This is a three part series based on Prophet Letitia’s letters. In the first part, she invites the Americans to Unite for “The 3 Days and 3 Nights Fast, Forgive, Pray and Take Action Event”. We want as many believers to fast, forgive, pray and take action for 3 days and 3 nights, which they can start on Nov. 28, 29, or 30. We will host daily International worship, praise, & prayer calls, as well as, the nightly Blog Talk Radio shows that believers in America and the International community can attend. Last month, Tammi Curtis Carr turned to prayer and the Social Media to request their help for 4 year old, Chad Carr because he was diagnosed with Diffuse Intrinsic Pontine Glioma, a rare brain tumor that primarily affects children. Like many believers, Tammi Carr was taught to only pray, but not to use the supernatural benefits of the combination of praying & fasting. Jesus/Yeshua said, “Some mountains do not come out except by prayer and fasting.” This is definitely one of those mountains. Unbeknownst to the Carr’s family & friends, Letitia had difficulty getting the information out on social media and even posting it on her website, www.ManifestTheTruth.com. Who would want to sabotage a miracle event for a little boy? Who could be so evil to do so? No, Ms. Peters does not know Mrs. Carr, but God wanted her to get in touch with her and give her a message that He had heard her prayers and he sent me. Mrs. Carr has received her miracle, but we must continue to pray for him. This is about good vs. evil and everything else is secondary: racism, religion, and politics. 

God gives a solution to every problem, but we have to be looking for the solution. The solutions are: The International Spiritual Awakening and Revival and The Heal Our Nations Movement. The International Spiritual Awakening and Revival will help believers to become powerful and anointed against Satan and his devils/demons as they fight along with Yahweh the Father, Jesus/Yeshua the Son, and the Holy Ghost & fire to help defeat Satan and his devils/demons. Both the invisible, spiritual world and the natural world must be changed. This is why many people are missing their breakthrough. Many of the church leaders have not taught the full Gospel and many people are dying due to lack of knowledge. This is about good vs. evil and not about racism, religion, or even politics. Racism plays a role, but it is a secondary role. The 5 immediate issues for The Heal Our Nations Movement are to:

1. Stop the violence and destruction in Ferguson, MI and to reduce ethnic tensions in America and Ferguson, MI. (I am looking for celebrities or positive role models that people respect who want to send a message to them. It can be in form of a video message. Is there anyone who want to help the situation?

2. Boycott Black Friday starting on Thanksgiving Day through Sunday: No shopping, no eating, or no going out to eat. Let’s make a donation to the people in Ferguson, MI for the money that was saved.

3. Laws are Ratified & Reform Occurs for America not Keeping Her Promise to Liberate the Descendants of Slaves Forever as stated in the Emancipation Proclamation

4. Edward Snowden is returned home alive by the end of the year as a hero and not a traitor based on Letitia’s research.

5. Justice & Freedom for the “Secret” Lifetime, Generational Involuntary or Unwitting Human Subjects in America & International (Opt-out, Moratorium on Research Projects, No Disbursement of Funding, and Tribunal)

Since 2010, Letitia was told by Prophet Jeannie S. that her former neighbors were torturing and persecuting her due to the orders of the “unscrupulous” U.S. Federal Government employees who were abusing their power. They intruded into her life and they are mad because she is fighting them back with the Word of God, fasting, praying, and taking action. She described how they stalked her from room to room and from floor to floor. She would wake up with dark, circles around her eyes, swollen body parts, sores in her mouths, dry eyes, dry lips and she would gain 10 to 15 pounds of water weight overnight. One day she cried out to Jesus because of the horrific torturing and persecution by her former neighbors and she felt the hand of Jesus protecting her head from the beam of the electronic weapon so that she could get a good night’s sleep. When she went to the police to file attempted murder, assault with a deadly weapon, and other charges, the police officer told her that they should learn to get along and changed it to harassment. She felt like she was treated like a child and not taken seriously. She did not even know them. She did not know that they police was involved until later. She wants the world to see how employees of the U.S. Federal Government when given power believe that they can do
anything to anyone regardless of the law. No one, should be above the law. They have intruded into the lives of innocent people like Aaron Alexis, Myron May, as well as, countless of other people in America and International for no other reason than you think that you can. Who’s going to stop you? That was 4 years ago when Jeanne S. told her and before Jeanne S. accepted $100,000.00 from them not to save her life anymore. Her spirit was disturbed by their arrogance. She had a response to give them. She said, “She was going to stop them with the help of Jesus/Yeshua!” Despite bullying, mobbing, lies, unspeakable persecution, suffering, torturing, sabotage, illegal internet, telephone, computer, and fax surveillances, she completed the research, which was sent to the Nation’s leaders last year, but there has been no response. In November, she hand-delivered her rebuttal response in the form of a 40 page Affidavit of Truth demanding that they honor her request for 10 page revised reliefs/remedies for the involuntary or unwitting human subjects in America and International to the local office of the U.S. Attorney’s office who forward it to the FBI. This was “the perfect crime” or America’s Secret Invisible Nightmare (S.I.N.) because they had closed every loophole to ensure that the unwitting or involuntary human subject would never receive justice. Aaron Alexis and Myron May would not have committed crimes if they were not secretly implanted with Radio Frequency Identification (R.F.I.D.) chips, implants or burst bugs. It is documented in official U.S. Federal Government records that the researchers would diagnose those who knew that they were secretly being experimented on without their informed consent or knowledge with a mental illness like psychosis, schizophrenia paranoid, or neurosis. Microwave Expert, Dr. Barrie Trower stated that if the truth was known and accepted, they would be bankrupted. Since 1997, they were told by the Americans to keep everything secret to avoid lawsuits by the civilians and the soldiers. They have been experimenting on 500,000 people without their informed consent or knowledge since the 1950’s. America has been experimenting on people of color for the past 100+ years and on the black soldiers and their families first.

The church/synagogue leaders have not done their part to lead America in the right direction, because many are not called or those who are called have been bribed, threatened, or are fearful of man. America has not kept her promise to keep the descendants of slaves free forever. Prophet Letitia provides the first prayer that she suggests that every believer prays, “The Believer’s Commitment Prayer” (at least once) and then the mini-version & extended version prayers for America & International that believers can revised. She provides two solutions so that believers are on one accord by “praying on the hour”, which she calls “The Praying on the Hour” Campaign and the power of standing in agreement. The Festival of Praise Tour by Gospel Legends, Donnie McClurkin and Fred Hammond have “shifted the atmosphere” because many souls were saved, which was depopulating Satan’s kingdom. Satan is mad, because they thought by keeping Prophet Letitia away from Pastor McClurkin the spiritual awakening would not occur. Now, the atmosphere has shifted due to the Grand Jury’s decision. Letitia is asking for believers to pray them, especially for Donnie McClurkin who is targeted as well, just like the late Michael Jackson and the late Whitney Houston. Believers have been given the power and authority over all devils and to cure diseases (Luke 9:1) & the power to tread on serpents & scorpions & over all the power of the enemy: & nothing shall by any means hurt you (Luke 10:19). Believers can change outcomes. God is a spirit. Diseases are also spirits, which must be cast out & not prayed out. Casting out devils are part of Jesus’/Yeshua’s Great Commission (Mark 16:17-18) & His ministry, but many church/synagogue leaders only mentions the first line. This is why many of God’s people are perishing due to a lack of knowledge.

Part 1 of 3 Series

Prophet’s Letter to the Body of Christ in America & International to Unite for “The 3 day & 3 Night Miracle Event for America” to Fast, Forgive, Pray, & take Action Starts on Nov. 28

“Demands Social Media, Unscrupulous Federal Government Employees, & Citizens to Cease and Desist Unconstitutional Activities Immediately ”

This letter is covered with the Blood of Jesus/Yeshua & Yeshua’s glory in Yeshua’s name!

November 25-28, 2014 – Trenton, New Jersey

To My Brothers and Sisters in Ferguson, MI

My name is Letitia and first, I am sorry for the Brown’s family lost of their son, Michael. Every human life has value. No one should have been treated like that. We joined in praying for him at 4:30 p.m. each day. Last year, my 34 year old cousin was murdered in New York City and I went through all the emotions so I can relate. We are all God’s children and He does not see colors. I have read many responses and many people are angry as well. Violence and destroying your neighborhood are not the solutions. We do not want to see any senseless deaths or murders. We understand your pain and anger, but this is not the way to do it. You do not want to destroy your neighborhood, property, or businesses. We do not want to see any more senseless deaths or murders. Murder is not the way. Let God be your healer, vindicator, and restorer. Let’s work on a plan together to resolve these issues. This problem has existed way before we were born. America has not
kept her promise to liberate the descendants of slaves forever as stated in the Emancipation Proclamation. Laws need to be ratified and reform needs to occur. Personally speaking, I have been through horrific atrocities by the police myself. What has been done to me is inhumane? The police has participated in my demise as well. In 2010, I hired a prophet, Jeannie S. because she said that she could help me.

My first question: “Who was doing this to me and my family?”

She replied, “The U.S. Federal Government.”

I said, “It is not the entire Federal Government, but it is “unscrupulous” U.S. Federal Government employees who are abusing their power.”

She replied, “Yes.”

I asked her, “Why are they doing this to us?”

This was Jeannie’s response: “They are doing it because they can. Who’s going to stop them?”

Someone resonated in my spirit because how dare anyone say those words to an. I told her to give them a message: “I was going to stop them with the help of Jesus”.

I was upset that someone even thinks that they are entitled to even say those words to not only me, but to anyone. Who made them god? I could not share what everything that I experienced and by whom because they were turning them against me with the technology: the electromagnetic radiation and the radio frequency identification (R.F.I.D.) chips, implants, or burst bugs.

I told them if one of my family members die, they will all go down; judges, doctors, police, family members, friends, complete strangers, and neighbors.

Let’s work through the anger, hatred, and forgiveness process together. A great injustice has been done, but it has made to look legitimate.

I am tired of young African-American men dying so young. I want to help.

There is 2 solutions to this issue: You can join the International Spiritual Awakening & Revival and The Heal Our Nations Movement. Please join us on the International Worship, Praise, and Prayer calls during the day and the blog talk radio show at night.

I am making myself available for anyone who is angry and want to hurt someone. I know that feeling, because you get to a breaking point. They took me to a place that I have never gone before. I wanted to be left alone. They were sneaky and liars. They would wait until after my parents left to do more dirt to me. I took it out on the wall and I was yelling. I gave them numerous chances to stop. I told them that they will spend the rest of their lives in jail. I forgive them, but I told them to leave me alone. They all received new vehicles for their services.

For those who are being compensated to continue the disruption in Ferguson, you should stop now.

Will you stop the violence over this weekend? I am asking people to Boycott Black Friday starting on Thanksgiving Day through Sunday: No shopping, no eating, or no going out to eat. We want people to make a donation to the people in Ferguson, MI for the money that they saved.

I would like to see if people are being exposed to electromagnetic radiation, but I have not seen any videos. Some video cameras and phone cameras are sensitive enough to detect it. You can tell if it is radiation, if the video camera or the camera phone detects “something” that is undetected by the naked eye. Please send them to ManifestTheTruth@outlook.com. If someone wants to talk or need help, please send an email as well.

The International Worship, Praise, & Prayer Conference Call is a 1 hour call with a capacity of 1,000 callers. The International Worship, Praise, & Prayer Conference Call will start @ the following times: 9 a.m. EST, noon, 3 p.m. EST. The U.S. call-in number is (605) 562-3130, Access Code 104870#. If someone is sick or died have them listen to the show. Apostle Guillermo Maldonado of Florida said, “If you know someone who died, you should go and resurrect them.” That is what we want to start doing. God is a spirit. Diseases are spirits, which must be cast out and not prayed out. Many people are dying prematurely or suddenly due to a lack of knowledge. He has resurrected people and is teaching others to do so. The Friday’s night Blog Talk Radio Show is a 2 hour worship, praise, and prayer show, which can be downloaded.

Blog Talk Radio Calls: Here are the show times: Nov. 26 @ 9:00 p.m. EST, Nov. 27 (spend time with loved ones), Nov. 28 @ 9:00 p.m. EST (2 hr. worship, praise, & prayer show only), Nov. 29 @ 8:00 p.m. EST, Nov. 30 @ 8:00 p.m. EST, Call 347-677-1955 or log on at www.BlogTalkRadio.com/isam. If someone is sick or died, play Friday’s show wherever they are at the hospital, morgue or funeral home. The archived shows can be downloaded at www.BlogTalkRadio.com/isam.

Everything will be posted at www.ManifestTheTruth.com.
Dear Fellow Americans,

My name is Letitia Peters and I am an American. Lawlessness, injustices, and sins are running rampant in America and International and sins affect all of us whether or not we are committing it. What is happening in Ferguson, Missouri affects all of us because it is shifting the atmosphere in America to hate, murder, and violence and it must be stopped now? It will take fasting, forgiving, praying, and taking action. I am requesting your support. Everyone can do something. After watching the 3 hour movie, “Judgment at Nuremberg” (this movie can be watched for free online), I can positively say that the Holocaust never stopped; it went underground. The Cold War went underground. The secret, unethical lifetime, generational involuntary or unwitting human subject research projects never stopped, but they also went underground. The similarities from the 1940s and 1950s to 2014 are uncanny. This whole evil ordeal sickens me & at the same time saddens me. I echo the words of DT Stockton, author of “United States Terrorism and Repression Against Its Own People” who said, “For those of you that live with rose-colored glasses, and have a difficult time accepting truth and reality, grow up! It is time to face adulthood, to face the realities of life and deal with life as it is. And only together can we fight this evil. All laws are in our favor.”

This is about good vs. evil, but they want to make it about racism, religion, or even politics, which are secondary issues. British 17th century statesman Edmund Burke said, “The only thing necessary for evil to triumph is for good men to do nothing.” Pastor Daubenmire said that in America, “good men have yielded power to evil men.” “Evil rules when evil men make the rules,” he said. I love America, but I cannot allow these “unscrupulous” U.S. Federal Government employees, informants, and others to intimidate me because I know the truth. I have not told anyone everything that I know because I know they would persecute them even more. I already had a lot on my plate. I completed the initial research. I survived despite unspeakable persecutions, sufferings, emotional traumas, torturing and deaths of loved ones. I completed the research, which was sent to the Nation’s leaders last year despite sabotage, illegal covert & overt harassments, illegal COINTELPRO, illegal telephone, internet, computer, & fax surveillance, lies, and deception. Sometimes bad things happen to good people and I am a prime example of this.

The only way to reverse evil is with the Word of God and for people to take actions. We have to do both in order to major changes in America and the world.

As I read about the protests in Ferguson, Missouri, it reminds me of a movie that I recently watched called, “I Was a Communist For the FBI”. This 1951 movie is based on the real life agent of Matt Cvetic who infiltrates the Communist party in Pittsburgh, PA for the FBI for 9 years. The Communists are portrayed in the film as cynical opportunists, racists who are interested only in seizing power on behalf of the Soviets and not improving social and labor conditions in the U.S. They are shown exploiting ethnic tensions to get their way. They are shown fomenting discontent among blacks. Cvetic ultimately testifies against the Communists before the House Un-American Activities Committee and reconciles with his son and brother. (Source: Wikipedia: I Was A Communist For the FBI).

I feel in my spirit that these tactics portrayed in this movie are being played out in Ferguson, Missouri. In the film, it depicts how situations can be created and the informants are used to elevate the situations. Then if someone is killed, they will ask for donations for the defense for the families who were killed who happened to be blacks and they knew beforehand that they will lose the case. They kept the money that was raised for their “defense”. The Americans learned these tactics from the Russians. Are these tactics being used right now in Ferguson, Missouri for a particular outcome? Are informants being compensated to escalate the violent and the destruction of property including minority-owned businesses? Is technology being used to suppress the people? Is electromagnetic radiation being used in the area because it can change a person’s personality? Have people been secretly installed with Radio Frequency Identification (R.F.I.D.) chips, implants, or burst bugs? Electromagnetic radiation can be shown in some videos and camera videos that are sensitive, but I have not seen any videos in Ferguson, MI. I am using this movie as an example to illustrate the tactics that were used in the 1940’s and 1950’s by another country is being used by people in America today to get their way. No, I do not support Communism.

I know that many people are angry, disappointed, or even saddened by the events surrounding the Grand Jury verdict about the late Michael Brown or the death of Targeted Individual (TI) Myron May. I have read many comments from people on Facebook who want to do more than pray. In the midst was the death of the late Dr. Martin Salia from the Ebola virus. I am prevented from posting certain posts on people’s Facebook page. I was a member of the Targeted Individual International group and I did not receive any of Myron’s posts. I have done the research that proves that these “shooters” like Myron May and Aaron Alexis were hearing voices. The technology does exist and it is being used to oppress people. President Obama has stated that technology should not be used to oppress people, but it is. It is noted in Official U.S. Federal Government files that the researchers deemed the involuntary or unwitting human subjects with a diagnosis of mental illness in order to discredit them. This was done in the Cold War. I am being prevented from reaching
out to the Alexis’ family to show them the evidence that was sent to the FBI via my local office of the U.S. Attorney’s Office. It is posted at www.ManifestTheTruth.com. I wanted to connect Dr. Sala’s son, Maada on Facebook to request that I have a solution for his father, but his name does not even show up. I watched an episode of The Scorpion and they asked the CDC to do reverse engineering on a virus. Why was this not done in Dr. Sala’s case? This is a worldwide threat. Why has the United States not used The Scorpion Team headed by Walter O’Brien and his group of geniuses to solve the problem of the Ebola virus in West Africa and the U.S.? God instructed me to contact his family like I did for Tammi Curtis Carr because I was the answer for her miracle. His family expected a miracle and they will receive one, if I can reach them and the doctors will listen. Everyone can do something. James 4:17 states, “Therefore to him that knoweth to do good, and doeth it not, to him it is sin.” God has given us God-given talents and gifts and if we do not use them to help the oppressed, the poor and fight against injustice, then you have sin against humanity and God.

The torch has been passed to the next generations. God has prepared me for such a time as this. The church leaders have a great responsibility to lead people out of sin and toward God, as well as, teach the Full Gospel of God’s Kingdom, but many have failed to do it. Everyone is entitled to life, liberty, security of person, freedom from slavery and servitude, freedom from torture, or cruel, inhuman or degrading treatment or punishment, equality before the law, not being subjected to arbitrary arrest, detention, or exile, freedom of movement and residence, nationality, the right to marriage and to found a family, freedom of thought, conscience and religion, peaceful assembly and associations, work, health, and education. It is not for a few, but for all human beings. I am calling for peace, justice, and pleading for truth in America, as well as, International now. Taxpayers’ monies should not be used for Nazism, satanic, or evil propaganda.

For years, I have been the lone warrior. I have been called a prophet, seer, and even a star child, a terminology that I never heard before. I was even told that I was like Jesus. I am no longer a people pleaser, but a God pleaser. I will not accept any bribe to keep silent. They have even tried to kill my family members. They, the unscrupulous U.S. Federal Government employees wanted to show me what they can do. Yes, I have been tortured beyond belief. One day, I called out Jesus to help me and I felt the hand of God stop the beam from the electronic weapon from beaming my head so I could get a good night’s sleep. I am not a criminal, but I have been harassed, my character has been defamed, stalked, lied on, and tortured by the police. They have failed to conduct investigations, which has helped my evidence to become tampered with or stolen. They are concealing and preventing any investigations, while they are using my family, friends, neighbors, strangers, store employees, church members and Facebook family to secretly spy on me. I have reached out to the Nation’s leaders and organizations seeking help to no avail. All of the letters that I received from them have mysteriously disappeared. During those alone times, I drew closer to God and I developed a relationship with Him as He taught me the principles to overcome Satan and his demons/devils. We do not wrestle against flesh & blood, but against principalities, against powers, against the rules of the darkness of this world, against spiritual wickedness” in high places (Ephesians 6:12). Jesus/Yeshua is my Lord and Savior. I give Him all the glory for allowing my family, friends, and loved ones to survive the last 5 years. I believe that it is time to deal with these problems by uniting.

God gives a solution to every problem, but we have to be looking for a solution. God has shown me two solutions. The solutions are: The International Spiritual Awakening and Revival and The Heal Our Nations Movement. Michael L. Galiga, author of Win Every Battle states, “In order to turn this situation around & win this battle, you’ve got to do more than just make natural changes. You’ve got to change things in the invisible realm. That’s where most people miss getting their breakthrough. In the Bible, Jesus told us to pray for God’s will to be done on earth as it is in heaven. What we need to do is pull heaven down to earth. The invisible, supernatural world controls the natural world.” We will change both worlds.

The International Spiritual Awakening and Revival

There are 8 Keys to Conquer Satan and his devils in Spiritual Warfare; use the principle of W.R.A.P.P.I.N.G.™ (Worship, Repent, Anoint, Praise, Pray, In the Name of God/Jesus/Yeshua), fasting, and taking action. The devil wants your most prized possession: Your soul. The International Spiritual Awakening and Revival is open to believers, or followers of Jesus/Yeshua who want to revive their mind, body, soul, heart & spirit, as well as, to unbelievers who want to experience a personal spiritual awakening and no longer want to commit sin or serve Satan. Everyone will have a renewal, revival, and/or awakening of your mind, body, soul, heart & spirit, which will cause a transformation in you & it will have a ripple effect that will affect your family, community, and nation. You are commanded to learn, teach, keep, & do all the commandments i.e. (10 Commandments (Exodus 20:3-17)), statutes, & judgments. 2 Chronicles 7:14 is the solution to lawlessness, sin, & apostasy. You should confess & repent of your sins & ask for forgiveness. You should turn away from your sins & turn towards Jesus/Yeshua by faith. Jesus/Yeshua will remember your sins no more. The 5 sin-related scriptures are James 4:17, 1 Corinthians 6:9-10, Revelation 21:8, Galatians 5:19-22, & John 16:9. You must forgiveness others, but if you don’t, then your heavenly Father will not forgive you (Matthew 6:14-15/Mark 11:25-26). This could be a possibility why your prayers are not being answered.

Page 5 of 15
You will learn the principles of W.R.A.P.P.I.N.G.™, the supernatural benefits of prayer and fasting, praying on one accord by joining the “Pray On the Hour” Campaign and taking action to help to conquer Satan and his demons/devils. **Casting out devils are in Jesus'/Yeshua’s Great Commission (Mark 16:17-18).** Believers have been given the power and authority over all devils and to cure diseases (Luke 9:1) & the power to tread on serpents & scorpions & over all the power of the enemy: & nothing shall by any means hurt you (Luke 10:19). You should cast out devils out of yourself every day; this is called “Self-Deliverance”, then you can cast out devils out of others. Apostle Guillermo Maldonado of Florida said, “If you know someone who died, you should go and resurrect them.” That is what we want to start doing. God is a spirit. Diseases are spirits, which must be cast out and not prayed out. Many people are dying prematurely or suddenly due to a lack of knowledge. He has resurrected people and is teaching others to do so. You should **purge & burn anything,** which is satanic, of the occult, or is in rebellion to God's Word. Visit Www.Demonbuster.com is an excellent resource about deliverance ministry. You should be a cheerful giver in tithes & offerings. God blesses those who give freely of their possessions, time, & energy. You should teach all the commandments, the statutes, & the judgments diligently to the children & should talk of them when you sit at home, when you walk down the road, when you lie down & when you get up (Deuteronomy 6:4-7). You should use your spiritual gifts & God-given talents to fulfill Jesus’/Yeshua’s Great Commission as stated in Mark 16:15-18 & Matthew 28:18-20. You should have genuine compassion for the poor, widow, helpless, orphans & the oppressed. You should be “fearless & bold as a lion” to fight against injustices of the poor, widow, helpless, orphans, & the oppressed.

Their gatekeepers know that this would be the greatest revival that they world have ever seen. The demons are trying to keep me away from Pastor Donnie McClurkin, Apostle Guillermo Maldonado, Apostle Renny McLean, and Apostle Esther Agiri because they do not want us to unite as the core team that God selected for the International Spiritual Awakening and Revival. Gospel Legend Fred Hammond is also part of the team because God told me to buy his song, "If His People", which is based on 2 Chronicles 7:14 when I started America’s Spiritual Awakening Show on 10/10/10. The “unscrupulous” U.S. Federal Government employees paid my co-host $25,000.00 to no longer host the show with me because he provided the internet portion of the show on Talkshow.

When other believers need our support, we should give willingly, just like Esther called for a fast and asked the Jews to pray for God’s help with her mission. Last month, Tammi Carr turned to the believers for support by sharing her trial with us and we should unite & support her and her family. There should be mutual support by believers in difficult times, which has not been a lot of before and I pray that it will change now. It is written in Galatians 3:29, “There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female, for you are ALL one in Christ Jesus”. These are high tech hackers, which can make every “Tammi Carr” not show up on Facebook and once I wrote that there was no listing of her on Facebook, I was finally able to send her a message. Imagine: If this was your child and someone had a gift in the body of Christ and was the answer to your prayer request, but there were doing everything to sabotage your child from getting his/her prayers answered, how would you feel? Can we unite for this 4 year old innocent child? We have allowed one of the oldest trick of the enemy; divide and conquer to continue to keep the believers separate. We should unite because of one common denominator; Jesus/Yeshua. I pray that others will follow her on Facebook and send her a message letting her know that the you are one of the “army of believers” who are praying and fasting and they should join us as well. Her name is Tammi Curtis Carr. Will you be part of God’s army because he still needs our prayers? Here's the link to Tammi Carr’s story: [http://www.foxnews.com/health/2014/09/27/michigan-mom-turns-to-prayer-and-social-media-for-miracle-to-save-her-son](http://www.foxnews.com/health/2014/09/27/michigan-mom-turns-to-prayer-and-social-media-for-miracle-to-save-her-son).

You can take action by joining the Heal Our Nations Movement, which is the second part of I.S.A.A.R.

**The Heal Our Nations Movement**

The Heal Our Nations Movement is the second part of the International Spiritual Awakening & Revival. This requires action. Everyone can do something. Pastor Gregory A. Boyd, author of God at War: The Biblical & Spiritual Conflict states, “We must take action by holding people accountable for their actions, helping those to overcome temptation, or "take up arms" against corporate greed, homelessness, against governments that systematically oppress the masses with institutionalize prejudice or injustices. He refers to it as “social activism”.

Here are the 5 immediate issues for The Heal Our Nations Movement:

1. Stop the violence and destruction in Ferguson, MI and to reduce ethnic tensions in America and Ferguson, MI. (I am looking for celebrities or positive role models that people respect who want to send a message to them. It can be in form of a video message. Is there anyone who want to help the situation?)

2. **Boycott Black Friday starting on Thanksgiving Day through Sunday:** No shopping, no eating, or no going out to eat. Let’s make a donation to the people of Ferguson, MI for the money that you saved by not shopping. 

Page 6 of 15
3. Laws are Ratified & Reform Occurs for America not Keeping Her Promise to Liberate the Descendants of Slaves Forever as stated in the Emancipation Proclamation

4. Edward Snowden is returned home alive by the end of the year as a hero and not a traitor based on Letitia’s research

5. Justice & Freedom for the “Secret” Lifetime, Generational Involuntary or Unwitting Human Subjects in America & International (Opt-out, Moratorium on Research Projects, No Disbursement of Funding, and Tribunal)

This is very important to me because many of my family and friends may have been placed in the involuntary or unwitting human subject research project because of their “association” with me. In November 2010, I discovered by accident that it was unscrupulous U.S. Federal Government employees who are abusing their power & had my former neighbors move in to intentionally torture, persecute, poison, and cause my father to develop myeloma for 4 years. I told them that they should enjoy their freedom now, because I will see that they are institutionalize and imprisoned for the rest of their lives. They even received vehicles for their services. The Trenton, NJ and the New Jersey State Police even participated. This is confirmed by the recent study called “INVENTING TERRORISTS The Lawfare of Preemptive Prosecution” depicts that the FBI is conducting racially charged persecutions & manifesting crimes by using informants who are poor, criminals, & mentally challenged & offering incentives for their services such as cash & vehicles. This study states that this is inhumane and unethical. Only 1% of terrorists are real. The FBI is the lead federal agency for investigating color of law abuses, which include acts carried out by government officials operating both within & beyond the limits of their lawful authority. They were compensated to stop both of my callings. Since they are not keeping a paper trial of these “assassins”, they have exposed us to greater harm by teaching them to bypass security systems, alarm systems, and computers without showing any signs of forced break-in; which is against the law.

Here are 2 important issues: “bio-hacking” and the secret installation of “microchips”.

- In the September. 29, 2014 episode of Scorpion, which is based on the true life of Walter O’ Brien and a group of geniuses who are contracted to solve worldwide threats that only they can solve, I learned the terminologies “bio hacking” and “bio-hackers”. In this episode, the Governor calls on Team Scorpion when his daughter is mysteriously “bio-hacked” with a deadly virus & has 24 hours to live. She tested positive only for a common cold & was negative for Ebola and for other known viruses. Did this “unknown virus” appear for a political motivation? It was a custom built virus. It does not affect anyone except the targeted person. Was my nephew bio-hacked? He was the only person in his school and in Bucks County, one of the wealthiest counties in Pennsylvania that contracted it. My sister could not understand how a child who only went to school and came home could have contracted such a life and death virus. No one else in the house was sick. I knew it was intentional, but I did not have a name for it until now. He kept telling everyone that he was not sick & that he was going home. I told him to keep saying those words. I turned off the television, rebuked the words of those who said, “It does not look good for him” and I went on a serious prayer and fasting for days. I did not know what else to do. I asked my niece and mom to pray as well. I thanked God.

In that episode, it explains how a person’s body can be hacked including children and that it was intentional. It is specifically made to do harm to that person only. It could have appeared in a viral e-mail or when he became close to someone in school. Someone studied his genetics for deficiencies and then harness a genetic sequence onto a cold virus and blew it in his face or around him. This is a sophisticated murder weapon. I know that they even use children to do these evil tactics. Since I do not have children, they wanted to create loss so that I would stop my research. “Nothing makes the psyche more vindicated than loss. It’s primal. Jurisprudence is based on crime of passion. Through vengeance they believe that they can be made whole. Emotion is as good as any of them. You don’t take innocent lives.”

The governor asked, what kind of mind thinks this way? How stupid that is from a criminal standpoint? Someone who is in psychological pain. The “human subjects” or those who are targeted are being exposed to “bio-hacking” and “bio-hackers”. They have taken my DNA many times over by cutting my hair in the back while I was sleeping in the area where they were targeting, which became coarse and matted, my eyebrows were cut, the saved hair after I would trim my hair, the saved hair after my hairdresser would cut my hair is missing, as well as, nail clippings are missing. I knew I was being targeted with different things so that I would succumb, end up in a doctor’s office or hospital. After I started going to Barbara, my health practitioner, she noticed that the machine was pulling mold out of my...
body. I was not living in a moldy environment. Due to the toxic mold environment in the Federal Government buildings or the contractors’ buildings in Washington, DC, my body became compromised. Toxic mold was growing in my body due to inhalation & going through my pores. Who would know my health history to expose me to mycotoxins? I thank God for the gift of discernment. I would not go outside for days. When I would not go to them & play their “game”, then we would have “visitors”. They had a hidden agenda to target me. When I would see them coming close to me in a store, I would say “if you come close to me, I will scream”. I am so sensitive to electromagnetic radiation that I can feel when I open up e-mails, text messages, coming through the walls, or over the phone. Electromagnetic radiation can travel over the phone. Even the mail is contaminated. Aren’t these forms of “bio-hacking”? The show, “Scorpion” is archived on your cable network, as well as, at www.itunes.com/Scorpion.

- On NCIS New Orleans (11-11-2014) show, a microchip was embedded in a person’s stomach lining. The bio tracker is a spy tool; something that is put into a person and when that person is near an electronic signal like a computer or a phone the bio tracker steals that signal. The phone calls are tapped and the e-mails are hijacked. It is like swallowing a recording device. It usually pass through the system within days. The show also confirmed my suggestion that the autopsy should include looking for any foreign objects in the body. Bob Boyce was dying from cancer, but it was discovered that he had a radio frequency identification (R.F.I.D.) chip in his body. Once it was removed, his cancer disappeared. In 2010, the prophet, Jeanne S. was paid $100,000 by the unscrupulous United States Federal Government employees stated that she has NEVER seen anyone with so many implants in one’s body. I saw the indentation of a very small microchip along the side of my wrist, but before I could show anyone the indentation of it; it was gone. I used a Stanley stud sensor from Wal-mart to determine where they are. I even examined my bowel movement and saw remnants of them and I can feel them in my body. The late Dr. Kaye Kilburn said that I was carrying a lot of water weight 15-20 pounds when I became exposed to toxic mold or chemicals. He stated that I should not be exposed to any toxic molds or chemicals.

Here’s the Proposed Schedule for the 3 Days and 3 Nights Fast, Forgive, Pray, & Take Action Event:
Fasting Can Start on 11/28, 11/29, or 11/30:

**Fasting:**
Start Fasting for 3 days & 3 nights beginning on November 28, 29, or 30. You can do a partial or full fast. Fasting means to give up food and turn to God. You can do a liquid fast or give up your favorite food. I like to do 10 lemons in 50.7 fluid oz. electrolyte water each day or drink Kedem Grape Juice. You can do no food or no liquids like the Esther did, which is another choice. A document about the benefits of Prayer & Fasting can be downloaded at www.ManifestTheTruth.com.

**Forgive:**
Thanksgiving Day, Nov. 27:
There is no fasting. From the 21st to the 27th of every month, we held International Repentance, Forgiveness, and Reconciliation Week. On the last day, it is called International Forgiveness Day. Let’s forgive ourselves and others and also teach your children, grandchildren, nieces, and nephews about forgiveness. If someone has unforgiveness in their heart, it can cause health problems. Unforgiveness may also lead to hatred and bullying. There is a blog and press release about the forgiveness process at www.ManifestTheTruth.com. If you are a believer, you should thank God every day.

**Pray:**
Pray means to make supplication or petition to God. Prayer is a secret to a personal relationship with God. It is the direct communication to God. We have a mandatory request from all believers is to pray Prayer #1 The Believer’s Commitment Prayer @ www.ManifestTheTruth.com & pray it on the hour once and then read & do the 10 “secret” keys to develop a personal relationship with God & to become an anointed & powerful believer. You can pray the prayers posted at www.ManifestTheTruth.com or your own prayer.

There are 2 ways for the believers to be “on one accord”
- **Praying on the Hour:**
  Believers are requested to join the “Pray on the Hour” Campaign by praying on the hour.
- **The Power of Standing in Agreement:**
  We ask that the believers include the following prayer requests in their daily prayers if they are not praying one of our prayers: “Father, I stand in agreement with all Godly prayer requests prayed to you, today, & that the three crucial events; the Start of the International Spiritual Awakening & Revival, Laws are Ratified &
Reform Occurs for America not Keeping Her Promise to Liberate the Descendants of Slaves Forever as stated in the Emancipation Proclamation & Justice & Freedom for the “Secret” Lifetime, Generational Involuntary or Unwitting Human Subjects in America & International will occur in 2014 in Yeshua’s name. In Yeshua’s name, I surrender these 3 problems to You, Lord and I ask that You win them for us. I rebuke, bind, cancel, & destroy by fire all ungodly prayer requests now in Yeshua’s name.” Jesus/Yeshua said, “Again I say unto you, that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven. For where two or three are gathered together in my name, there am I in the midst of them.”

Power of Praying & Fasting
We should pray without ceasing. It is written, “…whatsoever you shall ask in prayer, believing, you shall receive.” Some mountains are more difficult as stated in Matthew 17:21, "but this kind does not go out except by prayer and fasting.”

Fasting – means going without food to spend time in prayer Some mountains are more difficult as stated in Matthew 17:21, "But this kind does not go out except by prayer and fasting.” By fasting, one shows discipline, humility before God, and faith.

You will humble yourself by prayer and fasting. It is written, “So we fasted and besought our God for this: and he was intreated of us” (Ezra 8:23). Daniel faithfully continued praying and fasting for 21 days while waiting for an answer from God. God’s messenger arrived 21 days later stating from the first day his words were heard by God, but the prince of the kingdom of Persia had detained him and Michael, one of the chief princes came to help him (Daniel 9 & 10). Satan may intervene in delaying your response from God, but you must have faith & no doubt. A document about the benefits of prayer & fasting is posted at www.ManifestTheTruth.com.

Taking Action:
You can take action by attending the daily calls, as well as, participating in other issues of the Heal Our Nations Movement.

Attend the Daily Calls:
We want to be on one accord. The International community can join us now. The International Worship, Praise, & Prayer Conference Call is a 1 hour call with a capacity of 1,000 callers. The International Worship, Praise, & Prayer Conference Call will start @ the following times: 9 a.m. EST, noon, 3 p.m. EST. The U.S. call-in number is (605) 562-3130, Access Code 104870#. If someone is sick or died have them listen to the show. If someone is sick or died have them listen to the show. Apostle Guillermo Maldonado of Florida said, “If you know someone who died, you should go and resurrect them.” That is what we want to start doing. God is a spirit. Diseases are spirits, which must be cast out and not prayed out.

Many people are dying prematurely or suddenly due to a lack of knowledge. He has resurrected people and is teaching others to do so. The Friday’s night Blog Talk Radio Show is a 2 hour worship, praise, and prayer show, which can be downloaded.

Look for your country’s conference number & then enter the Participant's Access Code: 104870

humor. For example, I received an act of kindness from a Caucasian woman who gave me a discount coupon at the hospital, morgue or funeral home. The archived shows can be downloaded at www.BlogTalkRadio.com/isam.

Short Version of My Testimony as a “Secret, Lifetime Generational Involuntary or Unwitting Human Subject”

I am a real, living, breathing, law abiding (except for traffic violations i.e. parking & speeding tickets) non-combatant woman. I was a pillar in the community with a reputable reputation. I am a Woman of God that has been classified as a lifetime, generational involuntary or “unwitting” human subject without my informed consent or knowledge. I meet the regulatory definition of a “human subject” in a “research and/or medical experiment” and I have the right to opt-out at any time without prejudice. My request to opt-out has been ignored since August 2013, as well as, for the involuntary or “unwitting” human subjects in America and International that I am representing. In addition, my request that NSA’s PRISM is terminated or suspected for violating the privacy of Americans as per America and International Laws were ignored. The National Leaders failed to release this information to all parties as per my request as stated in the August 2013 letter and to honor my revised remedies/reliefs as stated in the November 2013 Affidavit of Truth. I have no way of life. I am under 100% surveillance. I already had a compromised immune system caused by the toxic mold exposures at the U.S. Federal Government and the contractors’ buildings in Washington, DC. I would have never volunteered to be in any research especially one with gamma rays, electronics weapons, and microwave rays, which can penetrate through walls and even human bodies. Even though, I am a survivor of illegal internet, computer, & telephone interruptions/ surveillances, as well as, crimes committed against me including, but not limited to “white” slavery, civil, constitutional, & human rights violations, stalking, harassment, torture, persecution, poisonings, identity theft, cyber stalking, bullying, mobbing, cybercrime, intentional infliction of harm and theft of evidence in order to prevent criminal investigations, I was able to finalize my initial research, which I sent to offices of The President of the United States (U.S.), U.S. Secretary of State, N.J. Governor, and the N.J. Secretary of State (who refused to accept the package in August 2013 via courier). After receiving no response, even though I had confirmation that they received my package, I hand-delivered the rebuttal package to the local U.S. Attorney’s Office in Nov. 2013 who forwarded it to the F.B.I. They failed to release my information to all parties as instructed in the letter because cease or desist did not occur and there was no response to my demands to the revised remedies and reliefs for myself or for the involuntary or unwitting human subjects in America and International.

It has taken me years to uncover what has been going on with my life because I have never encounter anything like this. There has been a barrage of injustices, disinformation, hatred, and lies that I could not fight so I took it to my Father/Yahweh through my Lord and Savior, Jesus Christ/Yeshua. I did a lot of praying and fasting. It is only because of them that I am still alive. I forgive everyone, but I will not forget include giving a 5 year old innocent boy the swine flu, or causing my long hair to fall out in clumps, or causing me to go temporarily blind & then cover it by saying that the air from my Toyota Camry made it happened, even though a police was riding around with an oxygen tank in his vehicle. It was then that I realize that these people will go after anyone in my family including the youngest in our small family, an innocent child and do whatever they want to do because they can so that I do not do my calling. I asked God to remove any impurity or hatred in my heart as well on a daily basis. Even though 99.9% of the injustices against me were done by Caucasians, they wanted me to hate them. God has a sense of humor. For example, I received an act of kindness from a Caucasian woman who gave me a discount coupon at

Kohl’s because she saw that I was buying a lot of stuff. I do not have hate for anyone. I feel sorry for people who want to do this to people who are not bothering them. They would not want this to be done to their families. They have forgotten the Golden Rule: Do unto others as you would have them do to you. In addition, if I do not forgive others, then my Father in heaven will not forgive me and He would not answer my prayers. Since I was obedient and followed the Word of God including keeping His Sabbath from Friday night to Saturday night, God gave miracles, signs, and wonders to my family, other survivors, and me. They looked into my future so they know everything about me even about the handsome man who is calling into my life. They want to keep me isolated and alone while hoping that I would succumb to their daily persecutions and torturing so that they could continue their 70 year old “secret”.

In 2010, I discovered the truth of who was behind our daily persecutions by accident. I was slowly dying. I even had a dream about my funeral, which I never had before. A survivor told me to contact Jeannie S. who wanted to help Targeted Individuals (TIs). In Nov. 2010, Prophet Jeannie S. revealed that my former neighbors, family, and neighbors were “secretly” torturing me and my family due to the orders of unscrupulous U.S. Federal Government employees who were abusing their power. I asked her, “Why they were doing this to us?” She replied,“Because they can and who is going to stop them?” Something in my spirit told her to give them a message that “I was going to stop them with the help of Jesus”. She did not accept the $50,000 that they offered to her. On 10/10/10, I started the America’s Spiritual Awakening Show with our signature song “If My People” by Gospel Legend Fred Hammond & Radical for Christ, which I co-host with Rick C. Since he had the internet portion, we conducted the show on the weekend via Talkshoe. We took a break over the Thanksgiving and when I called Rick C. to resume the show he said that he was not going to do the show anymore. I knew that something was up. I called Jeannie S. and she told me that he received a lot of money. I told her, “It was $25,000.00”. She was surprised that I knew the exact amount. I called Rick C. back and told him that he is the reason why we are still in this program because of people like him. I never heard from him. I discontinued the show because I did not have internet connection. I was feeling better and I was able to deal with the witchcraft that was being sent to me because Jeannie told me that there were a lot of witches in my neighborhood. She even knew my loved ones who were protecting me in heaven. She even confirmed the names of family and neighbors who were helping them. I love family, but I did not expect any of them to betray me. She also told me that they are afraid of me because I will help a lot of people. I thought, “Why would these unscrupulous U.S. Federal Government employees be afraid of me? Who was I?” I usually do not have dreams of people I know, but when I do there is a reason. I woke up because I had a dream that Jeannie S. accepted $100,000.00. I had given her money and now she took money from them as well.” I felt betrayed. Taxpayer’s money should not be used for Nazism, Satanic, or evil propaganda. Obviously, they do not want the revival to occur in America nor for me to help a lot of people. I knew that this was going to be a journey like Joseph, but for how long?

Since Dec. 2010, I have filed reports, complaints with the FBI and the police, sent letters to the Nation’s Leaders. Their minds were made up to give my case to someone who was going on vacation, maternity leave or not even bother to investigate due to more important things. In some cases, they did not want to review or take the evidence for further analysis. I thought that hate crimes, attempted murder, stalking, domestic terrorism, and treason should be on their top list to investigate. This is where “white supremacy” comes into play. I was one of them like Edward Snowden. I learned a lot. When I drove to the Newark, NJ F.B.I. Headquarters in Dec. 2010, I was being “perped” when people were walking by me. Instead of the F.B.I. agent gathering and taking my evidence for my case, he wanted to “test” my intelligence by asking me an engineering question, which I did not fall for. How unprofessional? He saw the “pixels” in the video that he saw. To date, only the late Senator Lautenberg & his office has upheld the U.S. Constitution, which is the supreme law of the country (see Marbury v. Madison). These criminals have wreak havoc on every area of my entire life, money, credit, reputation, health, personal sense of security and safety, as well as, on my family, friends, & other survivors. I have experienced verbal abuse, physical abuse, emotional distress, and trauma. They have caused intentional infliction of harm on us. There have been no due process for the human subjects, which is a violation of the U.S. Constitution. All avenues to resolve this issue has been closed. There has been NO investigations due to protocol, lies, deception, active denial, no oversight, lack of accountability, bribery, blackmauls, intimidation, intimidation by force, abuse of power, sabotage, the laws
(outdated laws, unscrupulous researchers & people are taking advantage of the “loopholes” & laws not ratified to close the “loopholes” or to protect the safeguard of the “human subjects”) and the technology (telecommunications, toxic molds, chemicals, electronic weapons (that are used to kill, but has been placed in a less “blacker” category), advanced electronics/electrical technology, satellites, drones, electromagnetic radiation is invisible to the naked eye, Burst Bugs & Radio Frequency Identification (R.F.I.D.) chips/Soul Catcher/implants are “secretly” installed in the bodies that can change DNA or take over their bodies, without their knowledge). The technology exist, like in a Sci-Fi movie, except it is real.

Gospel Legends: Donnie McClurkin & Fred Hammond “Shifted the Atmosphere” during their Festival of Praise Tour
Since September 2014, Gospel legends Fred Hammond & Pastor Donnie McClurkin began “shifting the atmosphere” with their Festival of Praise Tour because they are worshiping and praising in various cities in the United States. As a result, they are populating God’s kingdom with new saints and depopulating the devils/demons. On 10/10/2010, God instructed me to start America’s Spiritual Awakening Show using a song called "If My People" by Fred Hammond & Radical for Christ, which is based on 2 Chronicles 7:14. The enemy thought by keeping me from talking to the gospel legends this event would not occur. We serve an AWESOME GOD! We want to shift the atmosphere even more so that the great International Spiritual Awakening & Revival will occur in full force. We want to reverse whatever ethnic tension, violence, angry, and hatred that is happening in America, especially in Ferguson, Michigan.

Problems with the Social Medias; Facebook and Twitter & Whose is Monitoring People on Facebook
I tweeted the reporter, Dianna, who did the story about the Carr’s family, but she did not contact me either. I read the newspaper article and I noticed that Tammi Carr had a Facebook page and I wanted to send her a personal message. I entered her name on Facebook (FB): Tammi Carr, but her name does not even appear. I did it several times and the same name appears in the search box results. I wanted to send her a personal message. Recently, I received a message in my FB account from a new person to FB. The message came from a male married friend or it looked like it did. The message read, “Since he’s new to Facebook, you should suggest people he knows.” This did not feel right in my stomach. I thought to myself, “How would FB know that I even knew this person?” I have not spoken to this person in over 10 years. Who really sent this message to me? Who has invaded his privacy? Who invaded my privacy? His account was not active. It was not a “friend request” because I could send him a friend request if I wanted to do so. This prove that someone did come into my bedroom & stole my phone book, because it was missing for a while and then it was returned. This is called gaslighting. Is FB monitoring people and collecting information for the U.S. Federal Government or a “secret organization”? Was he now a potential target? The next week, I received the same message from my best friend (BF) since the fourth grade & I knew that she did not do Facebook. Recently, I decided to visit my girlfriend one Sunday afternoon and she was home. I told her that I was sorry about a surprise visit, but she does not receives my phone calls or text messages until a day later. I also stayed away because I did not want her & her family to be targeted because they were connected to me. She had just finished cooking & she offered me some food & so I ate. After she fed me, we played catch up about the latest news in our families & about our old classmates. Then I proceeded to tell her about the FB issue. I told her when I saw her name in that message I thought that was odd because I knew that she did not do FB. I told my BF that I got this message from her on Facebook or it looked like it came from her & I knew that she did not do FB. It looked quite innocent, but I knew that something was up. I went to get my notebook to read her the exact message. The message read, “Since she’s new to Facebook, you should suggest people she knows.” My BF told me that the only reason why she signed up on FB was to get some recipes and that was the only way to get them was to sign-up on FB. I asked if she did a friend request to me and she told me NO. She even told me that she did not remember the password. Now my suspicions were correct not only did she not send me the message, but who did, was it the U.S. Federal Government or the “secret organization”? Now are other companies involved. Are they being compensated when people sign-up on FB? I did not reply to any either messages, because they looked odd to me, but did others do the same. Did others who knew her or him do the same? Who was collecting this information and who was using it? Were they going to be targeted as well? The plot thickens.
Now, I have not been able to get into my Twitter account on my Samsung phone for weeks now, but I am able to get into my FB account. I tried in various parts of the house, as well as, in New York, Pennsylvania, and New Jersey. I am receiving the same message, “Request Failed”, even with 3, 4, or 5 bars.

**Letitia’s Request to the “Unscrupulous” Federal Government Employees & Researchers/Key Study Personnel/Informants/Perpetrators**

I have asked time and time again that the truth should set you free. I had enough of this “craziness”. I pray that you will surrender, tell the whole truth, or complete the Affidavit Opt-Out Form by November 30th. This is your last chance for leniency! You have forgotten the Golden Rule: DO UNTO OTHERS AS YOU WOULD HAVE THEM DO TO YOU. You are to cease and desist ALL unconstitutional activities. There will be consequences for your actions, as well as, your inactions. We have the right to be left alone, according to the Supreme Court. I have been classified as an involuntary or “unwitting” “Human Subject” without my informed consent. A “Human Subject” is a man undergoing imprescriptible abuses or violations under color of law or de facto law, unlawful. I demand that the U.S. Federal Government, & its informants, contractors, & agents “CEASE & DESIST” your unconstitutional activities and violation of the color of law now to prevent me from reaching millions of people worldwide with exposing the truth to the media, the public, & National leaders. I submitted the November 2013 Affidavit of Truth, what is the status of your findings? FBI is the lead investigator. I demand that you honor my revised remedies/remedies as stated in the November 2013 Affidavit of Truth now. I am not your SLAVE; this is “white slavery”, which is a violation of the U.S. Constitution. You have tried to do EVERYTHING possible to make me look bad in the eyes of my family, friends, and associates. You have intruded in my life; past, present, and future. You have violated my human, civil, religious rights, as well as, U.S. and International Laws. Obviously, you have kept this from the FBI Director, Mr. James Comey. He stated on 60 Minutes recently that the “FBI cannot do electronic surveillance without a court order. We can’t read your emails or listen to your calls without going to a Federal judge for a probable cause because you are a terrorist, an agent of foreign power, or a criminal of some sort and get permission for a limited period of time to intercept those communications. It is an extremely burdensome process & I like it that way.”

Since you can see everything that I write due to the illegal implants in my eyes, and I detected them with the Stanley Stud Sensor and by the movement of my eyes when I video myself. I will file whatever crime that I have to in order to get attention because no one will be moving next door to torture us. If I have to call them a traitor, file a hate crime, or accessory to murder, I will do it and I dare any Federal Government employee, State employee, or City employee to change my report or use the technology to turn anyone that I talk to against me, because I was be attaching my Affidavit. Like my parent’s house, my sibling’s house, and the next door neighbor’s house & our vehicles, they are crime scenes. I felt the energy from the prospective new neighbors. I am tired of him and his wife harming us, as well as, the people across the street who are working on the house that a Russian man brought. He did something to harm me. If these people are illegal immigrants, they have not taken the oath to protect and defend our U.S. Constitution. If Israel can have 41 planes take 13,000 Ethiopians from Africa to Israel, then why can’t the U.S. do the same with these illegal immigrants?

Employers are held accountable for their employees. Who in FB receives only zero response, one, or two responses each & every time? Whenever I select everyone on my FB page to an event, the number is greatly reduce to the same 51 people who never responds or comes to the event. Are these the 51 FB people that are spying on me “secretly”? Lately, I had 100, 200 & up to 400 daily visitors at www.ManifestTheTruth.com, but there are only zero, one, or two people who are on the daily conference calls or the blog talk radio shows. I am not sending the information out to people who are on my email list, but only FB and those on my phone contact list. Who are they? The U.S. Federal Government, private industry, military, researchers and citizens who are referred to as perpetrators (perps for short), double agents, informants, and/or moles.

Edward Snowden had to leave the country to expose the unethical & unconstitutional NSA’s PRISM research; otherwise it would have been suppressed, no mass media coverage or no investigations “due to protocol”. I have been prevented from contacting anyone outside the United States. Are these the crimes that Snowden was alluding to? Embezzlement, rape, trumped up charges to send people to prison and even diagnose people with a mental illness when they did not have one so that you can commit them to a mental institution for the rest of their lives so that you can experiment on them.
They are going to be upset that their employees are intentionally committing crimes against law-abiding and non-combatant men for your own “game”. I am tired of playing this “game” because people have been killed like my cousin of 34 years old last year in New York City.

The NSA’s PRISM is still operating and it should be terminated or suspended for violating the U.S. Constitution, the Common Rule, and International Laws. I had no internet service at FedEx Office and I was inside the store. It read attwif 8 no internet service, limited with 5 bars. Everything on my laptop went blank. Someone had to be cyber stalking me. When I paid to use their computer, I could not send information to Congressman Forbes group, Congressional Prayer Caucus. I had to call blog talk radio and I am speaking to Ms. C. for the second time this week. I am experiencing the symptoms of electromagnetic radiation over the phone. Will the President of Blog Talk Radio be upset to learn that one of his customers is being tortured whenever she calls? He is responsible for his employees so if she is doing it an informant, then he can also be held accountable for his employees’ actions. I know that this does not happen on every phone line. My head starts to pulsate and my eyes and lips dry out. According to Microwave Expert, Dr. Barrie Trower, he states that microwave radiation likes moisture. My heart rate has increased. I can feel pain in my legs and hands. Now, I am feeling cold. These are similar symptoms to Ms. C. I did not get anyone permission to use my phone to cause injury to others. According to my message from Ms. C dated Sept. 17, 2014 at 7:02 p.m., “That is what your calls does to me, it makes my eyes and head begins to hurt, cramps my hands on phone, and strong vibration. I am going to say one last time to leave my family, friends, and associates alone including my future spouse.

Have you looked into the future of Pastor Donnie McClurkin, Apostle Guillermo Maldonado, Apostle Esther Agiri, Fred Hammond, and Apostle Renny McLean? Are they targeted as well like me? I know that Pastor Donnie McClurkin is targeted because I had to intercede for him; the latest the helicopter ride that he took while in Alaska. I was fighting for his life. On his birthday, the late Myron died in a helicopter cash.

I had enough of these vehicles exceeding the 25 mph speed limit in my neighborhood, in order to cause numerous computer, telephone, & internet interruptions with their equipment. President Obama called it what was happening in Syria with their intelligence agency, murders-for-hire. I had enough of the dark tinted windows using their equipment to change my documents making the font smaller or larger, freezing my computer, or harassing me day and night 24/7. You are preventing me from running a lucrative business and I had enough. I had enough of saving one version to have it revert to the previous version or delete it permanently. A revision that would normally take 2 hours, now takes me hours or days to complete. I had enough of you intentionally giving civilians electronics weapons like eye lasers to beam into my eyes to cause blurriness, dark circles around my eyes, pain & puffiness. I had enough of these civilians trying to cause an accident with me. I had enough of these R.F.I.D. chips in my body. I saw one that slipped out of place along my wrist (God is good.). How much weight do you want me to gain? I have never weighed an accident with me. I had enough of these R.F.I.D. chips in my body. I saw one that slipped out of place along my wrist (God is good.). ears as described in D.T. Stockton’s document, United States Terrorism and Repression Against Its Own People? You knew this day would come. I knew in 2010. It was like Joseph’s journey in the Holy Bible. I believe that Pastor McClurkin preached a sermon about Joseph and his journey. Your time is up. After all that was done to me and my love ones, I do not have hate; my heart is pure and God stills love you. Hurting people hurt other people. I love you as a person, but I dislike your sin. You have free will. Now I have one last question to ask you: Who will you serve Jesus/Yeshua or Satan? You can join the International Spiritual Awakening & Revival now. I had enough of this nonsense. You should confess and repent of your sins. This is what I hear in my spirit. It is written in Deuteronomy 33:27, “The eternal God is your refuge, and underneath are the everlasting arms; He will thrust out the enemy from before you, & will say, “Destroy” in Yeshua’s name. It is written in Exodus 23:22, “I will be an enemy to your enemies & an adversary to your adversaries” in Yeshua’s name. I loose the fear of God in the lives of everyone who has been involved in this evil, sadistic plan for the past 70 years in America & International in Yeshua’s name. In Yeshua’s name, the truth shall set your free. For the Galloway Township, NJ police officer who told me let’s see if you can figure this out. He said that he was retiring in seven years. Now, he should attend Sensitive Training. It took me less than 7 years. Since this was a game to you, checkmate! Hallelujah! It is finished in Yeshua’s name. Jesus/Yeshua is the same yesterday, today, and tomorrow. Amen

CONCLUSION:

The U.S. Federal Government is violating its own laws by using “loopholes” and the network of people from all walks of life to participate in their sinister plan. It was “the perfect crime”. Personally, I am tired of the technology oppressing me.

Sin affects all of us because we are connected spiritually. It does not matter if you are committing the sins or not. Everyone can do something. No matter how big or small. You can fast, forgive, pray, and/or take action. God is a spirit. Diseases are spirits. We must pull heaven down to earth. That is why we are using the Lord’s Prayer, because it is a prayer of change. The natural world is affected by the supernatural, invisible world. We must make changes in both realms.

We cannot afford to be silent any more. I am only obeying the Word of God. I pray that other church leaders who are involved in deliverance ministry will join us like Apostle Guillermo Maldonado, Apostle Renny McLean, & Apostle Esther Agiri.

The only way to reverse evil is with the Word of God. I am using the tools that God revealed to me to help to keep my current family, future family, friends, and associates alive, unbeknownst to them since 2009. I was disobedient & I lost EVERYTHING; car was stolen, health became severely compromised due to toxic mold exposure in Federal buildings, fired after 16 years of service as an electronics engineer (B.S.E.E.) for the U.S. Federal Government and I had to sell my townhouse in MD & move back to NJ to live with parents. I did not go through unspeakable pain, suffering, and torturing to stop now. I want my life back NOW. I lost 20 years of my life that I cannot get back based on decisions that I made. I felt responsible and I did everything possible. No one is going to tell me who they want me to marry. They do not own me. I am not their SLAVE. I want to have my belated birthday party and invite my family and friends. I want to go out on a date and eat no food that was sprayed by the waiter with radiation. I want to bring Edward Snowden home before 2014 ends. I was told that we would be a very powerful, anointed couple & that is the reason why they want to keep us apart. Who are they? This is 2014 and not 1814.

One Holocaust survivor said that they made one mistake; they never spoke up. It is time for people to speak up now and take action.

I look forward to hearing from you. Thank you for your support in advance. Please visit www.ManifestTheTruth.com for additional information. God bless America!

Agape,

Letitia Peters
