

STOP ORGANISED STALKING - ANOTHER TERRIBLE FORM OF TORTURE AND DEGRADATION - URGENT PLEASE SEND THIS AROUND EVERYWHERE

IN COUNTRIES ALL OVER THE WORLD. PEOPLE ARE BEING GANG STALKED (STALKING BY ORGANIZED GANGS OF PEOPLE) AND COVERTLY TARGETED WITH ELECTRONIC AND SURVEILLANCE WEAPONS:-

What is it?

Gang Stalking is a well-organized, occult form of covert harassment used against an individual. It is done by large groups of people who systematically & repeatedly harass individuals. The people who participate are usually under the impression that they need to keep an eye on a targeted person or drive them out of town for wrongdoings. It often encompasses the use of Directed Energy Weapons (DEW) such as Microwave harassment. This can be a for-hire organized harassment service. These groups operate throughout the world – especially North America & Europe, & exhibit cult-like characteristics. They usually have local numbers ranging in the hundreds. This has also been called Cause Stalking, Gang Stalking, Community-based Harassment, Organized Vigilante Stalking, Vengeance Stalking, Terrorist Stalking, Revenge Stalking, Covert Action, State-Sponsored Harassment, Microwave Harassment, Microwave Mind-Control.

Gang Vigilante Stalking is an occult form of terrorism/mind-control used against an individual, in a malicious attempt to reduce the quality of a person's life so they will have a nervous breakdown, become incarcerated/institutionalized, experience constant mental, emotional or physical pain, become homeless, &/or commit suicide. It is done using well-orchestrated accusations, lies, rumors, bogus investigations, setups, framings, intimidation, overt or covert threats, vandalism, thefts, sabotage, torture, humiliation, emotional terror, DEWs, & general harassment. It is a ganging up by members of the community who follow an organizer & participate in a systematic, & ritualistic persecution of an individual. Organized Stalking is a destructive criminal program built on deception that exists to serve the intentions of a few who are aware of its true agenda.

Gang Stalking (also called "group stalking" "organised stalking") is a total assault paradigm. It is carried out by criminal secret societies. The OS paradigm includes (but is not limited to):

- many of the attacks are synchronized to happen precisely as the target does something, e.g. leave his/her residence, goes to the shops etc.
- "street theater": staged skits designed to frighten and upset the target
- the same harassment happens every day, day after day, year after year
- a large group of stalkers, each of whom does a portion of the stalking-attacks
- 24 hour surveillance, every day. Among other things, the stalkers, working in shifts, sit in their vehicles parked around the target's residence.
- "slander campaign": the foundation of OS. The stalkers go to everyone the target interacts with (family members, coworkers, neighbors, etc) and spread lies: that the target is a

homosexual or a criminal of some type. This is an effective tactic because most people can't even imagine that a stranger would lie to them.

- the stalkers present themselves as members of a "civic organization" which works with law enforcement and monitors terrorists or other criminals. The stalkers may use fake badges or fake "official files" to convince people that the target is a criminal.
- "noise campaign": very frequent sounds (sirens, car alarms, beeping sounds, loud engine accelerations, loud booming sounds [from vehicles], etc) which follow the target everywhere.
- the stalkers target homosexuals (or people thought to be), members of "left-wing" (e.g. peace, civil rights, environmental) organizations, whistleblowers, people who live "alternative lifestyles", and anyone else the stalkers see as not conforming with their version of "normality."
- persistence: the stalkers follow the target as he/she moves to other cities or states.
- the stalkers use lies, money, and intimidation to get nongroup members to attack the target.
- the stalkers commit crimes and blame them on the target
- targets are harassed while driving, and vehicles are sabotaged - pets are killed - physical assault
- derogatory name calling - mail is stolen or damaged - harassing emails and phone calls
- residences and vehicles are vandalized - law enforcement and firefighter participation

Some Important Points:

- The primary targets of all these tactics are the group members, not the target. The group members are the ones who are programmed. **Group leaders define reality for their members, so it doesn't matter if tactics do not work on a target.**
- **Group members are sensitized to all the tactics they employ.**
- **Stalking various targets is only part of the activity of these groups. Members are trained to perform a variety of activities *without question*. They do not know the objectives of their leaders.**

Those targeted for harassment will have no problem concluding that someone is after them, but *most never know who it is*.

What other tactics are used?

Face-to-face tactics:

- Following a target on foot wherever he goes
- Standing around a target while he is paying for a purchase in a store.
- Swarming the target – i.e. totally surrounding a target so he cannot move.
- Physically intimidating a target by standing very close -
- When a target sits anywhere in public, group members will attempt to sit behind him in order to create noise, by whatever means, including tapping their feet on the target's chair.
- Walking by a target and doing strange things to attract his attention, such as:
 - Blinking their eyes - Reading the time from an imaginary watch on their wrist - Making faces

Noise Campaigns:

- Generating noise around the clock.
- Interfering with sleep patterns (i.e. through excessive noise). Trying to wake up the target at night as many times as they can.
- Noise campaigns include:
 - People yelling and screaming outside the person's residence.
 - Numerous different vehicles, squealing their tires, honking their horns and hanging around a certain area.
- Apartment noise campaigns will include:
 - Tapping on the walls in the middle of the night - Taps running - Hammering
 - Noises coming from the upper and/or lower apartments, and possibly the apartments on both sides
- Ideally, noises are *timed to activities of the target*, such as:
 - When a target goes outside - When a target flushes the toilet
 - When a target turns on a water faucet - When a target walks near a window.

Vehicle-related tactics:

- Numerous different vehicles hanging around a certain area.
- Traveling in convoys with highbeams on - Drivers in convoys waving at one another.
- Attempting to intercept the target's vehicle at intersections.
- Trying to force the target's vehicle off the road.

- Vandalizing the target's vehicle, including:
 - Slashing tires - Scratching paint - Stealing license plates
 - Draining the oil or antifreeze over a period of time in the hopes of destroying the engine.
 - They do not usually cut brake lines or commit other acts of sabotage which would leave evidence.

11. I have been relentlessly subjected to Gang Stalking/Mobbing. This consists of an intense and highly organized persecution of an individual with the purpose of harass her/him constantly and boycott all the activities, professional and of leisure that the person develops, in order to isolate to take control of the victims life, manipulate the victims mind and ultimately conduct him/her to a helpless situation. This conduct carried out by a group of apparently "normal" citizens is a barbaric form of torture. People are purposely engaged to aggravate me, and to impede and violate my physical and psychological spaces, privacy and freedom. This is extremely psychologically and physically oppressive and suffocating. This happens everywhere I go, anytime, no matter what I do. My whole neighbourhood has been infiltrated. Often these people are neurologically controlled like 'neuro-puppets' to maximise the aggravation through the linking of their actions and movements to mine. Other times they are misguided and/or misinformed 'Jones-Town' type idiots/victims. This is being done to me everywhere I go – including in Russia and Turkey.

'Gang Stalking - GS' (from 2004 – relentlessly since 2008)

THE PSYCHOLOGICAL TOLL OF THIS HUMAN RIGHTS VIOLATION IS ALSO HUGE. IMAGINE BEING UNDER CONSTANT SURVEILLANCE AND TORTURED WHEREVER YOU GO. SABOTAGE OF REPUTATION AND BELONGINGS AT HOME, WORK AND AUTOMOBILE WHILE A TARGETED PERSON IS AWAY. FAMILY LIFE IS DESTROYED. WORK PERFORMANCE IS AFFECTED. JOBS AND LIVELIHOOD ARE LOST. SOME HAVE COMMITTED SUICIDE.

WHENEVER THESE CRIMES ARE REPORTED TO LOCAL OR FEDERAL POLICE, THE VICTIM IS LABELED MENTALLY ILL. THEREFORE, THE PERPETRATORS CONTINUE FREELY WITH THEIR TORTURE CAMPAIGN ON MANY, MANY OTHERS.

Dear Member of the Legislature and Friends:

This letter is to ask for your help for the many constituents in our country who are being affected unjustly by electronic weapons torture and covert harassment groups. Serious privacy rights violations and physical injuries have been caused by the activities of these groups and their use of so-called non-lethal weapons on men, women, and even children.

I am asking you to play a role in helping these victims and also stopping the massive movement in the use of Verichip and RFID technologies in tracking Americans.”

Sincerely,

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their “infinite?” richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies - the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us!! Both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, and the subsequent and consequent degradation and destruction of previously autonomous cultures, professions, fields of human endeavour, memories, and intelligences.

WE ARE BEING FORCED, COOPTED AND TRICKED INTO AN ORWELLIAN FASCIST/NAZI POLICE STATE – EVERYWHERE ON EARTH! - as most ‘News’, ‘Events’ and ‘History’ has been degraded into criminally produced and managed dramas/atrocities (i.e. wars, disasters, civil strife etc.) and criminally presented as infotainment, endogenous socio-political changes, propaganda, and/or criminal lies. And as almost all other public discourses including the ‘scientific’, ‘academic’, and ‘arts/culture’ has been degraded into criminally produced and managed infotainment, propaganda, pseudo-science, and/or specious, tendentious or folkloric productions and discourses.

BEWARE OF THE PSEUDO-SCIENCE NAZIS - THE ENEMIES OF FREE AND OPEN INFORMATION AND DEBATE, ACCOUNTABILITY, REVIEW AND REGULATION.

NOT TO MENTION THE NUTCASES PURSUING SUCH FRANKENSTEIN-SCIENCES AS THE TRANSGENIC, AND THE “BLENDING” OF THE TECHNOLOGICAL AND BIOLOGICAL– EVEN AS RECORD BIODIVERSITY AND CULTURAL DIVERSITY DESTRUCTION IS DONE.

**PLEASE WITNESS AND RECORD AND
OPPOSE ALL OF THE ABOVE CRIMES, AND
ASSIST US URGENTLY!!**
