

What I Do During My Worship, Praise, & Prayer Time?

(Written by Prophet Letitia Peters www.ManifestTheTruth.com)

I developed The Introductory Prayer and started sounding the shofar because I was getting a lot of distractions & interruptions whenever I started or was in the midst of my worship, praise, and prayer time with God. In the book, "The Handbook of Spiritual Warfare" by Dr. Ed Murphy, which I highly recommend, someone got rid of interference from the devils by "clearing the air" before so when he started praying he could focus on God & not the devils. By doing this, it shifted the atmosphere. After, I prayed the Introductory Prayer, I would sound the shofar by playing it 1,3, or 8 times in a row & then play 2 songs, If My People & Shifting the Atmosphere. Shofars were blown to praise God and rejoice in His glory (Psalm 150:3.)

While worshipping, praising, and praying, I play other songs, read scriptures i.e. Psalm 92 (on the Sabbath), and talk to God. After praying, I usually finish with Let the Church Say Amen. **You can play the shofar and/or the Gospel/Spiritual songs**, at <http://www.manifestthetruth.com/blow-the-shofar--play-songs.html> or use your own songs. I studied the enemy, because he has studied us and he knows who is a threat to his kingdom. You need to know the tricks & deceptions of the master deceiver, Satan. You don't want any distractions from Satan and his demons as stated in this 8 page document Satan Stops Our Prayers at <http://www.manifestthetruth.com/prayer-and-fasting.html>, which all intercessors should read beforehand."

Introductory Prayer

(Written by Prophetess Letitia Peters www.ManifestTheTruth.com)

(This can be prayed before praying Tracey's Intercession Prayers):

Father in the name of Yeshua, our time together is precious to me/us & I/we want to spend it with You in peace. In the name of Yeshua, I rebuke & bind all devils assigned to interfere with our worship, praise, & prayer time together & I cast out all devils & command that their assignments have been terminated right now. All devils are commanded to go in peace, leave now & go wherever Yeshua sends you & do not return to cause havoc in the name of Yeshua. I rebuke, bind, & command every devil who has been assigned to provide any delay or interference of our prayer requests to the LORD for Tracey or God answers to me/us instantaneously, your assignment is terminated & I loose & plead the sprinkling of the blood of Yeshua & the power and authority of the Holy Ghost & fire to cover them now in the name of Yeshua. In the name of Yeshua, I loose the blood of Yeshua, Yeshua's glory & the power of the resurrection of Yeshua over our worship, praise, & prayer time now & over every intercessor who is praying and interceding for Tracey to be healed now. In the name of Yeshua, I bind & command all demonic wormholes, portals, and doorways to be closed with the blood of Yeshua and I ask you Lord to send hundreds of angels to guard them & I loose the Holy Ghost to fill up every area where the intercessor is praying for the healing of Tracey. Thank you Lord for answering our prayer requests. Thanks be to God. It is finished in the name of Yeshua! For thine is the kingdom, & the power, & the glory forever. Amen!!!

NOTE: You can sound the shofar before and/or after praying or anytime during your worship, praise, and prayer time with God. You can play the shofar and/or the Gospel/Spiritual songs, at <http://www.manifestthetruth.com/blow-the-shofar--play-songs.html>.
