November 8, 2018

Sisters and Brothers,

I pray all is well with you. I am still recuperating from the 22 Days' Event. I thank everyone who supported this God-ordained event, which is posted at www.manifestthetruth.com/unitenow.html, www.manifestthetruth.com/unitenow1.html, & www.manifestthetruth.com/unitenow2.html.

We are in a spiritual war and even Roland Martin stated that it was a spiritual war. I was not even receiving his notifications, which I was receiving prior. Oops, someone messed up again. One of the most powerful weapon, which you can use is the shofar. It is written in Numbers 10:9, "And if ye go to war in your land against the enemy that oppressteth you, then ye shall blow an alarm with the trumpets; and ye shall be remembered before the Lord your God, and ye shall be saved from your enemies." I kept sounding the shofar (<https://youtu.be/8rxOW-YQT2E>) throughout the day and night, which could be done while sleeping, working, driving, praising & worshipping God. When the shofar sounds, it opens a portal between heaven and earth causing the presence of God to manifest, enemies are destroyed, walls are fallen, and God's people enter into the covenant of blessings, which God has prepared for them."

We were saved. Praise the Lord!!! I give God all the glory & bless His Holy Name in the name of Yeshua. I pray and invite you to continue sounding the shofar daily.

Since Oct. 30 and during the pre-midterm elections, I have received continued abuse of power, harassment or bullying by Facebook about my posts pertaining to the 3 nights and 3 days of praying 3 times a day (morning, noon, and evening), fasting, and sounding the shofar daily and for America and International community uniting to do the same.

I did not find any of this FUNNY!!! I HAD ENOUGH!
I had to go to the "Facebook Blocks page"

It said, "To help keep Facebook safe, we sometimes block certain content and actions. If you think we've made a mistake, please let us know. While we aren't able to review individual reports, the feedback you provide will help us improve the ways we keep Facebook safe.
Please explain why you think this was an error"

Facebook violated their own policy, which was violation of my freedom of speech and freedom of religion. Even my cease and desist requests were ignored from 2016. I even asked Facebook to cease and desist due to them violating my freedom of speech and freedom of religion when I notified them of their tactics in June 2016 (<https://www.facebook.com/notes/letitia-peters/my-right-to-freedom-of-free-speech-is-being-violated-on-facebook-and-i-want-it-t/10201721564437536/>).

How can peace, love, sharing the Word of God, God, and uniting not keep Facebook safe or violate their community standards while hatred, anti-Semitism, and racist posts can run rampant without such blocks? How many people who are posting such posts are in FB jail or had to provide a copy of their drivers' license to get back into FB, which I had to do? Who requested that information and now I am victim of identity theft? My posts from the 2016 Presidential

elections were heavily monitored as well. My internet service was slowed down intentionally. Posts were deleted, modified, or rerouted to not the intended "tagged" recipient. I was also in "tagged" restriction.

The same thing happened after I prayed & fasted for 21 days prior to the Presidential election because a Republican was adamant that Mitt Romney was going to win & he didn't. Even though I was alone on my prayer calls for 20 days because many people were having problems getting on them or did not get my posts or text messages. God sent an angel on the 21st day, which was on election day. President Obama was supposed to be a one term President. The unknown Republican told me that 2 famous prophets had prophesied it. I FELT IN MY SPIRIT THAT GOD WANTED PRESIDENT OBAMA AGAIN. When I went to sleep after that angel was on the prayer call and we worshipped, praised, and prayed, I knew in my spirit that Obama was going to win!

The rogue U.S. Federal Government employees who are abusing their powers were not able to steal the mid-term elections. I have first-hand knowledge of prices changing from the original price entered in the cash register to another price reflected on my receipt at JC Penny Outlet (\$10 error to pay more), Wal-mart (\$10 and Trader Joe's (\$100 error). Now, I look at my receipts all the time. My bank account is reflecting the most loss to date. Others have told me the same thing.

There are many people like me who have been on the frontline. THE TORCH HAS BEEN PASSED TO THE NEXT GENERATION!!!
