OPEN LETTER FOR PRESIDENT OBAMA TO PROCLAIM HUMILIATION, FASTING, AND PRAYER DAY ON NOV. 22,23, or ANY DAY FROM NOV. 29 TO DEC. 19

“America needs God to Intervene due to Unrest After the Election Results”

November 18, 2016 - Trenton, N.J.

There is a national crisis in America after the election results, which needs a solution. The solution is God. Letitia Peters states, “Here is my open letter to President Obama requesting him to proclaim Humiliation, Fasting, and Prayer Day on Nov. 22, 23, or any day from Nov. 29 to Dec. 19.”

Dear Mr. President,

It is a great honor to be writing to you in support of America. I have supported you for 8 years and I commend you for the work that you have done for two terms as President of the United States.

I am concerned about the direction that America is turning away from God. In Dave Barton's (www.wallbuilders.com) article “*America's Religious Heritage as Demonstrated in Presidential Inaugurations*”, he states, “America's foundation is based upon Judea-Christian principles. On April 30, 2012, America celebrated the 223rd anniversary of the inauguration of the first President of the United States, George Washington. At his inauguration, seven distinctly religious activities were included in this first presidential inauguration that have been repeated in whole or part in every subsequent inauguration: (1) the use of the Bible to administer the oath; (2) solemnifying the oath with multiple religious expressions (placing a hand on the Bible, saying “So help me God,” and then kissing the Bible); (3) prayers offered by the president himself; (4) religious content in the inaugural address; (5) the president calling on the people to pray or acknowledge God; (6) church inaugural worship services; and (7) clergy-led prayers.”

Due to the recent election results, the riots, increased race tensions and the number of people who continues to believe that you are not a Christian, I am requesting you, President Obama as President to call on the people to pray or acknowledge God by proclaiming a Humiliation, Fasting, and Prayer Day in America like Abraham Lincoln & other past Presidents. Attached is one of his Presidential Proclamation for Humiliation, Fasting, and Prayer Day that I used as a foundation and expanded upon for your review.

In addition, President Obama in your first speech to a joint session of Congress in 2009:

you said, “While our economy may be weakened and our confidence shaken, though we are living through difficult and uncertain times, tonight I want every American to know this. **We will rebuild, we will recover, and the United States of America will emerge stronger than before.**” Those prophetic words that were spoken should be renounced and reversed in the name of Jesus/Yeshua in a public setting by you, President Obama before it is too late. The Word of God has supernatural powers. President Obama, maybe you were not aware of what you were reading or doing, but speaking Isaiah 9:10 destroyed ancient Israel and cost the careers of Senators Daschle and Edwards. Rabbi Cahn says in his book, “that Senators Daschle and Edwards did not have a clear understanding of what they were reading or doing. In other words, Rabbi Cahn says the nation is a defiant posture toward God. We will rebuild "without" God. Even if we have been humbled, we, in our pride, will make things better and become stronger. **President Obama's declaration that we will rebuild, we will recover did NOT acknowledge "with God's grace" as many predecessors had done in making similar declarations** - but it is in the same spirit of "self-will" as the speeches that directly cited the Isaiah passage.”

President Obama, the supernatural power of prayer and fasting have saved nations and started revivals because believers/saints asked God to intervene. Will you, President Obama confess and repent of your personal sins & national sin so that reconciliation and healing can occur in America like the Ugandan President did to help his nation, which is posted at <http://www.manifestthetruth.com/national-leaders-confess--repent-of-sins.html>? I have asked for saints/believers to recommit their lives back to God by praying Prayer #1: The Saints'/Believers' Commitment Prayer posted at <http://www.manifestthetruth.com/prayer-and-fasting.html>? Would you pray this prayer as well?

Thus, I am requesting, you, President Obama to proclaim Humiliation, Fasting, & Prayer Day. I have asked my fellow Americans to fast, pray, and blow/sound the shofar with me on Nov. 19, 22, 23, 29, 30 and Dec. 1 to Dec. 20.

Four years ago, God instructed me to pray and fast for 21 days and God prophesied to me that you would win another term as President. Even though, I was told beforehand that 2 famous high-level prophets predicted that Mitt Romney was going to win. He was adamant about their prophesy. Were we persecuted because of the prophesy?

America has not made an atonement for her sins before the Lord, especially for not keeping her promises to the descendants of slaves. Mr. President, it would mean the world to me and our ancestors if you would do this before you leave office in less than 2 months. I love America, but my heart has been heavy based on the "secret" atrocities that I endured without due process and the way that fellow Americans have treated you and your family for 8 years. Does America love people like us? Was America ready for its first woman President? In addition, President Obama by proclaiming a Humiliation, Fasting, & Prayer Day, this is also a great way to show America & the world that God is in the White House and that you are a Christian, which will start the process of healing Jesus'/Yeshua's heart.

I am also available to pray with and for you and your family, as well as, Vice-President Joe Biden's family. Congratulations to all the accomplishments that you achieved even though you did not have a supportive Congress. Attached is the proposed Presidential Proclamation for you to review. I believe that this is an important issue that your administration should greatly consider doing for America. I look forward to hearing from you, President Obama. Thank you for your time & consideration. God bless America!

Sincerely,

Letitia Peters

P.S. Can you please check to make sure that my parents are receiving their Presidential greeting from you for their 52nd Anniversary being celebrated on Nov. 23rd? It was sent before the 6 weeks' deadline via e-mail and I don't want them not to receive this one. My parents love you & I wanted to do this for them, but due to computer interruptions and sabotage, I could not do it for them for the past 2 years. Thank you, Mr. President.

Attachment: Here is the Proposed Presidential Proclamation:

HUMILIATION, FASTING, AND PRAYER DAY
BY THE PRESIDENT OF THE UNITED STATES OF AMERICA
A PROCLAMATION

The United States of America is in a national crisis. With the increased race tensions, lawlessness, riots, police shootings, & unjustifiable & senseless killings of African-American men & women, as the President, I am requesting my fellow Americans with the support of the International community to designate and set apart a day for humiliation, prayer, and fasting. I proclaim **enter the selected date** as Humiliation, Prayer, and Fasting Day to be observed as a day of repentance, humiliation, forgiveness, self-denial, prayer, fasting, as well as, to give to charity. And whereas it is the duty of nations, as well as, of men, to own their dependence upon the overruling power of God, to confess for the remissions of their sins, iniquities, trespasses & transgressions in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon; and to recognize the truth, announced in the Holy Scriptures and proven by all history, that those nations only are blessed whose God is the Lord. Even nations, like God's people are subjected to punishments and chastisements in this world, may we not justly fear that the awful calamity caused by Hurricane Matthew & the election results, which now desolates the land, may be but a punishment, inflicted upon us, for our presumptuous sins, to the needful end of our national reformation as a people. We have been preserved, these many years, and we have grown in numbers, wealth and power, as no other nation has ever grown, but we are losing power because, we have forgotten God. We have forgotten the gracious hand, which preserved us in peace, and multiplied and enriched and strengthened us; and we have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of

our own. We have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made this nation great! It behooves us then, to humble ourselves before Almighty God, to confess & repent of our national sins, personal sins, and the iniquities of our fathers throughout every generation down to the third & fourth generations and to pray for clemency and forgiveness. We should intercede & pray for our fellow Americans, as well as, for Haiti, Cuba, Bahamas, & Jamaica who have also been affected by the devastating effects of Hurricane Matthew. We should call for justice & plead for truth for all injustices in the United States of America & worldwide including slavery, rape, genocide, wrongful convictions, wrongful terminations, murders, corruption of elected public officials & citizens, the “secret” human subjects, targeted people, persecuted and tortured saints. We should bless our enemies & pray for the peace in Jerusalem. We should also pray fervent prayers & supplications with thanksgiving to Almighty God the Father that we make our requests known to Him so that He will forgive us so that we will be cleansed from all our sins & iniquities committed intentionally, unintentionally, & out of emotion due to injustices or unjust acts before Him. In addition, we will thank God for blessing the United States of America by giving wisdom, guidance, and integrity to our national leaders & local leaders, as well as, & restoring righteousness, peace, unity, love, & reconciliation of the people in the nation.

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, do hereby proclaim **enter the chosen date** as Humiliation, Fasting, & Prayer Day. I call upon the people of the United States to observe this day with appropriate ceremonies and activities. And I do hereby request all the People to abstain, on that day, from their ordinary secular pursuits, and to unite, at their several places of public worship and their respective homes, in keeping the day holy to the Lord, and devoted to the humble discharge of the religious duties proper to that solemn occasion. All this being done, in sincerity and truth, let us then rest humbly in the hope authorized by the Divine teachings, that the united cry of the Nation will be heard on high, and answered with blessings, no less than the pardon of our national sins and personal sins and the restoration of our now divided and suffering Country, to its former happy condition of unity and peace. As a mark of respect for the victims & survivors of the police shootings in the United States of America & for the victims & survivors of the Hurricane Matthew in the United States of America, Haiti, Jamaica, Bahamas, & Cuba, by the authority vested in me as President of the United States by the Constitution and the laws of the United States of America, I hereby order that the flag of the United States shall be flown at half-staff at the White House and upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until sunrise, on **enter the next day’s date after the chosen date**. I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand this **enter the date** day of **enter the month**, in the year of our Lord two thousand sixteen, and of the Independence of the United States of America the two hundred and forty-first.
BARACK OBAMA
