

The Jewish Feasts are not “For Jews Only”; Call Them “The Feasts of the LORD” as Stated in Holy Bible & Tanakh

### ***Why The 43,000 Christian Denominations Worldwide Should Be Celebrating The Feasts of The LORD?***

As believers/saints, we are called to obey the commandments and statutes. Why is the church, the 43,000 Christian Denominations worldwide not celebrating the 3 Feasts of the LORD for the Fall Season? As stated in 2 Timothy 3:16-17, “All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works.”

Please read Leviticus 23. Are the words “Jewish Feasts” in Leviticus 23? The answer is more than likely no, but for years, media, Jews, & other believers/saints have continued to refer to these feasts as the “Jewish Feasts”. Leviticus 23:4 states, “These are the feasts of the LORD, even holy convocations, which ye shall proclaim in their seasons.” The Jews & many of the 43,000 Christian denominations observe Pentecost, which is a feast of the LORD. If the believers/saints who are Gentiles observe Pentecost, then why aren’t they observing these 3 Feasts of the LORD?

The church, both the Jews & Gentiles are not doing what they are called to do. As a result, many people are dying due to a lack of knowledge and not because it is the will of God. They are doing things out of tradition instead of obeying the Word of God. For example, many Jews do not believe in Yeshua (Acts 21:20). As apostasy continues to grow rampantly in the church; there continues to be separation in the church among both the Jews and Gentiles. Let’s see if we can change the way that people think and start obeying the Word of God now before this season ends on October 5th.

### **The Sabbath is a Feast of the LORD; Holy Convocation Should Occur on Saturday & not Sunday**

The Sabbath is considered one of the feasts of the LORD, & it was not changed by the LORD. Here are three scriptures that confirmed this: Leviticus 23:1, Mark 2:27-28, & Hebrew 4:3-11. The Sabbath should be celebrated by all believers/saints from Friday sundown to Saturday sundown. Leviticus 23:3 states, “Six days shall work be done: but the seventh day is the sabbath of rest, an holy convocation; ye shall do no work therein: it is the sabbath of the LORD in all your dwellings.” We are commanded in the Fourth Commandment of the Ten Commandments to “Remember the Sabbath Day to keep it holy”. In every language, the Sabbath means Saturday.

“The Catholic Church even boasts that, by its own authority, it changed the Sabbath to Sunday. In Daniel 7:25 a prophecy is given that the little horn, which represents the end time false church, will want to change times and laws. Given the evidence above, we are lead to the conclusion that the breaking of God's law, especially His seventh-day Sabbath rest, is the mark of the Beast”. (Source: <http://www.biblestudy.org/prophecy/what-is-the-mark-of-the-beast.html>).

Many of the 43,000 Christian denominations worship on Sunday, which is not biblical. They should change to Saturday.

### **The 3 Feasts of the LORD for the Fall Season**

These are the “Solemn Appointed Times with God” in September/October 2015. The 3 feasts of the LORD for the Fall Season are the Feasts of Trumpets also called Rosh HaShanah, Day of Atonement also called Yom Kippur, and the Feast of the Tabernacles. The dates for these 3 LORD’s Feasts are based on God’s calendar, the Hebrew calendar, which is different from the calendar that is used every day, the Gregorian calendar ([http://antipas.net/heb\\_cal\\_2015-16.htm](http://antipas.net/heb_cal_2015-16.htm)). The seventh month is called Tishri in the year of 5776 on the Hebrew calendar, which corresponds with the month of September on the Gregorian calendar.

### **The Feast of The Trumpets (Rosh HaShanah)**

According to scripture, Leviticus 23:23-25 states, “And the LORD spake unto Moses, saying, “Speak unto the children of Israel, saying, In the seventh month, in the first day of the month, shall ye have a sabbath, a memorial of blowing of trumpets, an holy convocation. Ye shall do no servile work therein: but ye shall offer an offering made by fire unto the LORD.”

**The Date for The Feast of Trumpets (Rosh HaShanah):** The first day of the month on the Hebrew calendar corresponds with Monday, September 14 on the Gregorian calendar. Since the holidays starts the day before at sundown on the Gregorian calendar, therefore the Feast of Trumpets should be observed from Sunday, September 13, 2015 at sundown to Monday, September 14, 2015 at sundown.

### **How is The Feast of Trumpets Observed?**

The Feast of Trumpets is celebrated by blowing trumpets (shofar) 100 times to announce the setting up of The LORD’s eternal court. You can sound the shofar at <http://www.manifestthetruth.com/blow-the-shofar-and-play-gospel-songs.html>.

Typically, a blessing will be said over two loaves of bread, known as challah. Challah also stands for the circle of life, and the hope that our lives endure without end. Apples dipped in honey are another Rosh HaShanah tradition. It symbolizes the hope for a "sweet year" ahead. Honey is spread on challah. Tzimmes, a mixture made from carrots, cinnamon, yams, prunes, and honey, is also traditional.

In the article, *The Feast of Trumpets in the New Testament* by Samuele Bacchiocchi, Ph. D., Andrews University at [https://www.biblicalpherspectives.com/books/festivals\\_2/3.html](https://www.biblicalpherspectives.com/books/festivals_2/3.html) states, "The Feast of Trumpets in the Old and New Testaments reveals that God is not in the business to punish but to save. He uses attention-catching methods to warn and lead His people to repentance before executing His judgments. By means of the annual trumpets blasting, He summoned His people in Old Testament times to repent and amend their lives in view of the judgment going on in heaven. The same clarion call is sounded today to mankind by the flying angel of Revelation, who proclaims with a loud voice, "Fear God and give him glory, for the hour of his judgment has come" (Rev 14:7).

Christians today, like God's people in ancient times, need to hear the annual trumpet-call of the Feast of Trumpets to stand trial before God and seek for His cleansing grace. After all, Christians too need to be reminded periodically that "we must all appear before the judgment seat of Christ, so that each one may receive good or evil, according to what he has done in the body" (2 Cor 5:10). The Feast of Trumpets provides a much needed annual wake up call to prepare oneself to stand before God's judgment by repenting and forsaking sinful ways.

The Feast of Trumpets reminds us annually that the heavenly court will soon close the books and Christ will come to cleanse the faithful, to punish the wicked, and to bind Satan (Azazel) before destroying him "in the lake of fire" (Rev 20:10). This reassuring message inspires us to live godly lives with joy, confidence, and hope while "awaiting our blessed hope, the appearing of the glory of our great God and Savior Jesus Christ" (Titus 2:13)."

### **The Ten Days of Repentance/Teshuvah**

The ten days between Rosh Hashanah and Yom Kippur are days of repentance, when Jews and now believers/saints can express remorse for their sins through prayer and fasting. In the article "What is Yom Kippur?" states, "The ten days leading up to Yom Kippur are known as the Ten Days of Repentance/Teshuvah. During this period Jews are encouraged to seek out anyone they may have offended and to sincerely request forgiveness so that the New Year can begin with a clean slate. If the first request for forgiveness is rebuffed, one should ask for forgiveness at least two more times, at which point the person whose forgiveness is being sought should grant the request. The rabbis thought it was cruel for anyone to withhold their forgiveness for offenses that had not caused irrevocable damage.

This process of repentance is called *teshuvah* and it is a crucial part of Yom Kippur. Teshuvah literally means "return" and is the word used to describe the concept of repentance in Judaism. Although many people think that transgressions from the previous year are forgiven through prayer, fasting and participation in Yom Kippur services, Jewish tradition teaches that only offenses committed against God can be forgiven on Yom Kippur. Hence it is important that people make an effort to reconcile with others before participating in Yom Kippur services."

In the article, "What is Teshuvah?" states, at <http://judaism.about.com/od/judaismbasics/g/teshuvah.htm>, "If a specific person has been wronged the offender must ask that person for forgiveness. The final stage of teshuvah is resolving to never commit such a sin again. According to Jewish tradition, by the third request the person who was wronged is required to grant forgiveness if the offender is sincerely remorseful and is taking steps to prevent similar wrongs from happening again. Because teshuvah requires the sinner to ask forgiveness of the person they have offended it has been argued that a murderer cannot be forgiven for his or her crime. In order to do so they would have to ask the person they killed for forgiveness. There are two other offenses that come close to being unpardonable: defrauding the public and ruining a person's good name. In both cases it is nearly impossible to track down every person who was affected by the offense, for instance, every person affected by a monetary crime or every person who heard a rumor."

In the article, "The Feasts of the Trumpets in the New Testament" states, "Just as in the typical Levitical system the trumpets were blown during the ten days preceding the Day of Atonement to call the people to repent and stand trial before the heavenly court, so in the antitypical service an angel calls with "a loud voice" upon mankind to repent and worship God because "the hour of his judgment has come" (Rev 14:7)."

The believers/saints should worship, praise, and pray to God. In addition, the believers/saints should confess & repent of their sins, forgive others, and fast. An excellent e-book called *The Power of Fasting and Prayer: Practical Principles of Prayer and Fasting for Today* by Bennie Mostert and Peet Grobbelaar & a 1 page reference called, "Using the Holy Bible to Teach Repentance and Forgiveness" can be downloaded at <http://www.manifestthetruth.com/prayer-and-fasting.html>.

**The Dates for the Ten Days of Repentance/Teshuvah:** Begins on Monday, September 14, 2015 at sundown and ends at sundown on Tuesday, September 22, 2015.

### **A Day of Atonement (Yom Kippur):**

A Day of Atonement also called Yom Kippur is the holiest day on the Hebrew Calendar and it is the second feast of the LORD for the Fall Season. Leviticus 23:26-32 states, "And the LORD spake unto Moses, saying, Also on the tenth day of this seventh month there shall be a day of atonement: it shall be an holy convocation unto you; and ye shall afflict your souls, and offer an offering made by fire unto the LORD. And ye shall do no work in that same day: for it is a day of atonement, to make an atonement for you before the LORD your God. For whatsoever soul it be that shall not be afflicted in that same day, he shall be cut off from among his people. And whatsoever soul it be that doeth any work in that same day, the same soul will I destroy from among his people. Ye shall do no manner of work: it shall be a statute for ever throughout your generations in all your dwellings. It shall be unto you a sabbath of rest, and ye shall afflict your souls: in the ninth day of the month at even, from even unto even, shall ye celebrate your sabbath."

**The Date for a Day of Atonement (Yom Kippur):** The tenth day of the month on the Hebrew calendar corresponds with Wednesday, September 23 on the Gregorian calendar. Since the holidays starts the day before at sundown, therefore, a Day of Atonement (Yom Kippur) should be observed from Tuesday, September 22, 2015 at sundown to sundown on Wednesday, September 23, 2015.

**How is a Day of Atonement (Yom Kippur) Observed?** Yom Kippur is the final Day of Judgment, when each person's fate is sealed by God for the upcoming year. It is observed as a day of repentance, self-denial, charitable works, prayer and fasting. **Leviticus 23:27 describes it as "afflicting your souls" and during this time no food or liquid may be consumed. Yom Kippur is a complete Sabbath. No work is done on this day.** The book of Jonah is read on Yom Kippur in remembrance of God's forgiveness and mercy.

Jewish tradition tells how God opens the Book of Life and studies the words, actions, and thoughts of every person whose name he has written there. If a person's good deeds outweigh or outnumber their sinful acts, his or her name will remain inscribed in the book for another year. On Yom Kippur, the ram's horn (shofar) is blown at the end of evening prayer services. If one has observed the holiday properly by the end of Yom Kippur they will have made peace with others and with God.

In the article, "What is Yom Kippur?" at <http://christianity.about.com/od/biblefeastsandholidays/p/dayofatonement.htm> states, "There are three essential components of Yom Kippur:

1. Teshuvah (Repentance)
2. Prayer
3. Fasting

### **Teshuvah (Repentance)**

Yom Kippur is a day of reconciliation, when Jews strive to make amends with people and to draw closer to God through prayer and fasting. The ten days leading up to Yom Kippur are known as the Ten Days of Repentance. During this period Jews are encouraged to seek out anyone they may have offended and to sincerely request forgiveness so that the New Year can begin with a clean slate. If the first request for forgiveness is rebuffed, one should ask for forgiveness at least two more times, at which point the person whose forgiveness is being sought should grant the request. The rabbis thought it was cruel for anyone to withhold their forgiveness for offenses that had not caused irrevocable damage.

This process of repentance is called *teshuvah* and it is a crucial part of Yom Kippur. Although many people think that transgressions from the previous year are forgiven through prayer, fasting and participation in Yom Kippur services, Jewish tradition teaches that only offenses committed against God can be forgiven on Yom Kippur. Hence it is important that people make an effort to reconcile with others before participating in Yom Kippur services.

### **Prayer**

Yom Kippur is the longest synagogue service in the Jewish year. It begins on the evening before Yom Kippur day with a haunting song called Kol Nidre (All Vows). The words of this melody ask God to forgive any vows people have made to God and not kept.

The service on the day of Yom Kippur lasts from morning until nightfall. Many prayers are said but one is repeated at intervals throughout the service. This prayer is called Al Khet & asks for forgiveness for a variety of sins that may have been committed during the year. The Jewish concept of sin is not like the Christian concept of original sin. Rather, it's the kind of everyday offenses like hurting those we love, lying to ourselves or using foul language that Judaism views as sinful. You can clearly see examples of these infractions in the Yom Kippur liturgy, for instance in this excerpt from Al Khet:

For the sin that we have committed under stress or through choice;  
For the sin that we have committed in stubbornness or in error;  
For the sin that we have committed in the evil meditations of the heart;  
For the sin that we have committed by word of mouth;  
For the sin that we have committed through abuse of power;  
For the sin that we have committed by exploitation of neighbors;  
For all these sins, O God of forgiveness, bear with us, pardon us, forgive us!

When Al Khet is recited people gently beat their fists against their chests as each sin is mentioned. Sins are mentioned in plural form because even if someone hasn't committed a particular sin, Jewish tradition teaches that every Jew bears a measure of responsibility for the actions of other Jews.

During the afternoon portion of the Yom Kippur service the Book of Jonah is read to remind people of God's willingness to forgive those who are sincerely sorry. The last part of the service is called Ne'ilah (Shutting). The name comes from the imagery of Ne'ilah prayers, which talk about gates being shut against us. People pray intensely during this time, hoping to be admitted to God's presence before the gates have been shut.

### **Fasting**

Yom Kippur is also marked by 25 hours of fasting. There are other fast days in the Jewish calendar or Gregorian calendar, but this is the only one the Torah or Holy Bible specifically commands us to observe. Leviticus 23:27 describes it as "afflicting your souls" and during this time no food or liquid may be consumed.

The fast starts an hour before Yom Kippur begins and ends after nightfall on the day of Yom Kippur. In addition to food, Jews are also forbidden from engaging in sexual relations, bathing or wearing leather shoes. The prohibition against wearing leather comes from a reluctance to wear the skin of a slaughtered animal while asking God for mercy.

### **Who Fasts on Yom Kippur?**

Children under the age of nine are not allowed to fast, while children older than nine are encouraged to eat less. Girls who are 12 years or older and boys who are 13 years or older are required to participate in the full 25-hour fast along with adults. However, pregnant women, women who have recently given birth and anyone suffering from a life-threatening illness are not required to observe the fast. These people need food and drink to keep up their strength and Judaism always values life above the observance of Jewish law.

Many people end the fast with a feeling of deep serenity, which comes from having made peace with others & with God."

### **The Feast of Tabernacles (Sukkot):**

The Feast of Tabernacles (Sukkot) is the third & final Feast of the LORD for the Fall Season. Leviticus 23:33-44 states, "And the LORD spake unto Moses, saying, "Speak unto the children of Israel, saying, The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto the LORD. On the first day shall be an holy convocation: ye shall do no servile work therein. Seven days ye shall offer an offering made by fire unto the LORD: on the eighth day shall be an holy convocation unto you; and ye shall offer an offering made by fire unto the LORD: it is a solemn assembly; and ye shall do no servile work therein. These are the feasts of the LORD, which ye shall proclaim to be holy convocations, to offer an offering made by fire unto the LORD, a burnt offering, and a meat offering, a sacrifice, and drink offerings, every thing upon his day: Beside the sabbaths of the LORD, and beside your gifts, and beside all your vows, and beside all your freewill offerings, which ye give unto the LORD. Also in the fifteenth day of the seventh month, when ye have gathered in the fruit of the land, ye shall keep a feast unto the LORD seven days: on the first day shall be a sabbath, and on the eighth day shall be a sabbath. And ye shall take you on the first day the boughs of goodly trees, branches of palm trees, and the boughs of thick trees, and willows of the brook; and ye shall rejoice before the LORD your God seven days. And ye shall keep it a feast unto the LORD seven days in the year. It shall be a statute for ever in your generations: ye shall celebrate it in the seventh month. Ye shall dwell in booths seven days; all that are Israelites born shall dwell in booths: That your

generations may know that I made the children of Israel to dwell in booths, when I brought them out of the land of Egypt: I am the LORD your God. And Moses declared unto the children of Israel the feasts of the LORD.”

**The Dates for The Feast of Tabernacles (Sukkot):** The 15<sup>th</sup> day of the month on the Hebrew Calendar corresponds with September 28<sup>th</sup> on the Gregorian calendar. Since the holiday starts on sundown the day before, therefore the Feast of Tabernacles will begin on September 27<sup>th</sup> at sundown for 7 days & the seventh day ends at sundown on October 4<sup>th</sup>. The eighth day begins at sundown on October 4<sup>th</sup> and ends on sundown at October 5<sup>th</sup>.

### **How is the Feast of Tabernacles (Sukkot) Observed?**

This was the first day the glory of The LORD showed Himself in the tent of meeting. The Hebrew word Sukkot means hut, or booth, or tent. Yeshua was born on the Feast of Tabernacles. Tabernacles is the, true birthday of Jesus, Sept 23<sup>rd</sup>, Feast of Sukkot. And the Word was made flesh, and tabernacled among us, when God took on Himself a tabernacle of flesh, Emmanuel, God with us, The Word became flesh and dwelt among us (John 1:14). Many believers/saints travel to Jerusalem to celebrate the Feast of Tabernacles. The article, “What is the Feast of Tabernacles?” at <http://www.livingtheway.org/tabernacles.html>, states, “In addition, the Feast of Tabernacles looks forward to the great ingathering of believers after the return of Christ, during the time of His millennial rule on earth.

Comparing scriptures and history, it appears that Jesus the Messiah, at his first coming, was born during the fall holy day period. Just as the tabernacles, or tents, represented temporary dwelling places, the Messiah was made manifest in a temporary dwelling (body) as He came to tabernacle among us (John 1:14). The symbolism of Tabernacles may ultimately be fulfilled at His second coming, when He will once again tabernacle among men, this time as the King of kings and Lord of lords, the mighty Ruler, finally providing a millennial rest for all mankind and the earth (see Hebrews chapter 4).

Interest in the annual holy days, and their deep meaning and rich symbolism, has enjoyed something of a revival in recent years. More church groups and individuals are rediscovering the holy days and are attempting to recognize and observe them in some fashion, in order to learn and benefit from them. These holy days are instructional aids to help us learn the deeper truths of God. Many of the various Sabbatarian Churches of God have been observing these holy days, including the Feast of Tabernacles, for years.

The basic tradition currently extant among most of the Church of God groups involves an eight-day observance (including seven days of the Feast of Tabernacles plus an eighth day commonly referred to as “The Last Great Day”) held at designated sites around the world. Site attendance may range from a few dozen to a few thousand, depending on the location and the sponsoring group. The object of meeting at designated sites is to observe the pilgrimage festival, to leave our homes to meet together as one before God.

The daily format at the Feast varies among different groups and organizations. Typically the format includes an opening prayer; praise and worship in the form of singing, praying, and reading of scriptures; some announcements as needed; a main message (often followed by open discussion); some closing songs; and a prayer. Some groups also offer praise dancing (sometimes called Davidic dancing) and other offerings and celebrations. Services seldom run more than two hours, and the remainder of the day is usually free for individuals to spend the time as they wish with their families. There are usually a number of optional activities scheduled throughout the week, including workshops, Bible studies, talent shows, fellowship evenings, dances, special youth events and activities, etc.

Depending on the group, additional activities might include such things as: building a sukkah (booth), daily Torah readings (the five books of Moses), Davidic dance instruction, instructional re-enactments of some of the Festival-related events of the first century (such as the Water Pouring Ceremony, during which Jesus presented his Living Water message, John chapter 7), or perhaps an “Israel Night” banquet, providing an opportunity to sample some traditional foods and to learn more about the land and people of Israel. Some Feast sites have a distinctively Messianic flavor, some are set up like a church retreat, and others are conducted with traditional formal church services.”

### **Punishment for All Nations That Do Not Keep The Feasts Of Tabernacles**

If the feasts of the LORD are just for the Jewish people, then why is there punishment for ALL nations that do not keep the Feasts of Tabernacles as stated in Zechariah 14? Zechariah 14:6-19 states, “And it shall come to pass in that day, that the light shall not be clear, nor dark: But it shall be one day which shall be known to the LORD, not day, nor night: but it shall come to pass, that at evening time it shall be light. And it shall be in that day, that living waters shall go out from Jerusalem; half of them toward the former sea, and half of them toward the hinder sea: in summer and in winter shall it be. And the LORD shall be king over all the earth: in that day shall there be one LORD, and his name one. All the land shall be

turned as a plain from Geba to Rimmon south of Jerusalem: and it shall be lifted up, and inhabited in her place, from Benjamin's gate unto the place of the first gate, unto the corner gate, and from the tower of Hananeel unto the king's winepresses. And men shall dwell in it, and there shall be no more utter destruction; but Jerusalem shall be safely inhabited. And this shall be the plague wherewith the LORD will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth. And it shall come to pass in that day, that a great tumult from the LORD shall be among them; and they shall lay hold every one on the hand of his neighbour, and his hand shall rise up against the hand of his neighbour. And Judah also shall fight at Jerusalem; and the wealth of all the heathen round about shall be gathered together, gold, and silver, and apparel, in great abundance. And so shall be the plague of the horse, of the mule, of the camel, and of the ass, and of all the beasts that shall be in these tents, as this plague. And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD of hosts, and to keep the feast of tabernacles. And it shall be, that whoso will not come up of all the families of the earth unto Jerusalem to worship the King, the LORD of hosts, even upon them shall be no rain. And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the LORD will smite the heathen that come not up to keep the feast of tabernacles. This shall be the punishment of Egypt, and the punishment of all nations that come not up to keep the feast of tabernacles.”

Therefore all nations should keep the Feast of Tabernacles or there will be punishment for not doing so.

### **Don't Miss Your Blessing to Give to the LORD During The Feast of Tabernacles**

We are commanded not to come empty hand before the LORD thy God three times a year. Many believers/saints have missed the first two times, but there is the last one. Deuteronomy 16:16-17 states, Three times in a year shall all thy males appear before the LORD thy God in the place which he shall choose; in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles: and they shall not appear before the LORD empty: Every man shall give as he is able, according to the blessing of the LORD thy God which he hath given thee. In verses 13-15 of the same chapter states, “Thou shalt observe the feast of tabernacles seven days, after that thou hast gathered in thy corn and thy wine: And thou shalt rejoice in thy feast, thou, and thy son, and thy daughter, and thy manservant, and thy maidservant, and the Levite, the stranger, and the fatherless, and the widow, that are within thy gates. Seven days shalt thou keep a solemn feast unto the LORD thy God in the place which the LORD shall choose: because the LORD thy God shall bless thee in all thine increase, and in all the works of thine hands, therefore thou shalt surely rejoice.”

### **Jews & Gentiles Let's Unite & Be “On One Accord”**

It is time for the church, the Jews and Gentiles to unite. There is power in numbers. The sounding of the shofar should be blown on the Feast of Trumpets, the 10 Days of Repentance/Teshuvah & on Yom Kippur to call people to repentance. If you don't have a shofar, then you can sound the shofar on the hour at <http://www.manifestthetruth.com/blow-the-shofar-and-play-gospel-songs.html>. You can pray during the same hours in your time zone as the calls or join the daily 1 hour International Worship, Praise, & Prayer calls at 8 a.m., 11 a.m., noon, & 2 p.m. EST. The U.S. no. is (605) 562-3130, Enter Access Code: 104870# or 557452#. **Look for your country's conference number below & then enter the Participant's Access Code: 104870# or 557452#. Each access code holds 1,000 participants.**

### **Prophetess' Call Of Action: Requests The Church (Jews & Gentiles) To Unite For Prayer & Fasting**

The believers/saints can fast and pray anytime during the LORD's Feasts. It is time for the church to collectively unite as one body of Christ in America and International. The church as a whole is breaking Jesus'/Yeshua's heart. Prophetess Letitia Peters is calling the church (Jews and Gentiles) in America and International to unite for several days of Prayer and Fasting during the feasts of the LORD. We want the church to open their doors as well on the following days:

- Sundown on Friday, September 18, 2015 to sundown on Saturday, September 19, 2015 during the 10 Days of Repentance/Teshuvah.
- Sundown on Tuesday, September 22, 2015 to sundown on Wednesday, September 23, 2015 (Day of Atonement/Yom Kippur). This is also Jesus'/Yeshua's birthday. Leviticus 23:27 describes it as "afflicting your souls" and during this time no food or liquid may be consumed, no work is permitted. Pope Francis is meeting with President Obama.
- Sundown on Friday, September 25 to sundown on Saturday, September 26, 2015 &
- Sundown on Friday, October 2 to sundown on Saturday, October 3.

We need God to intervene. The Christian church has been telling believers/saints to pray only, but there has been no breakthrough. Another alternative is needed-prayer & fasting (Matthew 17:14-21). Revivals usually occurred after an intense period of prayer and fasting. Jehosephat called a day of fasting and prayer for the whole nation, and asked God to intervene, which he did. The Lord brought about a massive and miraculous victory due to prayer & fasting. We want people to experience miracles, signs, & wonders. We want people to be healed from all manner of sickness/disease & even raised from the dead. Resources are available for download at <http://www.manifestthetruth.com/prayer-and-fasting.html> and <http://www.manifestthetruth.com/the-feasts-of-the-lord-2015.html>.

### **The Last Blood Moon is Another Warning for God's People to Wake Up Before It's Too Late**

We are in a spiritual warfare and everyone has a role to play in it. This is about good vs. evil. British 17<sup>th</sup> century statesman Edmund Burke said, **"The only thing necessary for evil to triumph is for good men to do nothing."** Pastor Daubenmire said that in America, **"good men have yielded power to evil men."** **"Evil rules when evil men make the rules," he said.** UN Secretary-General Ban Ki-Moon states, **"I call on States to honour their obligations to protect human rights every day of the year. I call on people to hold their governments to account."**

Obviously, since the people are not obeying the commandments or statutes in the Holy Bible or Tanakh, God is trying to get His people's attention by using the moon. The last blood moon will occur on September 28, 2015 during the Feast of Tabernacles. Based on my research the previous blood moons were a sign for people to turn away from sin & turn to God by faith. Wickedness is running rampant in America and the world. The righteous are called to inform the wicked to turn

away from his/her wickedness because if they do not the blood of his iniquity will be on their hands as stated in Ezekiel 3:18-21. You can also listen to the September 12, 2015 archived show called "Turn From Your Wickedness or Reap the Consequences from Worldwide S.I.N" at [www.BlogTalkRadio.com/ISAM](http://www.BlogTalkRadio.com/ISAM). We called people to repentance.

God is not a dictator, but He does give us free will. There has been no real turning back to God. In America, there has been a turning away from God with the recent Supreme Court's ruling for same sex marriages. People have allowed fear of man to turn their backs on family, friends, and loved ones. No one has publicly told the whole truth to mainstream media or the public about the secret, lifetime, generational involuntary or unwitting human subjects worldwide.

**THIS IS YOUR FINAL OPPORTUNITY FOR LENIENCY:** FBF, Church members, Unscrupulous Feds/Researchers/Perps/Informants/Police/Doctors. For those who are secretly monitoring, persecuting, torturing, tracking, stalking, harassing, and slowing killing us, you have until 3:00 p.m. EST on 9/18/2015 to tell the truth or complete the Affidavit of Truth Researchers/Key Study Personnel/Informants/Perps/ Opt-Out Form at <http://www.manifestthetruth.com> then select the button for Affidavit of Truth Researchers/Key Study Personnel/Informants/Perps/ Opt-Out Form. The Affidavit of Truth Researchers/Key Study Personnel/Informants/Perps/ Opt-Out Form also includes a document called, "The 12 Reasons Why You Should Complete The Opt-Out Form Now?"

### **Prophetess Letitia's Closing Remarks:**

Prophetess Letitia Peters states, "Satan and his devils know who is a threat to his kingdom. Are you? If I followed the current teachings of the Christian church, I would be dead. I thank Yeshua who is my LORD & Savior for allowing me to live for such a time as this. I give Him all of the glory. Many church leaders & believers/saints are powerless against the thief who comes to kill, steal, & destroy. People are dying prematurely or suddenly without being raised from the dead. People are not being healed from sickness or disease. God sent me to Pastor Donnie McClurkin's church Perfecting Faith Church, because many church leaders are not teaching the Word of God or demonstrating the power of the Word of God. It is a perfect time for the church to unite especially with Pope Francis' meeting with President Obama on Yom Kippur.

It is essential that as many of God's people go to the Feast of Tabernacles in 2015. God is calling me to go to Israel for the Feast of Tabernacles. I was born 16 years later on the same day that Israel became a nation, May 14. I am not playing this "game" with them when it comes to me leaving this country for the Feast of Tabernacles. I do not want to hear that there was "human error" or any problems. I will need help with getting my passport, conversing, & meeting with Pastor Donnie McClurkin, Prophetess Glenda Jackson, Apostle Esther Agiri, Apostle Guillermo Maldonado, Apostle Renny McLean, Sid Roth, & Fred Hammond. The core revival team should go with me to Israel, as well as, others. Due to sabotage & the gatekeepers, we are isolated even on social media & all modes of communications. I was blocked from The Donnie McClurkin Show Twitter's account after I sent information about the dates for the LORD's feasts. God did not want the Festival of Praise Tour to be in the middle of His Feasts because people may want to go to Israel during that time. This is why they do not want us to unite so that the last great revival cannot occur. Up to know, everything I have been sabotaged. My Facebook's posts are edited, modified, or delayed. I receive only a few responses or no responses for every post each & every time. I held conference calls with no one on them for the majority of the time. My phone calls are rerouted or the calls are rerouted to voicemail and I do not receive any responses. I am blocked from calling International. This is so that I am isolated. I believe that Sandra Bland stated that she was calling people, but her calls were going to voicemail. Was she on the "security list"? Was she "a secret, lifetime, generational involuntary or unwitting human subject"? Was she "redlined" like myself? I had to change the celebration of National Indoor Toxic Mold Awareness Month from September to October because of these illegal & unethical tactics. We can change the current state of the world if we unite. I echo the words of Michael L. Galiga, author of *Win Every Battle* who states, "**You've got to change things in the invisible realm. That's where most people miss getting their breakthrough.** In the Bible, Jesus told us to pray for God's will to be done on earth as it is in heaven. What we need to do is pull heaven down to earth. **The invisible, supernatural world controls the natural world.**" Will you join us during the feasts of the LORD?"

**Here's a brief synopsis about me:** Since 2010, I knew the unbelievable truth that the "unscrupulous U.S. Feds employees" are abusing their power. My elderly parents and I are being persecuted daily with chemicals, radiation, toxic molds, lasers, drones, or electronic weapons. **They could do this to us because they can & who is going to stop them?** Something inside of me told Jeanne S. to give them a message, "**I was going to stop them with the help of Jesus**". Jeanne S. told me that **they were afraid of me because I was going to help a lot of people.** She refused the initial \$50,000.00 that was offered to her not to save my life, but she accepted \$100,000.00. God showed me in a dream that she accepted it, but she did not ever return my phone calls. They looked into my future & they are doing it with you & your loved ones as well. I am not their slave and neither is anyone else. They are using lies and deceptions like the Germans did. People as being diagnosed with a mental illness even when it is not a recognized disease ([www.cchr.org](http://www.cchr.org)). It is

documented in the records of the U.S. Federal Government that they used this tactic so that they can discredit people who knew the truth during the Cold War. To violate someone's human right is to treat that person as if he or she was not a human being.

These current government practices are oppressing God's people & violating our God-given rights & liberties. For a crime to occur there must be an injured party (Corpus Delicti) who is injured physically, financially, and/or emotionally. In Aug. 2013, the U.S. Federal Government & the State of N.J received my Affidavit & opt-out form, but there was no response. Due to default, I demanded that they honor the 10 page remedies/reliefs in the Nov. 2013 Affidavit including to opt-out of NSA's PRISM & to cease & desist all unconstitutional activities immediately for all human subjects in America & International, which is posted @ [www.ManifestTheTruth.com](http://www.ManifestTheTruth.com). Another demand was to close the DHS's Fusion Centers, which are "pools of ineptitude, waste, & civil liberties intrusions", according to the 2012 Senate's report. Due to illegal surveillance & obstruction of justice, **I am requesting your help to expose this worldwide secret, invisible nightmare (S.I.N.). Edward Snowden honored his solemn oath.** Will you help to bring him home alive by including him in your prayers & supporting this movement? I could not have submitted the affidavits to the U.S. National Leaders without him.

My letters, press releases, requests to investigate, requests for hearings, and to cease & desist all unconstitutional activities immediately have been ignored by the F.B.I., Congressional representatives, Congressional Committees, and the White House's staff after I learned the unbelievable truth since 2010. The only Congressional member who tried to help me was the late New Jersey Senator Frank Lautenberg. **Most Americans are unaware that they can use their Congressional representatives to work on their behalf to resolve their issue with any of the Federal agency. It is called a "Congressional".** When I was the Project Manager for the \$65 million Direct User Access Terminal Service (D.U.A.T.S.) program, the pilots were always writing to their Congressional representatives asking questions about D.U.A.T.S. As the D.U.A.T.S. program manager, I had to prepare responses to them, which had a quick turnaround response time like 20 to 30 working days. I have used this knowledge for my own personal life in dealing with the Federal agencies. I know that the U.S. Federal Government cannot do whatever it wants to do. They have laws, statutes, judgments and the U.S. Constitution, which they must obey. **I read that a Government official said that the people did not know how to hold them accountable to their own laws.** I do because I was one of them like Edward Snowden.

I drove to a town hall meeting on the Sabbath & spoke with Former N.J. Congressman Rush Holt. He told me to fill out the paperwork, which I did at the town hall meeting & I picked up a miniature copy of the U.S. Constitution. I completed the paperwork several times at his office, but I have never received a response from the Homeland Security & Intelligence Agencies within the allotted timeframe about if I was on "a security list". God showed me that he would not win the Senate's election because of the poor treatment that I received from him & his staff. He sent me another form to complete & I informed him about what God showed me. How many times must I complete the same form requesting the same information? It was a DELAY TACTIC. Why have I been under illegal surveillance for years? I am monitored for 24/7 because of my anointing because they do not want the revival to occur. Every area of my life is affected including dating. The new F.B.I. Director said that it is impossible for people to be monitored for years because they have a tedious process and he likes it that way. I know one way: loopholes. What loopholes have they discovered to get around the tedious process? Was it the F.I.S.A. court? My family & I are not criminals or enemies of the corporation. We are non-combatant, peaceful, & law-abiding people who love America. They have used the technology that they "secretly" installed in them.

Experimenting on people in a human subject research/medical experiment without their "informed consent" is recognized as a Law of Nations violation, as well as, a violation of the 4<sup>th</sup>, 5<sup>th</sup>, and 8<sup>th</sup> Amendments to the U.S. Constitution, which the President, the military, the Intelligence Agencies & their contractors have taken the solemn oath to protect, preserve, & defend against all enemies, both foreign & domestic. The acts of violence that have been taken against us should be condemned by all those worldwide who value freedom & justice. **Many of the core International treaties are being violated;** civil, political, economic, social, & cultural rights, racial discrimination, discrimination against women, violation of children's rights, torture or other cruel, inhuman or degrading treatment or punishment.

I barely survived, but I have an incredible testimony. I give God all of the glory. I am the one that the enemy wants. When the enemy becomes mad, he will look for someone else who is close to me to steal, kill, or destroy like family members or someone who is vulnerable like a child, a senior citizen, or someone who is sick. The unsuspecting person was my then 5 year old nephew who was diagnosed with the swine flu. I knew it was intentionally, but I could not prove it until last year, when I watched the new television show called, "Scorpion", which is based on the life of a group of geniuses who are working for the U.S. Federal Government to solve worldwide problems. I learned the term "bio-hacking". This was a case of my nephew he was bio-hacked because no one else in his school or home contracted the swine flu. Did he get the swine flu when he opened an e-mail, opened a text, touched a door, or was it airborne? I rebuked the words that people were

telling me that “it did not look good” and they were believers/saints. I turned off the television because everyone who contracted the swine flu died. I went into prayer and fasting for days. I did not want anything to block my fellowship with Yeshua or Yahweh (1 John 1) or to block my prayers from being answered. I stopped fornication & gambling. I asked the Holy Ghost & fire to help me to overcome any temptation of sin & I wanted my life to align with the Word of God. I was behind in my tithes & I paid them in full. We prayed in agreement. Many of the 12 secret keys to develop a personal relationship with God & to become an anointed & powerful saint/believer that I developed for the church, I used for him, as well as, for others. I took my anointing oil when my mother was in the hospital right around when Whitney Houston died. My father developed cancer within the year that the “new neighbors” moved in & his oncologist stated that the cancer could have come from the environment. My face was burned down to the white skin. I met someone who sold emu oil & he said that it looked like a chemical burn. The emu oil restored my skin & it did not leave any burn marks or scars. There were days when I was in such excruciating pain that I could not get out of bed to even shower for days & I would cry silently. I would pray Psalm 35 against them & then I would tell them that they should enjoy their freedom now because they will spend the rest of their lives in jail. What kind of people would attack people while they are asleep? I would wake up with severe migraines, severe dry eyes, dark circles around my eyes, my skin would turn darker, weight gain overnight up to 15 pounds, cuts, bruises, swollen stomach, sores, blisters, and sores on extremely swollen lips. I used ice to help relieve the throbbing of my head. One night, the torturing was so bad by my former neighbors that I called out to Jesus to protect me. They were following me from floor to floor & room to room with the equipment that was penetrating my body and the walls. I called a U.S. Government agency & the man confirmed it was gamma radiation or microwave radiation. I felt the hand of God protecting my head from becoming a “mush brain”. From that day forward, I did not use any protection on my head & I always put on the whole armor of God (Ephesians 6:11-17). Our bodies are the temple of God & not to man. I even had a dream about my own funeral. This was all in an attempt to have me go to the hospital alone, which God told me not to go because they would kill me like Michael Jackson in 2009 & Whitney Houston in 2012. They have been trying to kill Donnie McClurkin, but God had me interceding for him. In 2013, when Pastor Donnie McClurkin was in Alaska, he decided to take a ride on a helicopter. Literally, I was fighting for his life. It took me a week to recover. Based on my research, I concluded that they wanted to kill him before his birthday like they did to the others. God told me that they wanted to kill him before Halloween 2013. I traveled 3 separate times, a 4 hour round-trip before Halloween to anoint the church property with anointed oil, prayed over his sports car, & casted out devils. I brought biblical stories & bibles to distribute. God told me to show them love & peace, which I did. Unfortunately, it was another family member who would die. Prominent Pastor Dr. Myron Monroe died in a jet crash on Nov. 9, 2014, which is Donnie McClurkin’s birthday. The jet crashed near **Freeport**, on the island of Grand Bahama, killing all nine people on board. I lost someone who was like a mother to me in October. They made sure that I could not visit her in the hospital despite my efforts of looking for her & calling the hospitals. I arrived 5 minutes before her funeral service ended due to the accident. When I was touched by someone I felt something leaving me because they did not want her to be raised from the dead. I was not feeling well the next day. I do not let everyone touch me for that very reason.

The enemy has been fighting hard in trying to stop me from getting this article to His people so that revival cannot occur. They were told to stop their wicked ways numerous times as stated in Ezekiel 3:18-21, but they continued even when I passed out flyers in the neighborhood. As I read the article, “The 5 Indicators of an Evil & Wicked Heart” confirmed what I must do. I have never seen such evil or lack of remorse even in the church. I was horrified to read the story of how the church kicked out a 103-year-old lifetime member & called the police on her. I agree with the comment that wolves in sheep’s clothing are running & filling the congregations. Recently, I received a phone call from an older woman who told me that she is being sprayed with pesticide & she wanted the name of the test that I had. I told her that the toxicologist told me to request these 2 tests: cholinesterase test & a liver panel test. I went temporarily blind from it & my vision was restored after I flagged down a police officer who had an oxygen tank in his vehicle. Now, there will be consequences for their actions & for the inactions of others who failed to protect us, our families, & loved ones. The police officers, doctors, Federal/State/County/City employees & church members participated in our demise & cover-ups. We want justice NOW!

The U.S. Federal Government was created to protect & defend our inalienable rights which are being violated. These Federal agencies are doing whatever they want to do, because there’s no accountability for misconduct or consequences for breaking the law. They have been hiding behind “security threat” or “national security”, but it will not work this time especially, when they provided classified files to directors to make the film “Zero Dark 30”. Who benefited from the film? Tribunals are requested because the same crimes are being committed now like the Germans during WWII.”

In summary, the last three feasts of the LORD should be observe by the church, which consists of the Jews and the Gentiles. It is the time for the church to unite during this God’s appointed season. Everyone should refer to the feasts in the Fall & Spring seasons, not as the Jewish Feasts, but as the feasts of the LORD as stated in the Holy Bible & Tanakh.
