OPEN LETTER FOR PRESIDENT OBAMA TO PROCLAIM NOVEMBER 15, 2016 AS NATIONAL HUMILIATION, FASTING, AND PRAYER DAY

“America needs God to intervene due to unrest after the election results”

November 10, 2016 - Trenton, N.J.

This is my open letter to President Obama. Please feel free to share it with others.

Dear Mr. President,

It is a great honor to be writing to you in support of America. I have supported you for 8 years and I commend you for the work that you have done for two terms as President of the United States.

Over the course of this recent election and the number of people who continues to believe that you are not a Christian, it was brought to my attention that you could proclaim a humiliation, fasting, and prayer day. Many Presidents in the past including Abraham Lincoln, which I used one of his Presidential Proclamation for Humiliation, Fasting, and Prayer Day as a foundation.

I am requesting, you, President Obama to proclaim Nov.15, 2016 as Humiliation, Fasting, & Prayer Day. I have asked the Body of Christ to celebrate with me on Nov. 12, 15, & 19. Many of my posts are not be shared despite filing complaint with the FBI citing cyber stalking and sending a cease and desist letter to Facebook requesting them to investigate my allegations. Will you, President Obama confess and repent of your personal sins & national sins like the Ugandan President did to help turn America back to God, which is posted at <http://www.manifestthetruth.com/national-leaders-confess--repent-of-sins.html>? I have asked for saints to recommit their lives back to God by praying Prayer #1: The Saints'/Believers' Commitment Prayer posted at <http://www.manifestthetruth.com/prayer-and-fasting.html>? I pray that you will pray the prayer as well.

Four years ago, God instructed me to pray and fast for 21 days and God prophesied to me that you would win another term as President. Even though, I was told beforehand that 2 famous high-level prophets predicted that Mitt Romney was going to win.

Mr. President, there is lawlessness, abuse of power, and there has been no call for justice and plead for truth about injustices. More importantly, there has been no real turn back to God. Per Rabbi J. Cahn, America is no longer the superpower. It has lost the title that it had since 1871. Former President & gospel minister James A. Garfield said, “. . . [I]f the next centennial does not find us a great nation. . . it will be because those who represent the enterprise, the culture, and the morality of the nation do not aid in controlling the political forces.” Michael L. Galiga, author of *Win Every Battle* states, “In order to turn this situation around & win this battle, you’ve got to do more than just make natural changes. **You’ve got to change things in the invisible realm. That’s where most people miss getting their breakthrough.** In the Bible, Jesus told us to pray for God’s will to be done on earth as it is in heaven. What we need to do is pull heaven down to earth. **The invisible, supernatural world controls the natural world.**”

I am concerned about the way that the direction that this country is going. America, as a whole, has not made an atonement for her sins before the Lord our God, especially for not keeping her promises as it relates to slavery. Mr. President, it would mean the world to me and my ancestors if you would do this

before you leave office in less than 2 months. I love America, but does America love people like me? In addition, this is also a great way to show the country that God is in the White House and that you are a Christian. I surrender America & call America, its people & nation's leaders to awaken their hearts, confess & repent of their sins & iniquities so that they return to God.

I am also available to pray with and for you and your family, as well as, Vice-President's Joe Biden's family. Thank you for the work that you did despite not having a supportive Congress. Attached is the Proposed Presidential Proclamation for you to review and comment. God bless America!!!
Sincerely,

Letitia Peters
A Concerned Non-Combatant, Law-Abiding U.S. Citizen

P.S. Can you please check to make sure that my parents are receiving their Presidential greeting from you for their 52th Anniversary being celebrated on Nov. 23rd. It was sent before the 6 weeks deadline and I don't want them not to receive this one. My parents love you & I wanted to do this for them, but due to computer interruptions and sabotage, I could not do it for them for the past 2 years. Thank you, Mr. President.

Attachment: Here is the Proposed Presidential Proclamation:

HUMILIATION, FASTING, AND PRAYER DAY
BY THE PRESIDENT OF THE UNITED STATES OF AMERICA
A PROCLAMATION

The United States of America is in a national crisis. With the increased race tensions, police shootings sometimes, unjustifiable & senseless killings of African-American men & women, Americans and the International nations are dealing with the aftermath of Hurricane Matthew & now the election results, as the President, I am requesting my fellow Americans and even the participation of the International community to designate and set apart a day for humiliation, prayer, and fasting. I proclaim November 15, 2016 as Humiliation, Prayer, and Fasting Day to be observed as a day of repentance, humiliation, forgiveness, self-denial, prayer, fasting, as well as, to give to charity. And whereas it is the duty of nations, as well as, of men, to own their dependence upon the overruling power of God, to confess for the remissions of their sins, iniquities, trespasses & transgressions in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon; and to recognize the truth, announced in the Holy Scriptures and proven by all history, that those nations only are blessed whose God is the Lord. Even nations, like God's people are subjected to punishments and chastisements in this world, may we not justly fear that the awful calamity caused by Hurricane Matthew, which now desolates the land, may be but a punishment, inflicted upon us, for our presumptuous sins, to the needful end of our national reformation as a people. We have been preserved, these many years, and we have grown in numbers, wealth and power, as no other nation has ever grown, but we are losing power because, we have forgotten God. We have forgotten the gracious hand, which preserved us in peace, and multiplied and enriched and strengthened us; and we have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own. We have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made this nation great! It behooves us then, to humble ourselves before Almighty God, to confess & repent of our national sins, personal sins, and the iniquities of our fathers and to pray for clemency and forgiveness. We should intercede & pray for Haiti, Cuba, Bahamas, & Jamaica who have also been affected by the devastating effects of Hurricane Matthew. We should call for justice & plead for truth against all injustices in the United States of America & worldwide against slavery, rape, genocide, wrongful convictions, wrongful terminations, murders, corruption of elected public officials & citizens,

targeted people who are/were activists & whistle blowers, the “secret” human subjects known as Targeted Individuals, and the persecuted and tortured saints. We should bless our enemies & pray for the peace in Jerusalem. We should also pray fervent prayers & supplications with thanksgiving to Almighty God the Father that we make our requests known to Him so that He will forgive us so that we will be cleansed from all our sins & iniquities committed intentionally, unintentionally, & out of emotion due to injustices or unjust act before God. In addition, we will thank God for blessing the United States of America by giving wisdom, guidance, and integrity to our national leaders and local leaders, as well as, & restoring righteousness, peace, unity, love, & reconciliation of the people in the nation.

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, do hereby proclaim November 15, 2016, as Humiliation, Fasting, & Prayer Day. I call upon the people of the United States to observe this day with appropriate ceremonies and activities. And I do hereby request all the People to abstain, on that day, from their ordinary secular pursuits, and to unite, at their several places of public worship and their respective homes, in keeping the day holy to the Lord, and devoted to the humble discharge of the religious duties proper to that solemn occasion. All this being done, in sincerity and truth, let us then rest humbly in the hope authorized by the Divine teachings, that the united cry of the Nation will be heard on high, and answered with blessings, no less than the pardon of our national sins and personal sins and the restoration of our now divided and suffering Country, to its former happy condition of unity and peace. As a mark of respect for the victims & survivors of the police shootings in the United States of America & for the victims & survivors of the Hurricane Matthew in the United States of America, Haiti, Jamaica, Bahamas, & Cuba, by the authority vested in me as President of the United States by the Constitution and the laws of the United States of America, I hereby order that the flag of the United States shall be flown at half-staff at the White House and upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until sunrise, on November 16, 2016. I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand this fifteenth day of November, in the year of our Lord two thousand sixteen, and of the Independence of the United States of America the two hundred and forty-first.

BARACK OBAMA
