety of languages on the planet, phonetic elements from each language and distinct dialect are sampled, digitally edited to optimize them, and appended during delivery to form words and words arranged to make sentences in the form of scripts that resemble hypnotic suggestions. The empty space between words is minimized and pitch rise is compressed and filtered. Repetitive sine waves are also removed from the phonetic element's acoustic wave train thus reducing the actual number of sine waves making up a word by 50% or more. This reduces the actual length of the time it takes

the phoneme to be delivered prior to accelerating (speeding-up) the delivery (like fast forward). This helps the message to be played at higher speeds and reduces the subject's ability to recognize it as accelerated speech. The technique of using optimized digitally sampled and edited phonemes appended together to form words and then sentences structured as hypnotic suggestions can be termed "computer simulated subconscious speech language". (Forced Speech)

## APPLICATIONS:

### 3.1. Intelligence:

3.1.1. Used on foreign and domestic diplomats, spies, and citizens to gather intelligence, steal advanced technology for US Defense applications. Surveys of citizen's opinions to government events and propaganda. Heavy survey use during times of war, economic strife and political elections. War against drugs. Used to identify investments that have high yield to support clandestine operations. Used to direct field agents without the agents having to carry communications hardware and encryption devices.

### 3.2. Counterintelligence:

3.2.1. Used on foreign and domestic diplomats, spies, and citizens to identify intelligence operations; scope, participants, communication methods, and weaknesses in individuals, systems, equipment, or signals that can be exploited. Additional applications include misinformation dissemination, confusing and confounding leaders during critical decision moments, distorting significance of various facts to sway decisions and actions in US favor, behavioral modification of foreign spies to betray their loyalties, self initiated executions (suicides).

### 3.3. Behavior Modification and Accelerated Resocialization:

3.3.1. This technology is used to develop and control spies, political candidates, and other public figures through psychological intimidation, fear and extortion.

**MOTION TO REOPEN/RECONSIDER NEW EVIDENCE**

Appellant hereby moves this court to reopen this case for new evidence to support allegations in Petitioning for redress and grievance. The courts erred in its decision to dismiss and deny a critical case on all counts affecting Millions, Society, Environment, and Humanity, including torturing an American civilian. There is an abuse of discretion. Appellant has new available evidence in absentia to further support The Technology Neuro Silent Weapon of Mass Destruction. This report was updated (1978) in 1996 before FULL DISCLOSURES could be made by the Leading Psychiatrist. Other Top Doctors reported the Profession as Strongly Skewed by INTELLIGENCE AGENDA. The exhibit A-#30 discusses Mind Control used since at LEAST since 1940 as Tesla's Invisible Chinese wall around the Country from NY Tower. Also, recently admitted in part is the use of this weapon on Congress by the Army that has been condoned and widespread for decades. Every American should

know what is going on, in full operation since the 70's by 2<sup>nd</sup> level CIA, before it is too late. The last few pages discuss mind control manipulations to Nat'l Health Care, Children's Statistics, and much worse to generate TAX revenue for decades.

Furthermore, the Appellant has found that the DEFENDANTS have not been aware of any lawsuit against them in Appeals since the U.S. Attorney on file has been assigned last year. Appellant made 2 calls leaving voice mails to Attorney Craig Lawrence and received no returned calls since January.

For these reasons, Appellant respectfully requests that this court reopen the case on Constitutional Rights. Appellant has received the Opinion of frivolous delusional characteristics. Appellant has other overwhelming evidence to introduce and prove in a court of Law.

**CERTIFICATE OF SERVICE**

I certify that a true copy of the foregoing brief has been furnished in person at 333 Constitution Ave NW, Washington DC 20001 Court of Appeals Clerk, and via regular Mail to U.S. Attorney Civil Division, Craig Lawrence at 555 4<sup>th</sup> Street NW, Washington DC 20530, on March 16, 2011.

#### **“Is the NSA Conducting Electronic Warfare On Americans?”**

Jonas Holmes May 19, 2006 CHRONICLE ARTICLE

Russ Tice, former NSA intelligence officer and current Whistleblower, was to testify before the Senate Armed Services Committee this week. Apparently the testimony, Mr. Tice wanted to give, makes General Hayden’s phone surveillance program look like very small potatoes. Mr. Tice’s testimony is expected to reveal further illegal activity overseen by General Michael Hayden which even loyal and patriotic NSA employees view as unlawful. I think the people I talk to next week are going to be shocked when I tell them what I have to tell them. IT’S PRETTY HARD TO BELIEVE, Tice said. I hope that they’ll clean up the abuses and have some oversight into these programs, which doesn’t exist right now. According to Mr. Tice, what has been disclosed so far is only the tip of the iceberg. What in the world could Russ Tice be talking about! To figure it out let us take a look at Russ Tice’s work at the NSA.

According to the Washington Times and numerous other sources, Mr. Tice worked on special access programs related to electronic intelligence gathering while working for the NSA and DIA, where he took part in space systems communications, non-communications signals, electronic warfare, satellite control, telemetry, sensors, and special capability systems. Special Access Programs or SAPs refer to Black Budgets or Black Operations. Black means that they are covert and hidden from everyone except the participants. Feasibly there would be no arena with a greater potential for abuse and misuse than Special Access Programs. Even now Congress and the Justice Department are being denied the ability to investigate these programs because they don’t have clearance. To put it in CNN’s Jack Cafferty’s words a top secret government agency, the NSA, the largest of its kind in the world, is denying oversight or investigation by the American people because investigators lack clearance. To add a layer of irony to the Black Ops cake this travesty is occurring in America, the supposed bastion of Freedom and Democracy, which we are currently trying to export to Iraq.

It just gets scarier. The Black Ops that Mr. Tice was involved in related to electronic intelligence gathering via space systems communications, non-communications signals, electronic warfare, satellite control, telemetry, sensors, and special capability systems. For greater insight as to the impact of these programs readers should review decades old FOIA authenticated programs such as MKULTRA, BLUEBIRD, COINTELPRO and ARTICHOKE. Radar based

Telemetry involves the ability to see through walls without thermal imaging. Electronic Warfare is even scarier if we take a look at the science. NSA Signals Intelligence Use of EMF Brain Stimulation. NSA Signals Intelligence uses EMF Brain Stimulation for Remote Neural Monitoring (RNM) and Electronic Brain Link (EBL). EMF Brain Stimulation has been in development since the MKUltra program of the early 1950's, which included neurological research into "radiation" (non-ionizing EMF) and bioelectric research and development. The resulting secret technology is categorized at the National Security Archives as "Radiation Intelligence," defined as "information from unintentionally emanated electromagnetic waves in the environment, not including radioactivity or nuclear detonation." Signals Intelligence implemented and kept this technology secret in the same manner as other electronic warfare programs of the U.S. government. The NSA monitors available information about this technology and withholds scientific research from the public. There are also international intelligence agency agreements to keep this technology secret.

The NSA has proprietary electronic equipment that analyzes electrical activity in humans from a distance. NSA computer-generated brain mapping can continuously monitor all the electrical activity in the brain continuously. The NSA records and decodes individual brain maps (of hundreds of thousands of persons) for national security purposes. EMF Brain Stimulation is also secretly used by the military for Brain-to-computer link. (In military fighter aircraft, for example.) For electronic surveillance purposes electrical activity in the speech center of the brain can be translated into the subject's verbal thoughts. RNM can send encoded signals to the brain's auditory cortex thus allowing audio communication direct to the brain (bypassing the ears). NSA operatives can use this to covertly debilitate subjects by simulating auditory hallucinations characteristic of paranoid schizophrenia. Without any contact with the subject, Remote Neural Monitoring can map out electrical activity from the visual cortex of a subject's brain and show images from the subject's brain on a video monitor. NSA operatives see what the surveillance subject's eyes are seeing. Visual memory can also be seen. RNM can send images direct to the visual cortex, bypassing the eyes and optic nerves. NSA operatives can use this to surreptitiously put images in a surveillance subject's brain while they are in R.E.M. sleep for brain-programming purposes. Individual citizens occasionally targeted for surveillance by independently operating NSA personnel

NSA personnel can control the lives of hundreds of thousands of individuals in the U.S. by using the NSA's domestic intelligence network and cover businesses. The operations independently run by them can sometimes go beyond the bounds of law. Long-term control and SABOTAGE OF TENS OF THOUSANDS OF UNWITTING CITIZENS by NSA operatives is likely to happen. NSA Domint has the ability to covertly assassinate U.S. citizens or run covert psychological control operations to cause subjects to be diagnosed with ill mental health. National Security Agency Signals Intelligence Electronic Brain Link Technology NSA SigInt can remotely detect, identify and monitor a person's bioelectric fields. The NSA's Signals Intelligence has the proprietary ability to remotely and non-invasively monitor information in the human brain by digitally decoding the evoked potentials in the 30-50 hz,.5 milliwatt electro-magnetic emissions from the brain. Neuronal activity in the brain creates a shifting electrical pattern that has a shifting magnetic flux. This magnetic flux puts out a constant 30-50 hz, .5 milliwatt electromagnetic (EMF) wave. Contained in the electromagnetic emission from the brain are spikes and patterns called "evoked potentials." Every thought, reaction, motor command, auditory event, and visual image in the brain has a corresponding "evoked potential" or set of "evoked potentials." The EMF emission from the brain can be decoded into the current thoughts, images and sounds in the subject's brain. NSA SigInt uses EMF-transmitted Brain Stimulation as a communications system to transmit information (as well as nervous system messages) to intelligence agents and also to transmit to the brains of covert operations subjects (on a non-perceptible level). EMF Brain Stimulation works by sending a complexly coded and pulsed electromagnetic signal to trigger evoked potentials (events) in the brain, thereby forming sound and visual images in the brain's neural circuits. EMF Brain Stimulation can also change a person's brain-states and affect motor control. Two-way Electronic Brain-Link is done by remotely monitoring neural audio-visual information while transmitting sound to the auditory cortex (bypassing the ears) and transmitting faint images to the visual cortex (bypassing the optic nerves and eyes, the images appear as floating 2-D screens in the brain). Two-Way Electronic Brain Link has become the ultimate communications system for CIA/NSA personnel. Remote Neural Monitoring (RNM, remotely monitoring bioelectric information in the human brain) has become the ultimate surveillance system. It is used by a limited number of agents in the U.S. Intelligence Community. RNM requires decoding the resonance frequency of each specific brain area. That frequency is then modulated in order to impose information in that specific brain area. The frequency to which the various brain areas respond varies from 3 Hz to 50 Hz. Only NSA Signals Intelligence modulates signals in this frequency band.

An example of EMF Brain Stimulation:      Brain Area

Bioelectric Resonance Frequency	Information Induced Through Modulation
Motor Control Cortex 10 HZ	Motor Impulse Co-ordination
Auditory Cortex      15 HZ	Sound which bypasses the ears

Visual Cortex	25 HZ	Images in the brain, bypassing the eyes
Somatosensory Cortex	09 HZ	Phantom Touch Sense
Thought Center	20 HZ	Imposed Subconscious Thoughts

This modulated information can be put into the brain at varying intensities from subliminal to perceptible. Each person's brain has a unique set of bioelectric resonance/entrainment frequencies. Sending audio information to a person's brain at the frequency of another person's auditory cortex would result in that audio information not being perceived. Additionally, A 1994 congressional hearing reported that nearly half a million Americans were subjected to some kind of cold war era tests, often without being informed and without their consent. In addition, experimentation law is well grounded in constitutional and international law. It is an under-reported fact that two major reports on human rights and torture in the U.S. recently listed illegal radiation experiments. Many more facts are documented below. Therefore, human research subject protections should be a high priority and are just as significant as current issues of torture and illegal wiretapping. **IT IS TIME FOR AMERICA TO WAKE UP.** It is time for America to protect its Whistleblowers who are our last line of defense against dictatorship and despotism. It is time for America to take responsibility for oversight of its tax dollars and elect leaders who will assume such responsibility now. Yes, the war on terrorism is important. It is even more important and fearful if the terrorism is from within and unknowingly funded by hard working American citizens. There is no Special Access Program beyond the oversight of political leaders elected by the people and for the people. If these political leaders jeopardize national security then that shall be handled in a court of law. But to tell America, to tell the American people, to tell the political leaders elected by the American people that America does not deserve to know what happening in the NSA's dark, black rooms, with billions of dollars, behind closed doors, when we know that privilege has already been abused; that is the true definition of **TERRORISM**. That is the true definition of Communism and a Police State, no oversight. So fellow Americans, you may hem and haw in the face of truth but know that one day you will realize that your country has been **USURPED** from the very principles upon which it was founded.

Godspeed, Russ Tice, the Patriots are with you.

11. Why hasn't the press--aside from MSNBC--covered Russell Tice's revelations on the government's massive spy apparatus that according to Tice illegally survey's every US citizens' purchasing records, emails, phone calls, bank transactions, etc. and maintains the information in massive databases for nefarious uses?

12. Former United States Government Physicist! 1981-Lt Col. US Army Retired, Pentagon analyst (McRae, Ronald, Mind Wars, St. Martin's Press, 1984, p 127, Psychic Weapons)

13. In a [slide](#) Bearden illustrates how a Scalar War would involve a psychoenergetics attack on the operators of the enemy scalar installation, entraining their minds into hypnogogic trance and getting them to shut down their systems. And ultimately psychoenergetic warfare goes to the very heart of human identity itself. For if my thoughts might no longer be "mine," then who and what am I? Can my very sense of being "me" be hijacked by some nefarious psychoenergetic scheme? One paper to begin with is "[Mind Control and EM Wave Polarization Transductions](#)" This is such serious stuff that Bearden includes a strong warning about misuse of this knowledge. Psychoenergetics weapons can **MENTALLY MAIM AND PHYSICALLY KILL**. Gov't DoD Physicist.

14. **PSYCHOTRONIC WEAPONS-SPACE PRESERVATION ACT**-House Resolution bill 2977-Brain manipulation from a distance-2001-2002-described as a method of induction of sleep by means of radio waves (3), (4), (5)...

**15. Dear Senator-Attorney Letter included:**

We seek your office's assistance in initiating hearings and a fact-finding congressional inquiry into the government agencies and/or private companies that are targeting citizens. Many citizens are desperate to be freed from the

disturbing, intrusive and oppressive targeting. Evidence supports the conclusion that weapons exist that could be used against individuals, based on U.S. Patent and Trademark Office filings, public releases by agencies, and other technologies that indicate the level of technological sophistication. The weapons are believed to be based on electromagnetism, microwaves, sonic waves, lasers and other types of directed energy, and were characterized as “psychotronic” in Rep. Dennis Kucinich’s draft of House Resolution 2977, the Space Preservation Act of 2001... Furthermore, it is undeniable that government agencies have tested citizens without permission in the past; for example, the CIA’s human experimentation discussed in *Orlikow v. U.S.*, 682 F.Supp. 77 (D.D.C. 1988), secretly administered lysergic acid diethylamide discussed in *United States v. Stanley*, 483 U.S. 669 (1987), and military chemical experimentation as discussed in Congressional Committee Report 103-97, 103d Congress, 2d Session, S. Pt. 103-97 (Dec. 8, 1994). Lastly, the sheer numbers of people complaining of being targeted, including people with post-graduate degrees and a lifetime of achievements, and the similarities in symptoms tend to outweigh a dismissive response based on charges of anecdotal evidence or group paranoia... There is a certain risk of sounding too conspiratorial, however, common denominators such as physical symptoms and medical reports, surveillance scenarios, harassment techniques, and more can be readily established...”

16. Plaintiff, in her Florida home, was comatosed for 72 hours in her room and recruited with heavy experimental remote mind control ESPIONAGE, SEXUAL SLAVERY, AND BEHAVIOR MODIFICATION, (Operation MHCHAOS-brainwash). Plaintiff’s memory began to be wiped out daily and corrupted with new transmissions. Plaintiff ran away **TERRORIZED** after being transmitted to start “**THE PROCESS**”, “to cooperate” over time using the public to trigger her anchors/transmissions. Plaintiff’s electronic communications began to be tampered with and impeded as she began to her research and attempts to report this corruption and abuse of powers under the programs. In 2008, Plaintiff purchased the Non FDA device from a NASA physicist at \$21,000.00 with Scalar waves, (Russian Woodpecker frequencies), and Military Patents. Plaintiff became a certified practitioner to protect Plaintiff and attempt to de-program. Plaintiff was intercepted by this HAARP and NSA’s SIG-INT Satellites, thus became a certified hypnotist trained in NLP (Neuro-Linguistic Programming; CIA taught techniques, to deprogram. 22. As history repeats itself, duping the legal system condoning Government horrific corruptions and crimes in a free country, the core component of these Programs is Defendants’ nationwide network of sophisticated communications surveillance and spy devices being installed and attached today overtly and nefariously. Alien hallucinations, Drugs, Corruptions, ills, all increased and reported by the FBI. The 1971 statistics and 50% missing milk carton children, are now 2<sup>nd</sup> level CIA misfits programming civility. NSA transmissions and NASA Remote Viewing have been in place and are being connected to the key facilities of telecommunications with advanced technologies like that of HAARP stations and Satellites kept secret during mission.

23. John Herschel Glenn Jr., 1974-1999, former astronaut and U.S. politician who Introduced a Bill and Joint Resolutions (Page S645) Human Research Subject Protection Act, stated “In fact, our own Constitution says, 'The right of the people to be secure in their persons . . . shall not be violated.'”, and compared it to the Nuremberg Code. His own experience and knowledge of unwitting civilians with Radiation experiments has already been proven that Directed Energy Weapons increased CANCER rates DRAMATICALLY in this COUNTRY thus far. Furthermore, patients have discovered leaving the Country for natural cures worked without further Chemotherapy. During Plaintiff’s brief volunteer work at the ACLU, Plaintiff learned that calls were made from patients complaining of being electrocuted while in Hospitals and transmitted innocent staff not to believe them. The reason knowledgeable professionals warn against this Technology as the terrorists within, and keeping their enemies close, unfortunately. Documents and a FEW examples of mind control psyops, to raise awareness and warn are posted on Plaintiff’s website and below have been impeded psychologically and electronically.

24. Plaintiff also has knowledge that the manipulations to the media and miscommunications for the use of creating spin, quashing, fanning, suppressions, and propaganda including block exposing the government’s advertising and news corruptions are the reason for spying with these mind control technology weapons. Spying on media was revealed last year as NSA transmissions which includes “communication chaos” or not to care unwittingly and omit important news, unrealized. (Operation Mockingbird Media, also began in the 1950’s, and creating a synthetic culture). Astronomical Defense budgets developed as black budgets, and SPYING nefariously went covert from media and public’s knowledge. (Jerry Smith, Coherent All Radio Band Sensing, HAARP printed in Canada 1998) and “The Ultimate Conspiracy” also died in 2008.

25. Plaintiff and Plaintiff’s family members are ordinary Americans who were initially picked up in the “Big Brother radar” unwittingly for 30 years, in 1971, whereas Plaintiff was informed others who have ties with Military, Minorities, Government employees and buildings, all being picked up in radar with data-mining human information, BEHAVIORS OF FAMILIES, Eugenics, and DNA transmitted, collected, and DNA brain waves from any Data Mining and remote transmissions, and/or stored, spying, torture, and world domination powers. “Dumbed Down, Obesity, and red tape bureaucratic culture induced unrealized”

26. Plaintiff is also suing Defendants for treason, crimes, violations, and threats attempted on her and her family, when disseminating the information and ARTICLE, and reporting it to the Authorities. Plaintiff has knowledge other Countries are being scapegoated and blamed for CIA crimes in disguise.

27. Plaintiff was and is being discredited, sabotaged, pre-empted, delayed, since on or about Sept. 2008 and the Inauguration, with these Serious Accusations to whitewash history and each one of her accusations, brainwash the public, and keep Washington in their bubble to accomplish their conspiracy, and being too late. Recreating events with twists for different outcome to victims or targets and the public psyops tactics of NLP to ONE World Brain and New World Order. (CIA techniques; Jacketing- against each other or one against the other, 2 transmissions on the mind or minds to create mis-communication, chaos, fights, wars, and changing minds, like that of Presidents.

Exhibited on Plaintiff's website are Dr. Walter Bowart, False Memory Syndrome Foundation, Operation Mind Control, NSA transmissions, Hallucinations of the 5 senses, and Reagan-Alzheimer's disease-like memory loss, Lt. Col Tom Bearden slide of "The most frightful WEAPON, more terrible than anything the World has ever known" June 13, 1975 urged by Russia to BAN, and Jim Keith, "MASS CONTROL Human Engineering". Plaintiff tried to go public in 2010 with radio, and EVERY EFFORT is being made to whitewash, set up, stage, frame, to discredit and quash the Plaintiff further. This is done using the environment of the victim including their families' techniques. NLP is an extremely dangerous tool of mind control coupled with electronic transmissions witting and unwitting.

28. Plaintiff is suffering from the violations of her constitutional rights, and privacy acts, (US code 5, and 18) at the hands of, the direction of, or with the knowledge of, Defendants. Defendants in concert with other Intelligence agencies and/or service providers, and means are set forth in paragraphs below).

29. Plaintiff's daily tortures are being done without judicial, statutory, or other lawful authorization, in violate on of statutory and constitutional limitations, and in excess of statutory and constitutional authority.

30. Plaintiffs' daily tortures are being done without probable cause or reasonable suspicion to believe that Plaintiff has committed or are about to commit any crime or engage in any terrorist activity, or is of foreign powers or agents thereof and these activities are crimes of humanity.

31. Plaintiffs' daily tortures are with intent and malice, are being done without any reason to believe that the information is relevant to an authorized criminal investigation or to an authorized investigation to protect against international terrorism or clandestine intelligence activities.

32. On information and belief, Plaintiffs' daily tortures against her will and religion is directly performed, and/or aided, abetted, counseled, commanded, induced or procured and HIDDEN behind SSP laws to HARM HUMANITY.

33. On information and belief, Plaintiff will continue to be directly targeted and the Public and/or will continue to aid, abet, counsel, command, induce or procure that conduct wittingly and unwittingly. (Mind Control and the American Government; "**Prevailing Winds**" 1994) Since Tesla's Directed Energy Weapons were invented and launched or picked up by The Pentagon's covert ops, The United States unlike the rest of the Globe, rapidly began down a culture of INDUCED psyops of ELF Cancer, CIA drugs, corruptions, crimes (another experiment in 1968 on crimes in major cities hidden behind LSD, as aliens) paranoia, immoral behaviors, AIDS, ANTHRAX, obesity, sicker Americans, division of people, Trash TV and education, paranormal phenomenon, and a greater necessity of guinea pigs for technology experimentation, followed by power, corruptions, terrorizing and harassing anyone they chose covertly on the streets without accountability and justice and without knowledge of a dictatorship.

34. Plaintiff seeks costs, legal fees, and damages applicable by law with protective measures for all COUNTS. Plaintiff was represented under a class suit, before transmissions sabotaged the attorney and his contact information has been disconnected and tampered with. On information and belief, the former attorney married to the DA in Colorado, had brain surgery from Migraines while preparing the Case granted by and Silicon Valley University. I had attempted to warn him during my visit, to Denver in July of 2008. He is no longer available for the very reasons of this Lawsuit (There was no gang-related conspiracy, but an unwitting public used as pawns with hallucinated thoughts, unconscious, and cognitive impairment infiltrations), that "We the People" have a responsibility to stop before too late. False thoughts, False hearing, False speech, bypassing the cortex and memory and other mind games on US Soil to mis-communicate and disrupt the targets. Currently and investigation is underway for victims requested by **President Obama to the Human Rights Committee and Bioethics Committee, AND SENATORS mind manipulations planted as Chief Joint Staff with Armed Forces.**

#### CULT-FORT HOOD MASSACRE — MIND CONTROL

Among these “experiments” conducted on US Soldiers by their government, and according to FSB files was a “research specialty” of Major Hasan's. One was one called Radio Hypnotic Intracerebral Control Electronic Dissolution of Memory (RHIC-EDOM). Pioneered for the US Military in the 1960's, New York University Professor J. Anthony Deutsch: “Indicated that the mind is a transmitter and if too much information is received, like too many vehicles on a crowded freeway, the brain ceases to transmit. The Professor indicated that an excess of acetyl choline in the brain can interfere with the memory process and control. He indicated excess amounts of acetyl choline can be artificially produced, through both the administration of drugs or through the use of radio waves. The process is called Electronic Dissolution of Memory (EDOM). The memory transmission can be stopped for as long as the radio signal continues.”. The NSA combines hypnosis and thought labels to interrogate people without the subject being aware of it. "How can hypnosis be used?" you might ask. The subconscious mind operates at a speed of about 1200 to 1400 words per minute. This is many times faster than the conscious mind that operates at 250 to 450 WPM (words per minute). The posthypnotic script can be spoken at fast conversational speed approximately 250 WPM and a recorder or a computer speeds up the message up to approximately 1200 to 1400 WPM. Remember what happens when you play a 33 rpm record at 78 rpm? The resulting voice sound like the old American cartoon characters the Chipmunks. This is only slightly past doubling (2X) the delivery speed. At speeds as high as 1400 WPM, the voices would sound like a high pitched chattering whine. Remember when the words "Drink Coca Cola" were written on one frame of a movie in a theatre back in the 1960s? The frame rate in movies

is played at 30 frames/second. At 1/30th of a second the conscious mind could not recognize the message but the subconscious mind could read it clearly. The audience increased their Coca-Cola consumption by 65% that night resulting in the Federal Government prohibiting subliminal advertising. The following probable reasons for not achieving a higher percentage of subliminal delivery effectiveness (> 65%) are described as follows. In that 1/30th of a second some people were blinking, some people were looking around the theatre, looking at spouses, children, candy, popcorn, etc. or they had sufficiently poor eyesight that they could watch the movie but could not distinguish the small writing clearly. In the early years of this technology, the NSA originally recorded a spoken posthypnotic suggestion message into a tape deck and sped it up by speeding up the tape. This process was labor intensive, required each officer to have excellent diction and mastery of the language and dialect required, and was of poor quality due to background noise and the delay in timing during recording and processing. It also required extensive training to assure that each officer spoke at the same rate of speed so that the resulting "sped-up" script was delivered at the correct speed. Now computers are used to append digitized samples of optimized, ideal phonemes together to form words and the words are sped-up to the correct delivery speed. Where dialects are present, a different set of base phonemes is used. Currently, to optimize efficiency and accommodate the variety of languages on the planet, phonetic elements from each language and distinct dialect are sampled, digitally edited to optimize them, and appended during delivery to form words and words arranged to make sentences in the form of scripts that resemble hypnotic suggestions. The empty space between words is minimized and pitch rise is compressed and filtered. Repetitive sine waves are also removed from the phonetic element's acoustic wave train thus reducing the actual number of sine waves making up a word by 50% or more. This reduces the actual length of the time it takes the phoneme to be delivered prior to accelerating (speeding-up) the delivery (like fast forward). This helps the message to be played at higher speeds and reduces the subject's ability to recognize it as accelerated speech. The technique of using optimized digitally sampled and edited phonemes appended together to form words and then sentences structured as hypnotic suggestions can be termed "computer simulated subconscious speech language". (Forced Speech)

JFK speech

The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in insuring the survival of our nation if our traditions do not survive with it. And there is very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment. That I do not intend to permit to the extent that it is in my control. And no official of my Administration, whether his rank is high or low, civilian or military, should interpret my words here tonight as an excuse to censor the news, to stifle dissent, to cover up our mistakes or to withhold from the press and the public the facts they deserve to know."

### **30. MAY THE FORCE BE WITH US!**

**The first evidence of the use of hypnosis as a reliable operational tool of the cryptocracy, according to John Marks, can be found in the work of Morse Allen in 1954. Of course hypnosis itself had been used by shamans and fakirs to manipulate and control people for centuries. Marks explains that Allen's work came at the height of the Project ARTICHOKE explorations in which the spooks attempted to use hypnosis to "programme" an assassin. CIA documents also reveal that in 1959 John Gittinger recommended the use of hypnosis in operational experiments. (Of course our latest evidence shows that Navy Intelligence had been using mind control in the 1940's, at least.) The CIA files contain a translation of a Soviet research project entitled Unperceived Manifestations of Mental Processes in Deep Hypnosis which described the success of their psychoscientists: "We succeeded in programming not only the subject of dreams ( I would like to visit Africa in my dream...), but to program color perception (let my dream be blue...), as well as inducing a specific mood after sleepin..."**

### **31. THE WARRIOR'S TONGUE**

**John Alexander is a busy man these days, not only is he one of the moving forces behind PSITECH, a company that sells military developed remote viewing skills (RVS) to private enterprise, he is the program manager for nonlethal defense at the Los Alamos (N.M.) National Laboratory, an author (The Warrior's Edge), and a practitioner of the gem of mind control arts --Neuro-linguistics Programming. Today, after 32 years of military service this retired Colonel has the responsibility of drawing together and nurturing many nonlethal weapons devices which could disable key electronic equipment, blind weapons sensors or shut off the power to a capital city. He has drawn upon a variety of disciplines involving polymer chemistry, microbics, kinetics, acoustics, electrical engineering, materials science and information science, just to demonstrate their feasibility," in the burgeoning science called Nonlethal defense, at least so said Aviation Week & Space Technology. "As the concept has evolved," Alexander is reported as saying," we have come to focus our efforts on anti-material systems. If you can stop the machines of war, you can inhibit the prosecution of conflict."...**

### **32. CULT CONTROL**

**In 1990 spychiatrist Dr. Louis Jolyon West, M.D., Professor of Psychiatry, University of California, pet shrink of the cryptocracy gave a speech on cults. As usual it was soft on fact and hard on the cryptocracy line: It is estimated that there are more than 2500 cults in the United States... Now there must be a lot more "cults" than that since, the Oxford English Dictionary said the word cult meant:**

“Pentagon’s source selection Board repeatedly recommended a bid by Boeing as both better and cheaper... DoD awarded to Gen. Dynamics" 2nd level manipulated.

DoD McNamara, wrote in March 1969 issue of Washington Monthly Mag.; “ Few Americans are aware that about 90 % of the Major weapons systems that the defense Dept. procures ends up costing the Country at least twice as much as was originally estimated. “ The American Tax Payer is not getting their money’s worth????????? SAIC FBI lawsuit & Pursuant with Lawsuit by BOEING .

"The last could have incredibly destructive applications, if it worked. For instance, switches setting off nuclear bombs would have to be moved only a few inches to launch a holocaust. Or, enemy psychics, with minds honed to laser-beam sharpness, could launch attacks to burn out the brains of American nuclear scientists. Any or all of these techniques have numerous applications to the spy trade."

MK ULTRA known experiments were reported at about \$10 MILLION tax dollars.

Wherever their extreme experiments went, the CIA sponsors picked for subjects their own equivalents of the Nazis' Jews and gypsies: mental patients, prostitutes, foreigners, drug addicts, and prisoners, often from minority ethnic groups.

—American prosecutors charged the Dachau doctors with "crimes against humanity" at a second Nuremberg trial. None of the German scientists expressed remorse. Most claimed that someone else had carried out the vilest experiments. All said that issues of moral and personal responsibility are moot in state-sponsored research. What is critical, testified Dr. Karl Brandt, Hitler's personal physician, is "whether the experiment is important or unimportant." [pg 215]

Tampering with the mind is much too dangerous to be left to the spies. Nor should it be the exclusive province of the behavioral scientists, who have given us cause for suspicion. Take this statement by their most famous member, B. F. Skinner: "My image in some places is of a monster of some kind who wants to pull a string and manipulate people. Nothing could be further from the truth. People are manipulated; I just want them to be manipulated more effectively." Such notions are much more acceptable in prestigious circles than people tend to think: D. Ewen Cameron read papers about "depatterning" with electroshock before meetings of his fellow psychiatrists, and they elected him their president. Human behavior is so important that it must concern us all. The more vigilant we and our representatives are, the less chance we will be unwitting victims.

In July 1995 the CIA went public and declared its interest in Remote Viewing. As a result, much new information became available. At that time, the CIA and US Department of Defense had a 22-year operational track record in RV. The CIA was involved from 1973 to 1977, and the DOD from 1977 to 1995. In 1995, the CIA declassified and released Remote Viewing documents. P. 127

CIA Mind Control: Bin Laden’s Driver Driven Insane at Gitmo

25th July 2008 Amy Goodman of *Democracy Now!* and others have reported on CIA mind control techniques at Gitmo. Hamdan, bin Laden’s driver, currently on trial, “hears voices inside his head,” according to *Time* magazine. This development occurred under detention. The average prole will jump to the conclusion that this is a symptom of induced schizophrenia, and this may be – but voices are also computer-generated and transmitted to the brain’s auditory pathways of the CIA’s subjects in highly illicit electromagnetic (EM) brain experimentation and operations, as I documented in *Psychic Dictatorship in the USA* (Feral House, 1995), and elsewhere.

It’s quite possible – given the harshness of his detention by the CIA – that Hamdan was driven crazy by advanced mind control tech ...

” ... Hamdan’s six years at Gitmo have left him a shell of a man. He has deteriorated mentally to the point where he can no longer meaningfully assist in his own criminal defense. He is suicidal, hears voices inside his head and talks to himself. ... “

The same can be said of many subjects of EM bio-electronic assault. - AC

By Jonathan Mahler Jul. 21, 2008 *Time*

... In May 2002, Hamdan was flown to Guantánamo Bay, where he became detainee No. 149. Soon after, he met Soufan, the FBI’s foremost expert on al-Qaeda, who interrogated Hamdan repeatedly until December 2003, when President Bush chose him from among thousands of detainees in U.S. custody to be the first Arab defendant in the military tribunals.

In 1991, Janet Morris issued a number of papers [55] and the US Army published a detailed draft report on ‘Operations Concept for Disabling Measures.’ Laboratories were “developing a high power, very low frequency acoustic beam weapon” projecting non-penetrating, high frequency acoustic bullets. According to one Morris paper, US Special Operations Command already had a portable microwave weapon. [56] “US Special Forces can cook internal organs.” [57] ‘Infrasound’ used acoustic beams. Very low frequency (VLF) sound, or low frequency RF modulations can cause nausea, vomiting and abdominal pains. “Some very low frequency sound generators, in certain frequency ranges, can cause the disruption of human organs and, at high power levels, can crumble masonry.” [58] P. 176, 178, 179

7. In 1967, after Ramparts magazine exposed secret CIA funding of the National Student Association and numerous nonprofit organizations, President Johnson forbade CIA support of foundations or educational

institutions. Inside the Agency there was no notion that this order meant ending relationships, such as the one with Geschickter. In his case, the agile CIA men simply transferred the funding from the foundation to a private company, of which his son was the secretary-treasurer.

8. Lying to Congress followed the pattern of lying to the press that some MKULTRA veterans adopted after the first revelations came out. For example, former Human Ecology Society director James Monroe told The New York Times on August 2, 1977 that "only about 25 to 30 percent" of the Society's budget came from the CIA—a statement he knew to be false since the actual figure was well over 90 percent. His untruth allowed some other grantees to claim that their particular project was funded out of the non-Agency part of the Society.

We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions.
