

Prophets' Urgent Call for the Body of Christ to Pray & Fast Starting on 3/3/2016: Kick-off on 3/2/2016 @ 5:00 pm EST

Prophess Letitia Peters (www.ManifestTheTruth.com) is calling the church (Jews & Gentiles) worldwide to unite urgently because people are dying due to lack of knowledge & not God's will. We need to call for justice & plead for truth (Isaiah 59:4). She said, "The church has become powerless & there is "witchcraft" in the church, which is breaking Jesus'/Yeshua's heart because many people in the pulpit have not been called. Let's stop breaking His heart. The church leaders have been telling people to pray only, but they are not experiencing any breakthrough in years. There is a supernatural alternative - prayer & fasting as stated in Matthew 17:14-21. Fasting will loose the bands of wickedness, let the oppressed go free, & break every yoke as stated in Isaiah 58.

Since Nov. 2010, I knew the truth that rogue U.S. Federal Government employees were abusing their power when Jeanne S. confirmed that my neighbors were harming us. I asked her why? Her response was, "**They are doing this to you & your family because they can. Who is going to stop them?**" She told me that they were afraid of me because I was going to help a lot of people after she refused their initial offer of \$50k, but later accepted \$100k. Rick C. received \$25,000 to no longer co-host the America's Spiritual Revival show, which began on 10/10/10. The last 6 years have been the worst; my then 5 yr. old nephew was given the swine flu, my father's myeloma, & Pastor Donnie McClurkin's diagnosis. Many people are being diagnosed with cancer, which is intentional. I can prove based on the recent study released in Dec. 2015 that cancer is avoidable if people were not exposed to radiation or toxic chemicals (<http://www.theguardian.com/science/2015/dec/17/cases-cancer-avoidable-environment-lifestyle-disease>). I interceded for Pastor Donnie McClurkin last year & I woke up with swollen lips & blisters because the enemy was angry that he lived. Unfortunately, his sister Cheryl passed away on 3/3/15. Pastor Donnie like myself is targeted. They will target anyone who is close or associated with us; now our friend Keisha passed away today & I have been interceding that God resurrect her."

I couldn't submit my response to O.H.R.P., my Opt-Out form & 2 Affidavits (<http://www.manifestthetruth.com/affidavits-sent-to-the-us-aug--nov-2013.html>), which were submitted on your behalf to the US nation's leaders without Edward Snowden exposing the truth about NSA's PRISM, which is not the only research violating our rights & should be terminated or suspended. Since Nov. 2013, they defaulted & ignored my requests to cease & desist. The U.S. & International laws states that we can "opt-out of ANY research at any time without prejudice." They are ignoring my requests to opt-out, investigate, or arrest any of the perps. They include neighbors, family, saints, police & doctors. I have been redlined. My evidence have been stolen, modified, & the rogue police have failed to investigate any of my crimes committed by my neighbors or at restaurants by filing police events & not police reports. The rogue Feds can't hide under national security, when they gave classified files for the movie Zero Dark Thirty. The Federal Gov't was created to protect & defend our inalienable rights which are being violated & to prosecute 3 crimes only, which includes offenses against the Law of Nations. Visit www.uglyjudge.com about exposing ugly judges, lawyers, police, & gov't. I am asking the Body of Christ to join me because God want me to go to His people to help me to spread the word to their church/synagogue leaders, on social media, to their nation's leaders, & media."

Some devils cannot be cast out except by prayer & fasting to cast out devils & no doubt (Matthew 17:14-21). We have to rebuke, bind, & cast out devils (sickness, disease, & death). We want the B.O.C.S.A. to commit/recommit their lives to God & forgive themselves & forgiving others. You can start to pray & fast starting on March 3 for 1, 2 or 3 days & nights.

Informants, police, Feds/State/County/City employees, neighbors, friends, journalists, family members, doctors, businesses, etc. have until 3/3/2016 @ 3:00 p.m. EST to tell the truth, surrender to the Feds/police or complete the Opt-Out form for leniency at <http://www.manifestthetruth.com/affidavit-for-researchersinformantsperps-form.html>. Police & doctors are wrongfully committing people to mental institutions in order to diagnose them with a mental illness; a tactic used by the Feds since 1950's to discredit anyone who knows the truth about the unethical human research projects. You can listen to an example of Voice to Skull (V2K), which is the result of technology & not a mental illness as stated by Dr. Barrie Trower: Call 605-477-2199, Access Code: 681588#, Reference No. 3#. Google: Bob Boyce Verichip, Elmer Allen Plutonium Files, Janice L. Jennings implant, & Dr. Barrie Trower interview. Psychiatric Disorders ARE NOT medical diseases. There are no lab tests, brain scans, X-rays or chemical imbalance tests that can verify any mental disorder ... psychiatry has repackaged these emotions & behaviors as "disease" in order to sell drugs. This is a brilliant marketing campaign, but it is not science (www.cchr.org). Our bodies are made in the image of God & should not be used as research projects without our informed consent. This is a desecration against God. Ms. Peters states, "Despite years of torture, persecution, illegal surveillances & obstruction of justice which is a felony; they can be charged with R.I.C.O. Act, human, civil, & constitution rights violations. I can prove beyond a reasonable doubt that we are undergoing abuses or violations under color of law. Crimes have occurred because we are the injured party (Corpus Delicti). Experimenting on people without their informed consent is recognized as a Law of Nations violation & is a violation of the 4th, 5th, & 8th Amendments to the U.S. Constitution. Sicknesses, diseases, premature aging, obesity, & deaths are occurring due to radiation, toxic molds, & chemicals & to the secret implantation of Radio Frequency Identification (R.F.I.D.) chip/implant/Burst Bug/Soul Catcher that can change people's DNA (<https://www.facebook.com/debbie.newhook.7/videos/vb.1192768260/1996308826030/?type=2&theater>).
