Message to America: Confess, Repent & Turn Away from Sins Now!

Heal Our Nations Event to Pray for America, Whistle Blowers (Edward Snowden) & for Fathers

Trenton, NJ, June 15, 2013 – Yesterday was the kick-off event for the Heal Our Nations event to pray for America, whistle blowers (like Edward Snowden) and for fathers or “fathers in spirit”. A month ago on May 14, former Federal Government Electronics Engineer turned Activist Letitia Peters held her “birthday” event to show her allegiance to Jesus/Yeshua and to help advance God’s/Yahweh’s kingdom. On that day, she revealed that America has come under the judgment of God. This is based on the “secret” human subject experiments, lies, corruption, blackmail and senseless deaths of innocent lives in America and Internationally by families, friends, neighbors or complete strangers. People are trying to “play” God. No one has the right to decide who should live or die. Only God/Yahweh has that power.

Everyone has a role to play whether they like it or not. You cannot afford to no longer be complacent. Those who turn to God will enjoy His blessings, while those who refuse will face destruction. All of us are in this together. We want you to do whatever you can do; no matter how big or small. Will you be a remnant of people in America, as well as, in other nations to commit to 2 Chronicles 7:14?

Ms. Peters said, “Last night at 8:00 p.m., I heard my father said that there is a rainbow over the house & he has not seen a rainbow in a long time. My mother also saw it. I had to go to see the rainbow, because I knew that was a sign from God. My mother told me that there were 2 rainbows. The rainbows were beautiful. After seeing the rainbows, I started the show, which should have started at 8:00 p.m. and I mentioned about seeing the rainbows. According to Ken Ham founder of Answers in Genesis USA, he states,

“The next time you see a rainbow, remember that God judges sin. But he is also merciful & He made a covenant of grace with Noah & the animals that He would never again judge with a worldwide flood. Not only that, but the rainbow, as a symbol of Christ reminds us that He is the mediator between man and God and that those who receive the free gift of salvation are presented faultless before the Creator.”

I just cried because God have shown me rainbows in the past. I know that the trials & tribulations for the non-consensual human subjects in America & Internationally are over. It is finished in the name of Jesus/Yeshua. If this is not a sign from God, then I do not know what is. Wake up America, before it is too late!”

Will you join us as we fast, pray, and take action from June 14-16, 2013?

Fasting: (Note: If you have a medical condition, please consult your physician before starting a fast. If your medical condition precludes you from participation, you could give up watching TV, which would allow more time for Bible study and prayer.) We want Satan & his demons to break free of our children, our families, and our nations so that people can repent and confess of their sins. Many people have the sins of pride and arrogance. By fasting, you are humbling yourself. We need a supernatural breakthrough fasting and prayer. Some mountains are more difficult and requires prayer and fasting as stated in Matthew 17:21, “But this kind does not go out except by prayer and fasting.” Prayer and fasting indicate faith, discipline and humility before the Creator, without which there can be no hope of success. This is why we are requesting that people pray and fast because it is one of those mountains.

Fasting means going without food to spend time in prayer. You can do a partial fast or a full fast. The type and length of the fast you choose is up to you. A full fast consists of liquids only especially water. You can do “fresh squeezed fruit or vegetable juice”, “water and lemon”, “herbal teas” or “clear broth”. A partial fast consists of giving up certain “foods” like

processed foods, sugar, desserts, meats, or breads. There are various types of fasts depicted in the Bible. For example, the Daniel fast consists of eating vegetables, fruit, and water (Daniel 10:2-3). You can fast each day from sun-up to sundown. Then, you can eat when sundown begins.

Fasting can be beneficial spiritually and physically for the person doing it. God also wants us to go beyond our personal growth to have genuine compassion for the poor, the widow, the orphans, the helpless, & the oppressed by our acts of kindness, charity, and justice. Pleasing to God is what we do for Him and for others. In Isaiah 58:5-11, it states that fasting does the following: (1) Fasting allows the person to show humility before God; (2) loosens the bonds of wickedness; & (3) will undo the bands of the yoke. As a result, God promises the following: (1) your recovery will speedily spring forth; (2) God will cover your back; (3) God promises to answer quickly when you call, your light will rise in darkness; & (4) God will continually guide you through future troubles. (Source: Life Applications Study Bible; KJ Version)

Prayer: We are asking people to pray the Lord's Prayer (Matthew 6:9-13) on the hour throughout the day. This prayer can be added to your personal prayer. You can recite the following: "I stand in agreement with the prayer requests that are being prayed in the name of Jesus/Yeshua".

The powers of prayers are magnified "Again I say unto you, "That if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven. For where two or three are gathered together in my name; there am I in the midst of them." (Mat. 18:19-20). We have to take the limits off of the Creator/Yahweh. We must believe that all things are possible. We have the authority to overcome all the power of the enemy as stated in Luke 10:19.

Prayer and how Prayer will Change the Natural World

Prayer can change your trials & tribulations. Outcomes can be changed. How many times have you been told that "Prayer changes things"? Did anyone ever tell you how prayer changes things? For many of us, we never thought to question it. We just did it and never questioned it.

Prayer is used to make supplication, petition, & thanksgiving to God. Prayer is a direct communication to Him & it is the secret to a personal relationship with Him. Did you know that the natural world is controlled by the invisible, supernatural realm? Prayer will change the natural world because the Word of God affects the spirit realm. God is spiritual. In the Bible, it states in Ephesians 6:12 states, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Satan and his demons are spiritual. Words have power, but the Word of God is even more powerful. This is why people should be very careful about what they say about themselves and others.

The Lord's Prayer states, "Thy will be done in earth, as it is in heaven", means that God will bring heaven down to earth. When was the last time that you said the Lord's Prayer (Matthew 6:9-13)? You should pray in the Spirit at all times and on every occasion because it is scripturally.

There is even scientific evidence about the power of prayer & medicine. In Dr. Larry Dossey M.D. book, "Healing Words", he presented scientific evidence that prayer can figure prominently in healing illness.

Praying for America

In the November 24, 2012 Michael Carl's article, *Ugandan President Repents of Personal, National Sins 'We Confess Idolatry, Witchcraft, Political Hypocrisy, Dishonesty, Intrigue' states,*

"While Museveni is being held as a model for Christian leaders, Dave Daubenmire, PT Salt Ministries' president and founder and social commentator, said the problem for Western nations goes deeper than the political leaders.

The problem in the United States, he said, is the pastors.

"Sadly, I think our lack of repentance is the fault of the pulpit. Individual Christians are so awash in sin that they think politicians are merely better at sin than they are," Daubenmire said.

"There is no fear of the LORD and we are getting essentially a two-kingdom message. We hear that the devil is the god of this world and that Jesus will even the score later," Daubenmire said. **"The problem is that most Christians are convinced that this world is in control of Satan and therefore are not interested in applying the kingdom principles for which Christ died."**

Daubenmire quoted **Matthew 28:18**, in which Jesus said, **"All power is given unto me in heaven and in earth."**

Christians, Daubenmire said, are exhorted later in the same chapter to go and **make disciples of all nations.**

“We are to teach them and baptize them in the name of the Father, and of the Son, and of the Holy Spirit,” he said. **“All power in heaven and in earth belongs to Jesus. Unfortunately, most Christians don’t have the foggiest idea that He rules and reigns here and now, and that the kingdom principles that He taught us bring victory over evil wherever they are applied.”**

He added that **Christians too often play with sin.**

“Since we do not hate sin anymore, we don’t demand repentance,” Daubenmire said.

He quoted British 17th century statesman Edmund Burke, who said, **“The only thing necessary for evil to triumph is for good men to do nothing.”**

Daubenmire said that **in America, “good men have yielded power to evil men.”**

“Evil rules when evil men make the rules,” he said.

Ms. Peters states, “We applaud the Ugandan President for confessing and repenting of his personal and nations’ sins and for Pastor Daubenmire for telling the truth. There are problems in the church, which has needs to be addressed. Church leaders have a heavy responsibility to lead people to God and lead them out of sin and they are not doing it. Pastor Gregory A. Boyd, author of God at War: The Biblical & Spiritual Conflict states, “We must take action by holding people accountable for their actions, helping those to overcome temptation, or “take up arms” against corporate greed, homelessness, against governments that systematically oppress the masses with institutionalize prejudice or injustices. He refers to it as “social activism”.

We should hold people accountable for their actions, as well as, for their inactions.

On Friday night, we prayed for our National Leaders. They will promote national healing & reconciliation. In order to do this, there should be confession, repentance & forgiveness in order for reconciliation to take place in America & in all nations, like Ugandan President Museveni recently did. President Museveni is a role model for all Christian Leaders because he confessed & repented of his personal and nation’s sins, past and present. National leaders should investigate past & present injustices/atrocities by conducting public hearings, forgiveness ceremonies & tribunals. Reconciliation cannot happen unless TRUTH is revealed. America should hold a forgiveness, repentance, and reconciliation event with the support of National leaders.

Truth will be revealed about injustices and corruption. Ms. Peters’ advocacy campaign for non-consensual human subjects will finally be exposed. People involved in all levels of Government, businesses, organizations, & individuals worldwide will tell the truth so that justice will prevail for the survivors in the name of Jesus/Yeshua.

Traditions are preventing the followers of Jesus/Yeshua or believers from obeying the Word of God.

It is written, “there is one ordinance for all people (Israelites and non-Israelites). As stated in Numbers 9:14, Yahweh does not have a separate set of standards for unbelievers. He singled out Israel for a special purpose to be an example of how one nation could and should follow him. His aim is to have all people obey and worship Him. (Source: Life Applications Study Bible KJV)

Jesus/Yeshua is the “Lamb of God” who takes away the sin of the world. It is written, “That the Christ would suffer, that He would be the first to rise from the dead, and would proclaim light to the Jewish people and to the Gentiles (Acts 26:23).” Jesus/Yeshua broke down the “wall of partition” and created one new man (Ephesians 2:14-15). Jeshua/Yeshua died for ALL of mankind.

We should unite because of one main common denominator: Jesus/Yeshua is our LORD and Savior. We worship Him as Paul stated in 1 Corinthians 1:10-17 & Colossians 2:16-17. Many church leaders have “talked” about the “church” coming together. Now, it is time to no longer talk about doing it, but just do it.

Petty differences have kept us divided too long. Jesus/Yeshua was not divided so why are His followers divided. We should never allow petty differences to divide us and we should celebrate that we all worship Him as Paul stated in 1

Corinthians 1:10-17 & Colossians 2:16-17. First Lady Michelle Obama reiterated those same words to recent grads: **”Focus on what Unites Us”** & you can read the article at <http://usnews.nbcnews.com/news/2013/05/12/18215919-michelle-obama-to-grads-focus-on-what-unites-us?lite> This concept of “focus on what unites us” can also be applied anywhere, even among the members of the U.S. Congress. God has a sense of humor. **I guess great minds do think alike!**

What was in darkness has come to light?

Governments have enormous research budgets and they employ universities, organizations, corporations and local governments. Many of the U.S. “black ops” programs lack oversight or accountability, but they receive enormous budgets from taxpayer’s dollars. Last year, we learned the names of several U.S. Federal Government human subject research/medical experiments, which should be deemed unethical and suspended or terminated as per the “Common Rule”.

These human subject research projects are committing civil and criminal violations against non-combatant citizens and should be investigated and terminated as per U.S. Federal law. The Army has been named as the Federal Government agency for permitting the daily raping and torturing of a single mother of four who has been in a human subject research for the past 34 years, since she was 16 years of old.

After World War II, when the implants technology was received from the Germans, they needed someone to experiment this on. The implants were first experimented on minorities, more specifically, African-American women, then African-American children, and African-American men. **It has also been revealed that “protocol” has prevented the non-consensual human subjects from getting help because they have been told that they are human subjects. The perpetrators have been told to do whatever they can to destroy the lives of the human subjects.** Worst yet, many attractive women and handsome men have been selected so that they can be someone’s sex slave for the rest of their lives. All of the human subjects: men, women, and children are being raped by their perpetrators. This is the tip of the iceberg of what has been revealed.

What human subject research would allow people to be human subjects for their entire lives? What human subject research would allow 24/7 harassment and torturing? What human subject research would allow for people to destroy another person’s life because of a personal vendetta? What human subject research would allow people to be driven to suicide? What human subject research would allow people to violate another person’s civil and human rights?

It has been proven that the non-consensual men, women & children meet the definition of being a human subject and therefore, they have a right to withdraw out of a human subject research at any time without prejudice in America and Internationally. It is mandated in the U.S. Federal Government Law and International law. They are requesting to “opt-out” or discontinue their participation immediately out of the non-consensual human subject research/experiment without prejudice because he/she met the definition of being a human subject in a medical experiment. The “Common Rule”, 45 CFR 46.116 (a) (8) states, “the subject may discontinue participation at **any time without penalty or loss of benefits to which the subject is otherwise entitled.**” *Medical experiment* is defined by California Law, Health & Safety Code Section 24171 as “**the severance or penetration or damaging of tissues of a human subject or the use of a drug or device, electromagnetic radiation, heat or cold, or a biological substance or organism, in or upon a human subject in the practice of research of medicine in a manner not reasonably related to maintaining or improving the health of the subject or otherwise directly benefiting the subject.**”

Under the U.S. Constitution, experimenting without receiving “informed consent” is a violation of the non-consensual human subject’s right to due process and for subjecting the human subjects to cruel and unusual punishment. Under 45 CFR 46, formally known as Subpart A as the “Common Rule”, in the order for the “researchers” to waive informed consent, the human subject research had to meet all 4 requirements, which the human subject research violates. Since it does not comply with the Federal law, the human subject research should be suspended /terminated.

Many non-consensual human subjects are experiencing excessive targeting with electromagnetic radiation technology (gamma rays, microwave, radio, & infrared), chemicals, & weapons (biological, chemical, directed energy & radiological) 24/7 had to go on disability, died, or committed suicide. Did you know that 100 million people are on welfare in America, which only has a population of 350 million people? While others were already on disability, the excessive targeting has exacerbated their confirmed diagnoses for their already compromised immune systems. The National Commission for the Protection of Human Subjects believed that those who are already burdened (*e.g.*, by disabilities or institutionalization) should not be asked to accept the burdens of research unless other appropriate subjects cannot be found (*i.e.*, if the research concerns their particular disability or circumstance). How were the “researchers” able to select people with known disabilities to be in a non-consensual human subject research?

Praying for Whistle Blowers

On Saturday, we will pray for all whistle blowers. Ms. Peters who is also a whistle blower knows firsthand. She states, “We should pray for all whistle blowers. It takes courage for anyone to do the right thing when everyone else is doing the wrong thing or nothing at all. **This is the motto that I relied on: “I will stand for what’s right even if I stand alone.”** As a result, I have stood alone so many times & for many years. It has been very lonely many times. I could not tell family or friends what was really going on with me because this would put their lives in danger. I have seen how the electromagnetic radiation was used on them to turn them against me. Yes, it has cost me the “material things” in life, but I have my peace of mind and soul. I confess with my mouth that Jesus/Yeshua is my Lord and Savior & He is the same yesterday, today, & forever. I have seen many miracles, signs, & wonders. I give Him all the glory because if it was not for His grace & mercy I would not be alive today telling you what my research reveals.

I want all whistle blowers to know that they are not standing alone. They are doing the right thing. God sees everything and He will never leave you nor forsake you. Edward Snowden, you are not alone and you are the answer to our prayers because you were able to get around the moles, double agents, or “perps” from the Federal, State, County & City Governments, media, businesses & organizations who are being compensated to make sure that the truth is never revealed about these “secret experiments”. They have been strategically placed there to do the “dirty work” silently & quietly. You have blown the door wide open. The truth is in the light. You are “the voice of truth”, like myself and many other whistle blowers. **Now, we can request that Congress hold a tribunal, which they can do by the U.S. Constitution, like the Nuremberg trial in America. We can request the U.N. to hold a tribunal Internationally. No one in the Federal Government is ever persecuted when an investigation is done by Congress. We want persecutions.** I did a press release back in September 2012 and sent it to several Congressional members and the press, but like everything I send out it is either sabotage or it was received by the moles, double agents or “perps”.

Since 2010, I have submitted information to the President, Congress, media, various leaders and various organizations pertaining to what whistle blower Edward Snowden is exposing the truth about: Federal Government is listening to every phone call. I know the name of the human subject research thanks to Dr. Barrie Trower funded by non-consensual human subject survivor Ken Rhoads. You can listen to the 2.5 hours interview “Barrie Trower Talks with victims of Non-Consensual Microwave and EMF Experimentation and Testing” at <http://youtu.be/09mpvscHiKI>.

Mr. Snowden is telling the truth. This is a violation of our rights and liberties. More importantly, it is a violation of the U.S. Constitution, which they took an oath to obey and protect. The U.S. Constitution is the supreme law of the land, which protects us with inalienable rights and we, the people should hold them accountable to do so. Like Mr. Snowden, I have irrefutable evidence. I do not like to say this, but I believe that my race and gender may be an issue as well. It does not appear that Mr. Snowden has any “implants”/ “R.F.I.D. chips” in him since he was a NSA contractor. Unlike myself, who cannot hide anywhere because my body is infiltrated with them. **(Note: Stanley Stud Sensor 150 can pick-up “metal” even in the body. I tested it on someone & it never beeped with him, but it beeps continuously with me.)**

Yes, it is unbelievable, but is there a possibility that it can be true? I have contacted many of the same people who are calling him a traitor.

Former President & gospel minister James A. Garfield stated, **“We encourage people of faith to become involved in the civic arena, whether through prayer or direct involvement. As President and gospel minister James A. Garfield stated, “Now, more than ever, the people are responsible for the character of their Congress. If that body be ignorant, reckless and corrupt, it is because the people tolerate ignorance, recklessness, and corruption. If it be intelligent, brave, and pure, it is because the people demand these high qualities to represent them in the national legislature. . . . [I]f the next centennial does not find us a great nation. . . . it will be because those who represent the enterprise, the culture, and the morality of the nation do not aid in controlling the political forces.”**

Yes, my life is in jeopardy every day and has been since 2010 when I learned the truth about some unscrupulous Federal Government employees who have levied war against me and my fellow citizens, now that is treason. Many people are throwing “words” out, without truly knowing the meaning of the word. Many people should be on trial for treason, aiding & abetting, conspiracy to commit murder, hate crimes, tampering with witnesses, and violations of many laws including the U.S. Constitution & Title 18 to name a few. Many people should be imprisoned for the rest of their lives.

I have knowledge that it was the Feds in 2010 and this is not a figment of my imagination. In addition, Jeanne S., the prophet told me that “it was the Federal Government and they are doing it because they think they can”. Jeanne S. was offered \$50,000.00 to no longer save my life, which she told me that she did not accept. This is evil and it involves witchcraft. My “new” neighbors moved in to not only destroy my life, but to kill me so that I would not have children or get married. Obviously someone looked into my future. It means that they can look into your future as well.

Something in my spirit rose up in me and I asked her to give a message to these unscrupulous Feds and I said, "I was going to stop them with the help of Jesus/Yeshua." It came out of me before I knew what I said. She told me how the other person, Rick S. who was helping me with the weekend America's Spiritual Revival show accepted a lot of money to no longer help me. She was surprised that I knew the exact amount of \$25,000.00, because she only told me that he accepted a lot of money. The Holy Spirit revealed it to me. Apparently, the Feds do not want a revival to occur in America. Later, she told me that they were afraid of me. Why would they tell the prophet that they were afraid of me? Why would 2 people be paid \$125,000 by the Federal Government to no longer help me with my "callings"? Was this the money that was embezzled by my "perps" or was this taxpayer's money?

The late Senator Lautenberg was the only Congress representative who tried to help me. Now he is dead. I pray that he is resting in peace.

I have done extensive research to prove that this is happening to law-abiding citizens. I am not a criminal, but criminals are after me, my family, fellow Americans & people worldwide. **I am someone who knows the "whole" truth and for that reason I must be stopped by any means possible, illegal or legal.** Despite the sufferings, persecutions, daily poisonings, computer interruptions, and torturing, I have been able to gather information to help our cause. I would not be able to do the research without the help of God. I give God all the glory. I should not be alive.

You can listen to the "chilling, but true" 21 min. interview of Donna Joy, a non-consensual human subject in Omaha, Nebraska. You can listen to it by calling 605-477-2199, Access Code: 681588#, Reference No. 3#. You can visit the www.LetitiaPeters.weebly.com and read the September 18, 2012 blog, which contains the transcript of the interview.

This is the first 2 issues of the "To the U.S. National Leaders" letter, which was sent to the various U.S. National leaders in February 2013, via fax and e-mail and there were problems with both transmissions. The fax machine said that there was no power. It appears that the telephone line was turned off when I was faxing, but it was working for making phone calls. Is it normal for the White House 202 fax number to be routed to a 703 number, which is a Virginia number? I tried to get a response, but I could not to why this was happening? The entire 14 page pdf file can be downloaded at <http://letitiapeters.weebly.com/to-the-us-national-leaders.html>.

Here is the excerpt: This document is being submitted on behalf of all non-consensual human subjects in America and Internationally whose lives have been unjustly affected. Extensive research has been done to uncover the truth of the unbelievable and the unspeakable that is happening in America and globally.

TO THE U.S. NATIONAL LEADERS:

We are requesting your immediate attention to a very important issue.

Many of you are probably on the need-not-to-know list so we believe that that it is time that you are on the need-to-know the "whole truth."

The Issue: Men, women, and children are being used as "human guinea pigs", without their informed consent or knowledge in America and globally. Researchers need volunteers for their research. According to the Bioethics Commission's report released December 15, 2011, it states, "There are 55,386 human subject research projects as of Fiscal Year 2010. The number of the human subject research projects is increasing each year."

The Problem: There are countless of people in America and globally who are alleging that they are being monitored, tracked, tortured, and/or targeted with electromagnetic radiation, weapons (biological, chemical, directed-energy, electronics, or radiological) and the use of drones/satellites. They are even harassed with Counter Intelligence Program (COINTELPRO) tactics by a well-planned, well-orchestrated, well-organized, & well-connected organization with unlimited resources operating intrastate & interstate in America & Internationally. All avenues to resolve this issue has been closed to the non-consensual "human subjects". Everything is streamlined, just like the Germans. **THE PLAN HAS BEEN STAGED FOR NO RESOLUTION EVER FOR THE NON-CONSENSUAL "HUMAN SUBJECTS"**. No justice. No due process. No investigations. Lies, deception, active denial, disinformation, threats, bribery, blackmails, intimidation by force, protocol and the technology have allowed this "well-oiled machine" to continued non-stop for 35 plus years.

We come to the following thought provoking questions: How are the researchers obtaining their “human subjects” for the projects pertaining to the State research? Federal research? Black Ops research? Are there “legitimate” informed consent forms with each human subject research projects? Has anyone ever seen these informed consent forms or the human subjects? Are human subjects being counted as “animals”?

Have the United States Federal Government and others “secretly engaged in levying an invisible war” against non-combatant citizens (men, women, and children) under the auspices of human subject research/never-ending criminal investigation/war on terror/national security? Is this genocide? Ethnic cleansing?

Have the Intelligence/DoD communities ever reported in their top-secret quarterly briefings on their counterintelligence activities any of the 30 activities in the past or currently:

1. Last year, Microwave Expert, Barrie Trower confirmed that in 1976, the United States Government advised the Western countries to keep the research “secret” in order to protect the military & industry from lawsuits. If it was known and accepted, then the industry would be bankrupt. He stated, “This is known, if we go back to between, so that the 50’, 60’s, 70’s, 80’s, if we look at that era, even the 90’s. I have documents you are welcome to copy for which the English, Australian, United States CIA, The Departments DIA, Defense Intelligence Agency with Associated Universities and the Canadian Secret Service have experimented on around five hundred thousand for over forty years consisting of the poor, psychiatric patients, pregnant women, children over the age of four, Muslims, Catholics, and Service Personnel. The Service Personnel selected were young and fit, making it an ideal epidemiologist study. Five hundred thousand (500,000) was experimented on. I have the summary of the experiments and two statements which are worth reading. The British were involved in this as well from 1986 after five hundred thousand (500,000) were experimented on. A man from Naval Surface Weapons Center in the United States said, “We can change behavior of cells, tissues, whole organisms,” in other words any part of the body. “We can have a six times higher fetal mortality rate, cause birth defects and induce malignant tumors in human cells.” From 2001-2007 there was a secret course held. Number eleven on this course the opening statement was, “Students who will be familiar with current knowledge, which is cancer, memory, brain dysfunction, and damage to the eye, skin and birth defects from radio frequency, microwave radiation.”

2. TETRA is a medical experiment until 2018, which violates International Laws because the researchers did not receive informed consent from the police, fire fighters, ambulance workers, and others in 200 nations. It has been used to make both police and demonstrators more violent. TETRA has a pulse frequency rate known to cause “tumors”. It is the Emergency Communications System. Microwave Expert, Dr. Barrie Trower stated that there are better and safer systems, but the U.S. wants its one feature: ability to listen to every person’s phone call. Many users have been diagnosed with cancers and the police are violent.

Praying for Fathers & “Fathers in Spirit”

On Sunday, join us as we celebrate fathers and those who are “fathers in spirit”. There are many fathers who may be away from their families and loved ones, as well as, those who lost their fathers. Many fathers are hurting and they are hurting their loved ones, either emotionally, physically, or even sexually. We want to pray for their healing so that they can become all that God wants them to be. It is not too late. For others, they may be dealing with unforgiveness, bitterness, or hatred in their heart and this may be the root cause of their illness/disease. They are hiding the shame of being raped by another man and we want to break the sin off of them. How holding onto their past is affecting their present & future as the “man”? We want to break the curses that have been placed on men. Deliverance prayers for breaking curses on African-Americans, Indians & others are available at www.DemonBuster.com. Every father should be praying the “Priestly Prayer” over their children’s lives (see Numbers 6:24-26).

Let’s Heal America together!

International Spiritual Awakening Ministries (I.S.A.M.) is a new ministry, which is dedicated to teaching “biblical truths” according to the Holy Scriptures in order to help people develop a personal relationship with the Creator/Yahweh in the name of Jesus Christ/Yeshua in every aspect of people's lives nationally & internationally. We use the power of the Word

of God/Words, coupled with the power of prayer, the power of fasting and action in order to change trials and tribulations in people's lives and in nations. I.S.A.M. can be contacted at <http://www.LetitiaPeters.weebly.com> or at 347-568-3537.
